 5 <Section 1. Section 321.1, Code 2018, is amended by adding
 6 the following new subsection:
 7 NEW SUBSECTION. 06B. “*Automated traffic law enforcement*
 8 *system*” means a device used for the enforcement of laws
 9 regulating vehicular traffic and equipped with one or more

10 sensors working in conjunction with one of the following:
11 a. An official traffic-control signal, to produce recorded
12 images of motor vehicles entering an intersection against a red
13 signal light.
14 b. A speed measuring device, to produce recorded images of
15 motor vehicles traveling at a prohibited rate of speed.
16 c. A railroad grade crossing signal light, as described in
17 section 321.342, to produce recorded images of motor vehicles
18 violating the signal light.
19 d. Any official traffic-control device, if failure to comply
20 with the official traffic-control device constitutes a moving
21 violation under this chapter.
22 Sec. 2. **NEW SECTION. 321.492C Automated traffic law**
23 **enforcement systems.**
24 1. The department shall not place, operate, maintain,
25 or employ the use of any automated traffic law enforcement
26 system. The department shall not cause to be placed any
27 automated traffic law enforcement system except as provided in
28 this section or in rules adopted by the department under this
29 section.
30 2.a. A local authority, or another entity on a local
31 authority's behalf, shall not operate an automated traffic law
32 enforcement system without approving the use of the system
33 following an established self-certification process. The
34 self-certification process shall include a justification report
35 meeting the requirements of paragraph "b", which shall be

PAGE 2

1 made readily available for the public to review, and a public
2 hearing at which the local authority shall provide evidence
3 of a demonstrated safety need for the automated traffic law
4 enforcement system. Notice of the date, time, and place of
5 the hearing shall be published in the manner described in
6 section 362.3. A public hearing may address several locations
7 at which a local authority intends to place an automated
8 traffic law enforcement system. However, a local authority
9 shall adopt an ordinance approving the use of an automated
10 traffic law enforcement system for each location at which the
11 local authority operates a fixed or mobile automated traffic
12 law enforcement system. A local authority may approve the
13 operation of an automated traffic law enforcement system
14 only if the system is located in a documented high-crash or
15 high-risk location at which there is a demonstrated safety
16 need for the system. The local authority shall demonstrate
17 the safety need for the system based on the volume of traffic,
18 the history of motor vehicle accidents, the frequency and type
19 of traffic violations, the risk to peace officers employing
20 traditional traffic enforcement methods, any additional
21 information required in the justification report, and any other
22 safety criteria deemed appropriate by the local authority.
23 These requirements shall apply for each location at which a

24 local authority, or another entity on a local authority's
25 behalf, operates a fixed or mobile automated traffic law
26 enforcement system. However, any area located within a road
27 work zone or school district, as those terms are defined in
28 section 321.1, shall be presumed to be a high-risk location at
29 which there is a demonstrated safety need for a system.
30 b. A justification report shall provide all necessary
31 information and documentation to demonstrate whether an area is
32 a high-crash or high-risk location and shall include but not be
33 limited to documentation regarding all the following:
34 (1) Existing traffic speeds, posted speed limits,
35 traffic volumes, and intersection or roadway geometry. Such

PAGE 3

1 documentation shall provide assurance that existing speed
2 limits and official traffic-control signal timings are
3 appropriate and shall describe how the limits and timings were
4 established.
5 (2) The applicable motor vehicle accident history, the
6 primary accident types, accident causes, accident severity, and
7 the history of any related traffic violations. Only accidents
8 attributable to violating the speed limit or an official
9 traffic-control signal shall be included in this report. Such
10 documentation shall compare accident data with data from other
11 similar locations within the local authority's jurisdiction,
12 other similar jurisdictions, and larger metropolitan areas.
13 (3) The identification of critical traffic safety issues
14 related to the data required by subparagraphs (1) and (2),
15 including a comprehensive list of solutions that may address
16 the critical traffic safety issues.
17 (4) Solutions or safety countermeasures that the local
18 authority has implemented along with those that the local
19 authority has considered but not implemented. These may
20 include solutions relating to law enforcement, engineering,
21 public education campaigns, or other safety countermeasures.
22 (5) Discussions held and actions taken by the local
23 authority with any partnering entities that have resources
24 which could aid in the reduction of accidents attributable
25 to violating the speed limit or an official traffic-control
26 signal.
27 (6) The reason or reasons the local authority believes an
28 automated traffic law enforcement system is the best solution
29 to address the critical traffic safety issues.
30 c. A local authority, or another entity on a local
31 authority's behalf, shall not operate an automated traffic law
32 enforcement system without posting signage meeting all of the
33 following requirements:
34 (1) For a fixed automated traffic law enforcement system,
35 permanent signs advising drivers that the system is in place

PAGE 4

1 shall be posted in clear and present view of passing drivers in
2 advance of the location where the system is in use.

3 (2) For a mobile automated traffic law enforcement system,
4 temporary or permanent signs advising drivers that the system
5 is in place shall be posted in clear and present view of
6 passing drivers in advance of the location where the system is
7 in use.

8 (3) The signage conforms to the manual on uniform
9 traffic-control devices as adopted by the department.

10 *d.* A local authority, or another entity on a local
11 authority's behalf, shall not issue a citation resulting from
12 the use of an automated traffic law enforcement system until
13 an active peace officer of the local authority has reviewed
14 the citation and any relevant recorded images produced by the
15 system.

16 *e.* The amount of the fine or civil penalty imposed by a
17 citation resulting from the use of an automated traffic law
18 enforcement system shall not exceed the amount of the fine for
19 a scheduled violation under section 805.8A for the same or a
20 similar violation of this chapter.

21 *f.* An automated traffic law enforcement system working
22 in conjunction with a speed measuring device or official
23 traffic-control signal shall comply with the generally accepted
24 procedures for operating the system. An automated traffic law
25 enforcement system shall verify its internal calibrations on a
26 daily basis. If the daily internal calibration is not valid,
27 the system shall not operate until a successful calibration
28 is subsequently conducted. In addition to the daily internal
29 calibration, a monthly calibration shall be conducted by a
30 person trained in the calibration of the system. A person
31 trained in the calibration of a mobile automated traffic law
32 enforcement system shall also conduct a calibration prior to
33 the use of the mobile system after any change in location.
34 A local authority, or another entity on a local authority's
35 behalf, operating an automated traffic law enforcement

PAGE 5

1 system shall maintain a monthly log detailing whether the
2 local authority or entity successfully performed the daily
3 and monthly calibrations. The log and documentation of the
4 calibrations shall be admissible in any court proceeding
5 relating to an official traffic-control signal violation
6 pursuant to section 321.257 or a speed limit violation pursuant
7 to section 321.285.

8 *g.* A local authority shall maintain or compile records
9 relating to the number of traffic violations and number
10 of traffic accidents for all locations at which the local
11 authority, or another entity on a local authority's behalf,
12 operates or intends to operate an automated traffic law

13 enforcement system. Such records shall be maintained or
14 compiled by the local authority for one year prior to the
15 installation of the automated traffic law enforcement system
16 and for each year the automated traffic law enforcement
17 system is in operation. Such records shall be available for
18 examination to the same extent allowed in section 22.2. A
19 local authority with an automated traffic law enforcement
20 system operating within its jurisdiction shall file an annual
21 report with the general assembly on or before December 31 of
22 each year detailing the effectiveness of each automated traffic
23 law enforcement system operating within its jurisdiction. An
24 annual report shall include the justification report described
25 in paragraph "b" and shall also include but not be limited to
26 information relating to increases or decreases in the number of
27 speed limit violations, violations of official traffic-control
28 signals, and traffic accidents.

29 *h.* Prior to a local authority placing an automated traffic
30 law enforcement system on a primary road, the local authority
31 shall obtain approval from the department in accordance
32 with rules adopted by the department. A local authority
33 shall submit to the department any information requested by
34 the department during the approval process. If the local
35 authority's use of the system is approved by the department,

PAGE 6

1 the local authority shall follow the requirements set forth
2 in rules adopted by the department. The department may
3 modify its rules relating to automated traffic law enforcement
4 systems to the extent necessary to ensure automated traffic
5 law enforcement systems are operated in a safe and equitable
6 manner. This paragraph "h" shall not apply to an automated
7 traffic law enforcement system approved or allowed to operate
8 in accordance with rules adopted by the department and in
9 operation prior to January 1, 2017. A local authority may
10 continue to operate such a system in the same manner as the
11 system was operated prior to January 1, 2017. However, after a
12 local authority discontinues operation of such a system, any
13 new manner of operation or new system operated by the local
14 authority shall comply with this paragraph "h". The department
15 shall have the authority to annually review all automated
16 traffic law enforcement systems placed on primary roads and
17 shall have the authority to require removal or modification of
18 such systems.

19 *i.* A local authority shall designate a process by which
20 a person may appeal a citation issued through the use of an
21 automated traffic law enforcement system, which at a minimum
22 shall provide for all of the following:

23 (1) An appeal to an impartial body created by the local
24 authority to review citations issued through the use of
25 automated traffic law enforcement systems.

26 (2) Following a decision from the impartial body that is

27 adverse to the person, an appeal to the district court, sitting
28 in small claims, of the county in which the local authority is
29 located.
30 *j.*(1) A local authority shall authorize a petition process
31 by which citizens within the local authority may petition for
32 the removal of a fixed automated traffic law enforcement system
33 or the disapproval of a location approved for the use of mobile
34 automated traffic law enforcement systems in accordance with
35 this section. Petitions under this paragraph “*j*” shall be

PAGE 7

1 specific to one fixed system or one location approved for the
2 use of mobile systems.
3 (2) If the local authority is a city, a petition brought
4 under this paragraph “*j*” is valid if it is signed by a number
5 of eligible electors of the city equal to or greater than ten
6 percent of the number of persons who voted in the last regular
7 city election. The petition shall include the signatures of
8 the petitioners, the places of residence of the petitioners,
9 and the date on which the petitioners signed the petition.
10 (3) If the local authority is a county, a petition brought
11 under this paragraph “*j*” is valid if it is signed by a number
12 of eligible electors of the county equal to or greater than
13 ten percent of the number of votes cast in the county in the
14 last presidential election. The petition shall include the
15 signatures of the petitioners, the places of residence of the
16 petitioners, and the date on which the petitioners signed the
17 petition.
18 (4) If a petition is valid as provided in this paragraph
19 “*j*”, the city council or county board of supervisors, as
20 applicable, shall vote on whether to repeal the ordinance
21 allowing the operation of the fixed system or approving the
22 location for the use of mobile systems.
23 (5) If a city council or county board of supervisors has
24 voted pursuant to subparagraph (4), a new petition for the same
25 fixed system or the same location approved for use of mobile
26 systems shall not be valid for three years after the date of
27 the vote.
28 *k.* A local authority that operates an automated traffic
29 law enforcement system in violation of this section shall be
30 precluded from operating any automated traffic law enforcement
31 system for a period of two years. A citizen residing within
32 the jurisdiction of a local authority which violates this
33 section shall be allowed to file suit to enjoin the local
34 authority from operating an automated traffic law enforcement
35 system in accordance with this paragraph “*k*”.

PAGE 8

1 3. All moneys collected by a local authority from citations
2 issued as a result of the use of an automated traffic law

3 enforcement system, less the amount necessary for the
 4 installation, operation, and maintenance of the automated
 5 traffic law enforcement system, shall be deposited in the
 6 account or accounts maintained by the local authority for
 7 moneys appropriated to the local authority from the secondary
 8 road fund or street construction fund of the cities, or shall
 9 be deposited in any account and used for the purposes of public
 10 safety. This subsection shall not apply to moneys collected
 11 for court costs or other associated costs, the criminal penalty
 12 surcharge required by section 911.1, or the county enforcement
 13 surcharge required by section 911.4, as applicable.>

1 Amend Senate File 359, as passed by the Senate, as follows:
 2 1. By striking everything after the enacting clause and
 3 inserting:
 4 <Section 1.NEW SECTION. 146C.1 Legislative findings and
 5 intent.
 6 1. The general assembly finds all of the following:
 7 a. Abortion carries significant physical and psychological
 8 risks to the pregnant woman, and these physical and
 9 psychological risks increase exponentially with the
 10 postfertilization age of the unborn child.
 11 b. As the second trimester of a pregnancy progresses, in the
 12 vast majority of uncomplicated pregnancies, the health risks to
 13 the pregnant woman of undergoing an abortion are greater than
 14 the risks of carrying a pregnancy to term.
 15 c. Medical complications from dilation and evacuation
 16 abortions include but are not limited to pelvic infection;
 17 incomplete abortions and retained tissue; blood clots; heavy
 18 bleeding or hemorrhage; laceration, tear, or other injury to
 19 the cervix; puncture, laceration, tear, or other injury to the
 20 uterus; injury to the bowel or bladder; depression; anxiety;
 21 substance abuse; and other emotional or psychological problems.

22 Further, in abortions performed in the second trimester, there
23 is a higher risk of requiring a hysterectomy, other reparative
24 surgery, or blood transfusion.

25 *d.* The state of Iowa has legitimate interests from the
26 outset of pregnancy in protecting the health of women, as the
27 medical, emotional, and psychological consequences of abortion
28 are serious and can be lasting.

29 2. Based upon the findings specified in subsection 1, it is
30 the intent of the general assembly through application of this
31 chapter to restrict the practice of nontherapeutic or elective
32 abortion to the period prior to the unborn child achieving the
33 postfertilization age of fifteen weeks.

34 Sec. 2. NEW SECTION. **146C.2 Definitions.**

35 As used in this chapter, unless the context otherwise

PAGE 2

1 requires:

2 1. “*Abortion*” means the termination of a human pregnancy
3 with the intent other than to produce a live birth or to remove
4 a dead fetus.

5 2. “*Attempt to perform an abortion*” means an act, or
6 an omission of a statutorily required act, that, under the
7 circumstances as the actor believes them to be, constitutes a
8 substantial step in a course of conduct planned to culminate in
9 the performing of an abortion.

10 3. “*Department*” means the department of public health.

11 4. “*Fertilization*” means the fusion of a human spermatozoon
12 with a human ovum.

13 5. “*Major bodily function*” includes but is not limited
14 to functions of the immune system, normal cell growth, and
15 digestive, bowel, bladder, neurological, brain, respiratory,
16 circulatory, endocrine, and reproductive functions.

17 6. “*Medical emergency*” means a situation in which an
18 abortion is performed to preserve the life of the pregnant
19 woman whose life is endangered by a physical disorder, physical
20 illness, or physical injury, including a life-endangering
21 physical condition caused by or arising from the pregnancy, or
22 when continuation of the pregnancy will create a serious risk
23 of substantial and irreversible impairment of a major bodily
24 function of the pregnant woman.

25 7. “*Medical facility*” means any public or private hospital,
26 clinic, center, medical school, medical training institution,
27 health care facility, physician’s office, infirmary,
28 dispensary, ambulatory surgical center, or other institution or
29 location where medical care is provided to any person.

30 8. “*Perform*”, “*performed*”, or “*performing*”, relative to an
31 abortion, means the use of any means, including medical or
32 surgical, to terminate the pregnancy of a woman known to be
33 pregnant with the intent other than to produce a live birth or
34 to remove a dead fetus.

35 9. “*Physician*” means a person licensed under chapter 148.

PAGE 3

1 10. "*Postfertilization age*" means the age of the unborn
2 child as calculated from fertilization.

3 11. "*Probable postfertilization age*" means what, in
4 reasonable medical judgment, will with reasonable probability
5 be the postfertilization age of the unborn child at the time
6 the abortion is to be performed.

7 12. "*Reasonable medical judgment*" means a medical judgment
8 made by a reasonably prudent physician who is knowledgeable
9 about the case and the treatment possibilities with respect to
10 the medical conditions involved.

11 13. "*Severe fetal abnormality*" means a life-threatening
12 physical condition that, in the physician's reasonable medical
13 judgment, regardless of the provision of life-saving medical
14 treatment, is incompatible with life outside the womb.

15 14. "*Unborn child*" means an individual organism of the
16 species homo sapiens from fertilization to live birth.

17 **Sec. 3. NEW SECTION. 146C.3 Determination of**
18 **postfertilization age — certain abortions prohibited —**
19 **exceptions — reporting requirements — penalties.**

20 1. Except in the case of a medical emergency or a
21 severe fetal abnormality, in addition to compliance with
22 the prerequisites of chapter 146A, an abortion shall not be
23 performed or be attempted to be performed unless the physician
24 performing the abortion has first made a determination of the
25 probable postfertilization age of the unborn child or relied
26 upon such a determination made by another physician. In making
27 such a determination, a physician shall make such inquiries
28 of the pregnant woman and perform or cause to be performed
29 such medical examinations and tests the physician considers
30 necessary in making a reasonable medical judgment to accurately
31 determine the postfertilization age of the unborn child.

32 2.a. A physician shall not perform or attempt to perform
33 an abortion upon a pregnant woman when it has been determined,
34 by the physician performing the abortion or by another
35 physician upon whose determination that physician relies, that

PAGE 4

1 the probable postfertilization age of the unborn child is
2 fifteen or more weeks unless, in the physician's reasonable
3 medical judgment, any of the following applies:

4 (1) The pregnant woman has a condition which the physician
5 deems a medical emergency.

6 (2) The abortion is necessary to preserve the life of an
7 unborn child.

8 (3) The unborn child is afflicted with a severe fetal
9 abnormality.

10 b. If an abortion is performed under this subsection, the
11 physician shall terminate the pregnancy in the manner which,

12 in the physician's reasonable medical judgment, provides the
13 best opportunity for an unborn child to survive, unless, in the
14 physician's reasonable medical judgment, termination of the
15 pregnancy in that manner would pose a greater risk than any
16 other available method of the death of the pregnant woman or
17 of the substantial and irreversible physical impairment of a
18 major bodily function. A greater risk shall not be deemed to
19 exist if it is based on a claim or diagnosis that the pregnant
20 woman will engage in conduct which would result in the pregnant
21 woman's death or in substantial and irreversible physical
22 impairment of a major bodily function.

23 3. A physician who performs or attempts to perform an
24 abortion shall report to the department, on a schedule and in
25 accordance with forms and rules adopted by the department, all
26 of the following:

27 a. If a determination of probable postfertilization age of
28 the unborn child was made, the probable postfertilization age
29 determined and the method and basis of the determination.

30 b. If a determination of probable postfertilization age of
31 the unborn child was not made, the basis of the determination
32 that a medical emergency existed or that the unborn child was
33 afflicted with a severe fetal abnormality.

34 c. If the probable postfertilization age of the unborn
35 child was determined to be fifteen or more weeks, the basis

2 determination that the unborn child was afflicted with a severe
3 fetal abnormality, or the basis of the determination that the
4 abortion was necessary to preserve the life of an unborn child.

5 d. The method used for the abortion and, in the case of
6 an abortion performed when the probable postfertilization age
7 was determined to be fifteen or more weeks, whether the method
8 of abortion used was one that, in the physician's reasonable
9 medical judgment, provided the best opportunity for an unborn
10 child to survive or, if such a method was not used, the basis
11 of the determination that termination of the pregnancy in
12 that manner would pose a greater risk than would any other
13 available method of the death of the pregnant woman or of the
14 substantial and irreversible physical impairment of a major
15 bodily function.

16 4.a. By June 30, annually, the department shall issue a
17 public report providing statistics for the previous calendar
18 year, compiled from the reports for that year submitted in
19 accordance with subsection 3. The department shall ensure that
20 none of the information included in the public reports could
21 reasonably lead to the identification of any woman upon whom an
22 abortion was performed.

23 b.(1) A physician who fails to submit a report by the end
24 of thirty days following the due date shall be subject to a
25 late fee of one hundred dollars for each additional thirty-day

26 period or portion of a thirty-day period the report is overdue.
 27 (2) A physician required to report in accordance with
 28 subsection 3 who has not submitted a report or who has
 29 submitted only an incomplete report more than one year
 30 following the due date, may, in an action brought in the
 31 manner in which actions are brought to enforce chapter 148,
 32 be directed by a court of competent jurisdiction to submit a
 33 complete report within a time period stated by court order or
 34 be subject to contempt of court.
 35 (3) A physician who intentionally or recklessly falsifies

PAGE 6

1 a report required under this section is subject to a civil
 2 penalty of five hundred dollars.
 3 5. Any medical facility in which a physician is authorized
 4 to perform an abortion shall implement written medical
 5 policies and procedures consistent with the requirements and
 6 prohibitions of this chapter.
 7 6. The department shall adopt rules to implement this
 8 section.
 9 **Sec. 4. NEW SECTION. 146C.4 Civil actions and penalties.**
 10 1. Failure of a physician to comply with any provision of
 11 section 146C.3, with the exception of the late filing of a
 12 report or failure to submit a complete report in compliance
 13 with a court order, is grounds for licensee discipline under
 14 chapter 148.
 15 2. A woman upon whom an abortion has been performed in
 16 violation of this chapter may maintain an action against the
 17 physician who performed the abortion in intentional or reckless
 18 violation of this chapter for actual damages.
 19 3. A woman upon whom an abortion has been attempted in
 20 violation of this chapter may maintain an action against the
 21 physician who attempted the abortion in intentional or reckless
 22 violation of this chapter for actual damages.
 23 4. A cause of action for injunctive relief to prevent a
 24 physician from performing abortions may be maintained against a
 25 physician who has intentionally violated this chapter by the
 26 woman upon whom the abortion was performed or attempted, by
 27 a parent or guardian of the woman if the woman is less than
 28 eighteen years of age at the time the abortion was performed
 29 or attempted, by a current or former licensed health care
 30 provider of the woman, by a county attorney with appropriate
 31 jurisdiction, or by the attorney general.
 32 5. If the plaintiff prevails in an action brought under
 33 this section, the plaintiff shall be entitled to an award for
 34 reasonable attorney fees.
 35 6. If the defendant prevails in an action brought under

PAGE 7

1 this section and the court finds that the plaintiff's suit was

2 frivolous and brought in bad faith, the defendant shall be
 3 entitled to an award for reasonable attorney fees.
 4 7. Damages and attorney fees shall not be assessed against
 5 the woman upon whom an abortion was performed or attempted
 6 except as provided in subsection 6.
 7 8. In a civil proceeding or action brought under this
 8 chapter, the court shall rule whether the anonymity of any
 9 woman upon whom an abortion has been performed or attempted
 10 shall be preserved from public disclosure if the woman does not
 11 provide consent to such disclosure. The court, upon motion
 12 or on its own motion, shall make such a ruling and, upon
 13 determining that the woman's anonymity should be preserved,
 14 shall issue orders to the parties, witnesses, and counsel
 15 and shall direct the sealing of the record and exclusion of
 16 individuals from courtrooms or hearing rooms to the extent
 17 necessary to safeguard the woman's identity from public
 18 disclosure. Each such order shall be accompanied by specific
 19 written findings explaining why the anonymity of the woman
 20 should be preserved from public disclosure, why the order is
 21 essential to that end, how the order is narrowly tailored to
 22 serve that interest, and why no reasonable less restrictive
 23 alternative exists. In the absence of written consent of the
 24 woman upon whom an abortion has been performed or attempted,
 25 anyone, other than a public official, who brings an action
 26 under this section shall do so under a pseudonym. This
 27 subsection shall not be construed to conceal the identity
 28 of the plaintiff or of witnesses from the defendant or from
 29 attorneys for the defendant.
 30 9. This chapter shall not be construed to impose civil
 31 or criminal liability on a woman upon whom an abortion is

1 Amend Senate File 2311, as amended, passed, and reprinted by
2 the Senate, as follows:
3 1. By striking everything after the enacting clause and
4 inserting:
5 <Section 1. Section 28F.1, subsection 1, Code 2018, is
6 amended to read as follows:
7 1. This chapter provides a means for the joint financing
8 by public agencies of works or facilities useful and necessary
9 for the collection, treatment, purification, and disposal
10 in a sanitary manner of liquid and solid waste, sewage,
11 and industrial waste, facilities used for the conversion of
12 solid waste to energy, gasworks and facilities useful for
13 the delivery of natural gas service, and also electric power
14 facilities constructed within the state of Iowa, except that
15 hydroelectric power facilities may also be located in the
16 waters and on the dams of or on land adjacent to either side
17 of the Mississippi or Missouri river bordering the state of
18 Iowa, water supply systems, swimming pools or golf courses.
19 This chapter applies to the acquisition, construction,
20 reconstruction, ownership, operation, repair, extension,
21 or improvement of such works or facilities, by a separate

22 administrative or legal entity created pursuant to chapter
 23 28E or chapter 389. When the legal entity created under
 24 this chapter is comprised solely of cities, counties, and
 25 sanitary districts established under chapter 358, or any
 26 combination thereof or any combination of the foregoing with
 27 other public agencies, the entity shall be both a corporation
 28 and a political subdivision with the name under which it was
 29 organized. The legal entity may sue and be sued, contract,
 30 acquire and hold real and personal property necessary for
 31 corporate purposes, adopt a corporate seal and alter the seal
 32 at pleasure, and execute all the powers conferred in this
 33 chapter.
 34 Sec. 2. Section 28F.11, Code 2018, is amended to read as
 35 follows:

PAGE 2

1 **28F.11 Eminent domain.**

2 Any public agency participating in an agreement authorizing
 3 the joint exercise of governmental powers pursuant to this
 4 chapter may exercise its power of eminent domain to acquire
 5 interests in property, under provisions of law then in effect
 6 and applicable to the public agency, for the use of the entity
 7 created to carry out the agreement, provided that the power of
 8 eminent domain is not used to acquire interests in property
 9 which is part of a system of facilities in existence, under
 10 construction, or planned, for the generation, transmission
 11 or sale of electric power, or for the transmission,
 12 transportation, or sale of natural gas. In the exercise
 13 of the power of eminent domain, the public agency shall
 14 proceed in the manner provided by chapter 6B. Any interests
 15 in property acquired are acquired for a public purpose, as
 16 defined in chapter 6A, of the condemning public agency, and the
 17 payment of the costs of the acquisition may be made pursuant
 18 to the agreement or to any separate agreement between the
 19 public agency and the entity or the other public agencies
 20 participating in the entity or any of them. Upon payment of
 21 costs, any property acquired is the property of the entity.

22 Sec. 3. Section 476.1, subsection 7, Code 2018, is amended
 23 to read as follows:

24 7. The jurisdiction of the board under this chapter
 25 shall include efforts designed to promote the use of energy
 26 efficiency strategies by ~~rate or service-regulated~~ gas and
 27 electric utilities required to be rate-regulated.

28 Sec. 4. Section 476.1A, subsections 1, 2, and 4, Code 2018,
 29 are amended to read as follows:

30 1. Electric public utilities having fewer than ten
 31 thousand customers and electric cooperative corporations
 32 and associations are not subject to the ~~rate~~ regulation
 33 authority of the board. ~~Such utilities are subject to all~~
 34 ~~other regulation and enforcement activities of the board,~~
 35 ~~including,~~ except for regulatory action pertaining to all of

PAGE 3

1 the following:

2 a. Assessment of fees for the support of the division and
3 the office of consumer advocate, pursuant to section 476.10.

4 b. Safety and engineering standards for equipment,
5 operations, and procedures.

6 c. Assigned area of service.

7 d. Pilot projects of the board.

8 e. Assessment of fees for the support of the Iowa energy
9 center created in section 15.120 and the center for global and
10 regional environmental research established by the state board
11 of regents. This paragraph "e" is repealed July 1, 2022.

12 f. Filing alternate energy purchase program plans with the
13 board, and offering such programs to customers, pursuant to
14 section 476.47.

15 g. Filing energy efficiency plans and energy efficiency
16 results with the board. The energy efficiency plans as a
17 whole shall be cost-effective. The board may permit these
18 utilities to file joint plans. ~~The board shall periodically~~
19 ~~report the energy efficiency results including energy savings~~
20 ~~of each of these utilities to the general assembly.~~ The board
21 may waive all or part of the energy efficiency filing and
22 review requirements for electric cooperative corporations and
23 associations and electric public utilities which demonstrate
24 superior results with existing energy efficiency efforts.

25 2. However, sections 476.20, subsections 1 through 4,
26 476.21, 476.41 through 476.44, 476.51, 476.56, 476.62, and
27 476.66 and chapters 476A and 478, to the extent applicable,
28 apply to such electric utilities.

29 4. The board of directors or the membership of an electric
30 cooperative corporation or association otherwise exempt
31 from rate regulation may elect to have the cooperative's
32 rates regulated by the board. The board shall adopt rules
33 prescribing the manner in which the board of directors or the
34 membership of an electric cooperative may so elect. If the
35 board of directors or the membership of an electric cooperative

PAGE 4

1 has elected to have the cooperative's rates regulated by the
2 board, after two years have elapsed from the effective date of
3 such election the board of directors or the membership of the
4 electric cooperative may elect to exempt the cooperative from
5 the rate regulation authority of the board, provided, however,
6 that if the membership elected to have the cooperative's rates
7 regulated by the board, only the membership may elect to exempt
8 the cooperative from the rate regulation authority of the
9 board.

10 Sec. 5. Section 476.1B, subsection 1, paragraph f, Code
11 2018, is amended by striking the paragraph.

12 Sec. 6. Section 476.2, subsection 6, Code 2018, is amended
13 by striking the subsection.

14 Sec. 7. Section 476.4, subsection 1, Code 2018, is amended
15 to read as follows:

16 1. Every public utility shall file with the board tariffs
17 showing the rates and charges for its public utility services
18 and the rules and regulations under which such services were
19 furnished, on April 1, 1963, which rates and charges shall be
20 subject to investigation by the board as provided in section
21 476.3, and upon such investigation the burden of establishing
22 the reasonableness of such rates and charges shall be upon the
23 public utility filing the same. These filings shall be made
24 under such rules as the board may prescribe within such time
25 and in such form as the board may designate. In prescribing
26 rules and regulations with respect to the form of tariffs
27 and any other regulations, the board shall, in the case of
28 public utilities subject to regulation by any federal agency,
29 give due regard to any corresponding rules and regulations of
30 such federal agency, to the end that unnecessary duplication
31 of effort and expense may be avoided so far as reasonably
32 possible. Each public utility shall keep copies of its tariffs
33 open to public inspection under such rules as the board may
34 prescribe.

35 Sec. 8. Section 476.6, subsections 8 and 13, Code 2018, are

PAGE 5

1 amended to read as follows:

2 8. *Automatic adjustments permitted.*

3 a. This chapter does not prohibit a public utility from
4 making provision for the automatic adjustment of rates and
5 charges for public utility service provided that a schedule
6 showing the automatic adjustment of rates and charges is first
7 filed with the board.

8 b. A public utility may automatically adjust rates and
9 charges to recover costs related to transmission incurred by
10 or charged to the public utility consistent with a tariff or
11 agreement that is subject to the jurisdiction of the federal
12 energy regulatory commission, provided that a schedule showing
13 the automatic adjustment of rates and charges is first filed
14 with the board. The board shall adopt rules regarding the
15 reporting of transmission expenses and transmission-related
16 activity pursuant to this paragraph.

17 13. *Energy efficiency plans.* Electric and gas public
18 utilities shall offer energy efficiency programs to their
19 customers through energy efficiency plans. An energy
20 efficiency plan as a whole shall be cost-effective. In
21 determining the cost-effectiveness of an energy efficiency
22 plan, the board shall apply the societal test, total resource
23 cost test, utility cost test, rate-payer impact test, and
24 participant test. Energy efficiency programs for qualified
25 low-income persons and for tree planting programs, educational

26 programs, and assessments of consumers' needs for information
 27 to make effective choices regarding energy use and energy
 28 efficiency need not be cost-effective and shall not be
 29 considered in determining cost-effectiveness of plans as a
 30 whole. The energy efficiency programs in the plans may be
 31 provided by the utility or by a contractor or agent of the
 32 utility. Programs offered pursuant to this subsection by gas
 33 and electric utilities that are required to be rate-regulated
 34 shall require board approval.
 35 Sec. 9. Section 476.6, subsection 15, paragraphs a and b,

PAGE 6

1 Code 2018, are amended to read as follows:
 2 a. Gas and electric utilities required to be rate-regulated
 3 under this chapter shall file energy efficiency plans and
 4 demand response plans with the board as provided in paragraph
 5 "e". An energy efficiency plan and budget or a demand response
 6 plan and budget shall include a range of energy efficiency
 7 or demand response programs, tailored to the needs of all
 8 customer classes, including residential, commercial, and
 9 industrial customers, for energy efficiency or demand response
 10 opportunities. The plans shall include programs for qualified
 11 low-income persons including a cooperative program with any
 12 community action agency within the utility's service area to
 13 implement countywide or communitywide energy efficiency or
 14 demand response programs for qualified low-income persons.
 15 Rate-regulated gas and electric utilities shall utilize
 16 Iowa contractors and Iowa contractors to the maximum extent
 17 cost-effective in their energy efficiency plans and demand
 18 response plans filed with the board. A gas or electric utility
 19 shall limit any administrative costs associated with the
 20 adoption of an energy efficiency plan or demand response plan
 21 pursuant to this subsection to ten percent or less of the total
 22 costs associated with such plan.
 23 b.(1) A gas and electric utility required to be
 24 rate-regulated under this chapter shall assess potential energy
 25 and capacity savings available from actual and projected
 26 customer usage by applying commercially available technology
 27 and improved operating practices to energy-using equipment
 28 and buildings. The utility shall submit the assessment to
 29 the board. Upon receipt of the assessment, the board shall
 30 consult with the economic development authority to develop
 31 specific capacity and energy savings ~~performance standards~~
 32 goals for each utility. Such goals, except as provided for in
 33 subsection 13, shall only include cost-effective plans. The
 34 utility shall submit an energy efficiency plan which shall
 35 include economically achievable programs designed to attain

PAGE 7

1 these energy and capacity ~~performance standards~~ goals. The

2 board shall periodically report the energy efficiency results
3 including energy savings of each utility to the general
4 assembly.

5 (2) For purposes of this paragraph, "cost-effective" means
6 the total resource cost test result for a plan is greater
7 than one. In applying the total resource cost test, benefits
8 to be considered include avoided capacity and energy costs
9 and federal tax credits, and costs to be considered include
10 incremental costs of equipment, operation, and maintenance,
11 utility costs, and administration costs.

12 Sec. 10. Section 476.6, subsection 15, paragraphs c and d,
13 Code 2018, are amended by striking the paragraphs.

14 Sec. 11. Section 476.6, subsection 15, paragraphs e, f, and
15 g, Code 2018, are amended to read as follows:

16 e.(1) The board shall conduct contested case proceedings
17 for review of energy efficiency plans, demand response plans,
18 and budgets filed by gas and electric utilities required to be
19 rate-regulated under this chapter.

20 (2)(a) Notwithstanding the goals developed pursuant
21 to paragraph "b", the board shall not require a gas utility
22 to adopt an energy efficiency plan that results in projected
23 cumulative average annual costs that exceed one and one-half
24 percent of the gas utility's expected annual rate revenue from
25 retail customers in the state.

26 (b) Notwithstanding the goals developed pursuant to
27 paragraph "b", the board shall not require an electric utility
28 to adopt an energy efficiency plan that results in projected
29 cumulative average annual costs that exceed two percent of the
30 electric utility's expected annual rate revenue from retail
31 customers in the state.

32 (c) Notwithstanding the goals developed pursuant to
33 paragraph "b", the board shall not require an electric utility
34 to adopt a demand response plan that results in projected
35 cumulative average annual costs that exceed two percent of the

PAGE 8

1 electric utility's expected annual rate revenue from retail
2 customers in the state.

3 (3)(a) Each gas or electric utility required to be
4 rate-regulated under this chapter shall file an energy
5 efficiency plan or a demand response plan, or both, with the
6 board no later than October 31, 2018, which plan shall meet
7 the requirements of this subsection. Prior to the approval of
8 any plan filed pursuant to this subsection, a gas or electric
9 utility required to be rate-regulated shall continue to follow
10 the requirements of any plan approved by the board prior to the
11 effective date of this Act.

12 (b) The board may approve, reject, or modify the plans and
13 budgets submitted pursuant to this subsection. Notwithstanding
14 the provisions of section 17A.19, subsection 5, in an
15 application for judicial review of the board's decision

16 concerning a utility's ~~energy efficiency~~ plan or budget, the
 17 reviewing court shall not order a stay.

18 (c) The board shall approve, reject, or modify a plan filed
 19 pursuant to this subsection no later than March 31, 2019. If
 20 the board fails to approve, reject, or modify a plan filed by a
 21 gas or electric utility on or before such date, any plan filed
 22 by the gas or electric utility that was approved by the board
 23 prior to the effective date of this Act shall be terminated.

24 The board shall not require a gas or electric utility to
 25 implement an energy efficiency plan or demand response plan
 26 that does not meet the requirements of this subsection.

27 (4) Whenever a request to modify an approved plan or budget
 28 is filed subsequently by ~~the office of consumer advocate or a~~
 29 gas or electric utility required to be rate-regulated under
 30 this chapter, the board shall promptly initiate a formal
 31 proceeding if the board determines that any reasonable ground
 32 exists for investigating the request. The formal proceeding
 33 may be initiated at any time by the board on its own motion.
 34 Implementation of board-approved plans or budgets shall
 35 be considered continuous in nature and shall be subject to

PAGE 9

1 investigation at any time by the board or the office of the
 2 consumer advocate.

3 f. Notice to customers of a contested case proceeding for
 4 review of energy efficiency plans, demand response plans, and
 5 budgets shall be in a manner prescribed by the board.

6 g.(1) A gas or electric utility required to be
 7 rate-regulated under this chapter may recover, through an
 8 automatic adjustment mechanism filed pursuant to subsection 8,
 9 over a period not to exceed the term of the plan, the costs of
 10 an energy efficiency plan ~~or demand response plan~~ approved by
 11 the board, ~~including amounts for a plan approved prior to July~~
 12 ~~1, 1996~~, in a contested case proceeding conducted pursuant to
 13 paragraph "e". ~~The board shall ensure that costs are recovered~~
 14 from all customers on a reasonably comparable basis, including
 15 customers who utilize alternate energy production facilities
 16 as defined in section 476.42.

17 (2) The board shall periodically conduct a contested case
 18 proceeding to evaluate the reasonableness and prudence of the
 19 utility's implementation of an approved energy efficiency
 20 or demand response plan and budget. If a utility is not
 21 taking all reasonable actions to cost-effectively implement
 22 an approved ~~energy efficiency~~ plan, the board shall not allow
 23 the utility to recover from customers costs in excess of those
 24 costs that would be incurred under reasonable and prudent
 25 implementation and shall not allow the utility to recover
 26 future costs at a level other than what the board determines
 27 to be reasonable and prudent. If the result of a contested
 28 case proceeding is a judgment against a utility, that utility's
 29 future level of cost recovery shall be reduced by the amount by

30 which the programs were found to be imprudently conducted.
 31 (3) ~~The Beginning January 1, 2019, a gas or electric utility~~
 32 ~~shall not represent energy efficiency or demand response in~~
 33 ~~customer billings as a separate cost or expense unless the~~
 34 ~~board otherwise approves.~~
 35 Sec. 12. Section 476.6, subsection 17, Code 2018, is amended

PAGE 10

1 by striking the subsection.
 2 Sec. 13. Section 476.6, Code 2018, is amended by adding the
 3 following new subsection:
 4 NEW SUBSECTION. 22. *Preapproval of cost recovery for natural*
 5 *gas extensions — rules.* The board may adopt rules which
 6 provide for a preapproval process for cost recovery for natural
 7 gas extensions.
 8 Sec. 14. Section 476.20, subsection 5, paragraph a,
 9 unnumbered paragraph 1, Code 2018, is amended to read as
 10 follows:
 11 The board shall establish rules which shall be uniform with
 12 respect to all public utilities furnishing gas or electricity
 13 relating to deposits which may be required by the public
 14 utility for the initiation or reinstatement of service. This
 15 subsection shall not apply to municipally owned utilities,
 16 which shall be governed by the provisions of section 384.84
 17 with respect to deposits and payment plans for delinquent
 18 amounts owed. Municipally owned utilities and electric
 19 utilities that are not required to be rate-regulated shall not
 20 be subject to the board's rules in regards to deposits and
 21 payment plans for delinquent amounts owed and repayment of past
 22 due debt. Municipally owned utilities and electric utilities
 23 that are not required to be rate-regulated shall be subject to
 24 the board's rules in regards to payment plans made prior to the
 25 disconnection of services.
 26 Sec. 15. Section 476.21, Code 2018, is amended to read as
 27 follows:
 28 **476.21 Discrimination prohibited.**
 29 A ~~municipality~~, corporation or cooperative association
 30 providing electrical or gas service shall not consider the
 31 use of renewable energy sources by a customer as a basis for
 32 establishing discriminatory rates or charges for any service
 33 or commodity sold to the customer or discontinue services or
 34 subject the customer to any other prejudice or disadvantage
 35 based on the customer's use or intended use of renewable energy

PAGE 11

1 sources. As used in this section, "*renewable energy sources*"
 2 includes but is not limited to solar heating, wind power and
 3 the conversion of urban and agricultural organic wastes into
 4 methane gas and liquid fuels.
 5 Sec. 16. Section 476.33, subsection 4, Code 2018, is amended

6 to read as follows:

7 4. The board shall adopt rules that require the board, in
8 rate regulatory proceedings under sections 476.3 and 476.6, to
9 utilize either a historic test year or a future test year at
10 the rate-regulated public utility's discretion.
11 a. For a rate regulatory proceeding utilizing a historic
12 test year, the rules shall require the board to consider the
13 use of the most current test period possible in determining
14 reasonable and just rates, subject only to the availability of
15 existing and verifiable data respecting costs and revenues, and
16 in addition, to consider verifiable data that exists within
17 nine months after the conclusion of the test year, respecting
18 known and measurable changes in costs not associated with a
19 different level of revenue, and known and measurable revenues
20 not associated with a different level of costs, that are to
21 occur at any time within twelve months after the date of
22 commencement of the proceedings. Parties proposing adjustments
23 that are not verifiable at the commencement of the proceedings
24 shall include projected data related to the adjustments in
25 their initial substantive filing with the board. For purposes
26 of this ~~subsection~~ paragraph, a proceeding commences under
27 section 476.6 upon the filing date of new or changed rates,
28 charges, schedules, or regulations. ~~This subsection does not~~
29 ~~limit the authority of the board to consider other evidence in~~
30 ~~proceedings under sections 476.3 and 476.6.~~
31 b. For a rate regulatory proceeding utilizing a future test
32 year, the rules shall require the board to consider the use
33 of any twelve-month period beginning no later than the date
34 on which a proposed rate change is expected to take effect
35 in determining just and reasonable rates. The rules shall

PAGE 12

1 also require the board to conduct a proceeding subsequent to
2 the effective date of a rate resulting from a rate regulatory
3 proceeding utilizing a future test year to determine whether
4 the actual costs are reasonably consistent with those predicted
5 by the utility. If the actual costs are not reasonably
6 consistent with those predicted by the utility, the board shall
7 adjust the rates accordingly. For a rate regulatory proceeding
8 utilizing a future test year, the board may adopt rules
9 regarding evidence required, information to support forecasts,
10 and any reporting obligations. The board may also adopt rules
11 regarding the conditions under which a public utility that
12 utilizes a future test year may subsequently utilize a historic
13 test year. A public utility shall not be precluded from filing
14 a rate regulatory proceeding utilizing a future test year prior
15 to the adoption of any rules pursuant to this paragraph.
16 c. This subsection does not limit the authority of the board
17 to consider other evidence in proceedings under sections 476.3
18 and 476.6.
19 Sec. 17. Section 476.53, subsection 3, paragraph a,

20 subparagraph (1), subparagraph division (a), Code 2018, is
 21 amended by adding the following new subparagraph subdivision:
 22 NEW SUBPARAGRAPH SUBDIVISION. (v) Repowering of an
 23 alternate energy production facility. For purposes of this
 24 subparagraph subdivision, “*repowering*” shall mean either the
 25 complete dismantling and replacement of generation equipment at

8 When the board, after a hearing held after reasonable notice,

 9 <Sec. ___. Section 476.10, subsections 1, 3, and 4, Code
 10 2018, are amended to read as follows:
 11 1.a. In order to carry out the duties imposed upon
 12 it by law, the board may, at its discretion, allocate and
 13 charge directly the expenses attributable to its duties
 14 to the person bringing a proceeding before the board or to
 15 persons participating in matters before the board. The board
 16 shall ascertain the certified expenses incurred and directly
 17 chargeable ~~by the consumer advocate division of the department~~
 18 ~~of justice~~ in the performance of its duties. The board ~~and the~~
 19 ~~consumer advocate separately~~ may decide not to charge expenses
 20 to persons who, without expanding the scope of the proceeding
 21 or matter, intervene in good faith in a board proceeding
 22 initiated by a person subject to the board's jurisdiction;
 23 ~~the consumer advocate~~, or the board on its own motion. For
 24 assessments in any proceedings or matters before the board, the
 25 board ~~and the consumer advocate separately~~ may consider the
 26 financial resources of the person, the impact of assessment on
 27 participation by intervenors, the nature of the proceeding or
 28 matter, and the contribution of a person's participation to the
 29 public interest. The board may present a bill for expenses
 30 under this subsection to the person, either at the conclusion
 31 of a proceeding or matter, or from time to time during its
 32 progress. Presentation of a bill for expenses under this

33 subsection constitutes notice of direct assessment and request
34 for payment in accordance with this section.
35 *b.* The board shall ascertain the total of the division's

PAGE 7

1 expenses incurred during each fiscal year in the performance
2 of its duties under law. ~~The board shall add to the total of~~
3 ~~the division's expenses the certified expenses of the consumer~~
4 ~~advocate as provided under section 475A.6.~~ The board shall
5 deduct all amounts charged directly to any person from the
6 total expenses of the board ~~and the consumer advocate.~~ The
7 board may assess the amount remaining after the deduction
8 to all persons providing service over which the board has
9 jurisdiction in proportion to the respective gross operating
10 revenues of such persons from intrastate operations during the
11 last calendar year over which the board has jurisdiction. For
12 purposes of determining gross operating revenues under this
13 section, the board shall not include gross receipts received
14 by a cooperative corporation or association for wholesale
15 transactions with members of the cooperative corporation
16 or association, provided that the members are subject to
17 assessment by the board based upon the members' gross operating
18 revenues, or provided that such a member is an association
19 whose members are subject to assessment by the board based upon
20 the members' gross operating revenues. If any portion of the
21 remainder can be identified with a specific type of utility
22 service, the board shall assess those expenses only to the
23 entities providing that type of service over which the board
24 has jurisdiction. The board may make the remainder assessments
25 under this paragraph on a quarterly basis, based upon estimates
26 of the expenditures for the fiscal year for the utilities
27 division ~~and the consumer advocate.~~ Not more than ninety days
28 following the close of the fiscal year, the utilities division
29 shall conform the amount of the prior fiscal year's assessments
30 to the requirements of this paragraph. For gas and electric
31 public utilities exempted from rate regulation pursuant to
32 this chapter, the remainder assessments under this paragraph
33 shall be computed at one-half the rate used in computing the
34 assessment for other persons.
35 3. Whenever the board shall deem it necessary in order

PAGE 8

1 to carry out the duties imposed upon it in connection with
2 rate regulation under section 476.6, investigations under
3 section 476.3, or review proceedings under section 476.31,
4 the board may employ additional temporary or permanent staff,
5 or may contract with persons who are not state employees for
6 engineering, accounting, or other professional services, or
7 both. The costs of these additional employees and contract
8 services shall be paid by the public utility whose rates

9 are being reviewed in the same manner as other expenses are
 10 paid under this section. Beginning on July 1, 1991, there
 11 is appropriated out of any funds in the state treasury not
 12 otherwise appropriated, such sums as may be necessary to enable
 13 the board to hire additional staff and contract for services
 14 under this section. The board shall increase quarterly
 15 assessments specified in subsection 1, paragraph "b", by
 16 amounts necessary to enable the board to hire additional staff
 17 and contract for services under this section. The authority to
 18 hire additional temporary or permanent staff that is granted to
 19 the board by this section shall not be subject to limitation
 20 by any administrative or executive order or decision that
 21 restricts the number of state employees or the filling of
 22 employee vacancies, and shall not be subject to limitation
 23 by any law of this state that restricts the number of state
 24 employees or the filling of employee vacancies unless that
 25 law is made applicable to this section by express reference
 26 to this section. Before the board expends or encumbers an
 27 amount in excess of the funds budgeted for rate regulation and
 28 before the board increases quarterly assessments pursuant to
 29 this subsection, the director of the department of management
 30 shall approve the expenditure or encumbrance. Before approval
 31 is given, the director of the department of management shall
 32 determine that the expenses exceed the funds budgeted by the
 33 general assembly to the board for rate regulation and that
 34 the board does not have other funds from which the expenses
 35 can be paid. Upon approval of the director of the department

PAGE 9

1 of management the board may expend and encumber funds for
 2 the excess expenses, and increase quarterly assessments to
 3 raise the additional funds. The board ~~and the office of~~
 4 ~~consumer advocate~~ may add additional personnel or contract
 5 for additional assistance to review and evaluate energy
 6 efficiency plans and the implementation of energy efficiency
 7 programs including, but not limited to, professionally trained
 8 engineers, accountants, attorneys, skilled examiners and
 9 inspectors, and secretaries and clerks. The board ~~and the~~
 10 ~~office of consumer advocate~~ may also contract for additional
 11 assistance in the evaluation and implementation of issues
 12 relating to telecommunication competition. The board ~~and the~~
 13 ~~office of the consumer advocate~~ may expend additional sums
 14 beyond those sums appropriated. However, the authority to add
 15 additional personnel or contract for additional assistance
 16 must first be approved by the department of management. The
 17 additional sums for energy efficiency shall be provided to the
 18 board ~~and the office of the consumer advocate~~ by the utilities
 19 subject to the energy efficiency requirements in this chapter.
 20 Telephone companies shall pay any additional sums needed for
 21 assistance with telecommunication competition issues. The
 22 assessments shall be in addition to and separate from the

23 quarterly assessment.

24 4.a. Fees paid to the utilities division shall be
 25 deposited in the department of commerce revolving fund created
 26 in section 546.12. These funds shall be used for the payment,
 27 upon appropriation by the general assembly, of the expenses of
 28 the utilities division ~~and the consumer advocate division of~~
 29 ~~the department of justice.~~

30 b. The administrator ~~and consumer advocate~~ shall account
 31 for receipts and disbursements according to the separate duties
 32 imposed upon the utilities ~~and consumer advocate divisions~~
 33 division by the laws of this state and each separate duty shall
 34 be fiscally self-sustaining.

35 c. All fees and other moneys collected under this section

PAGE 10

1 and sections 478.4, 479.16, and 479A.9 shall be deposited into
 2 the department of commerce revolving fund created in section
 3 546.12 and expenses required to be paid under this section
 4 shall be paid from funds appropriated for those purposes.

5 Sec. ____. Section 476.10B, subsections 1 and 2, Code 2018,
 6 are amended to read as follows:

7 1. For the purposes of this section, "*building project*
 8 *expenses*" means expenses that have been approved by the
 9 utilities board for the building and related improvements
 10 and furnishings developed under this section and that are
 11 considered part of the regulatory expenses charged by the
 12 utilities board ~~and the consumer advocate division of the~~
 13 ~~department of justice~~ for carrying out duties under section
 14 476.10.

15 2. The department of administrative services, in
 16 consultation with the board ~~and the consumer advocate~~
 17 ~~division of the department of justice~~, shall provide for the
 18 construction of a building to house the board ~~and the division~~.
 19 A building developed under this subsection shall be a model
 20 energy-efficient building that may be used as a public example
 21 for similar efforts. The building shall comply with the life
 22 cycle cost provisions developed pursuant to section 72.5. The
 23 building shall be located on the capitol complex grounds or
 24 at another convenient location in the vicinity of the capitol
 25 complex grounds.>

27 <Sec. ____. Section 476.42, Code 2018, is amended by adding
 28 the following new subsections:

29 NEW SUBSECTION. 1A. "*Avoided cost*" means the cost an
 30 electric utility would otherwise have incurred had the electric
 31 utility generated the electricity the utility purchased
 32 pursuant to a net metering agreement or purchased or obtained
 33 the electricity from another source.

34 NEW SUBSECTION. 2A. "*Net metering*" means the
 35 interconnection of an alternate energy production facility

PAGE 11

1 or small hydro facility with an electric utility whereby
 2 electricity produced by the facility and consumed on site
 3 offsets electricity that would otherwise be purchased from
 4 the electric utility, and excess electricity produced by the
 5 facility is transferred to the utility's electrical grid.

6 Sec. ____ Section 476.43, subsection 2, Code 2018, is
 7 amended to read as follows:

8 2. Upon application by the owner or operator of an alternate
 9 energy production facility or small hydro facility or any
 10 interested party, and subject to subsection 5A, the board shall
 11 establish for the affected public utility just and economically
 12 reasonable rates for electricity purchased under subsection
 13 1, paragraph "a". The rates shall be established at levels
 14 sufficient to stimulate the development of alternate energy
 15 production and small hydro facilities in Iowa and to encourage
 16 the continuation of existing capacity from those facilities.

17 Sec. ____ Section 476.43, Code 2018, is amended by adding
 18 the following new subsection:

19 NEW SUBSECTION. 5A. A rate-regulated electric utility
 20 that purchases electricity from an alternate energy production
 21 facility or small hydro facility pursuant to a net metering
 22 agreement entered into on or after July 1, 2018, shall do so in
 23 accordance with the following conditions:

24 a. Net metering shall be available to any alternate energy
 25 production facility or small hydro facility with up to one
 26 megawatt of nameplate generating capacity, to offset up to one
 27 hundred percent of a net-metered customer's load.

28 b. Net metering shall be available to all customer classes,
 29 provided, however, that each customer's generation shall only
 30 offset energy charges, and shall not offset customer charges
 31 or demand charges.

32 c. The utility shall provide for an annual cash-out of net
 33 excess generation, or excess credits, at a rate that is based
 34 upon, and does not exceed, the utility's avoided cost. The

10 1. A public utility shall furnish reasonably adequate

29 proceeding. ~~If the consumer advocate determines the public~~
30 ~~utility's response to the complaint is inadequate, the consumer~~
31 ~~advocate may file a petition with the board which shall~~
32 ~~promptly initiate a formal proceeding if the board determines~~
33 ~~that there is any reasonable ground for investigating the~~
34 ~~complaint.~~ The complainant or the public utility also may
35 petition the board to initiate a formal proceeding which

PAGE 5

1 petition shall be granted if the board determines that there
2 is any reasonable ground for investigating the complaint. The
3 formal proceeding may be initiated at any time by the board on
4 its own motion. If a proceeding is initiated upon petition
5 filed by the ~~consumer advocate~~, complainant, or the public
6 utility, or upon the board's own motion, the board shall set
7 the case for hearing and give notice as it deems appropriate.
8 When the board, after a hearing held after reasonable notice,
9 finds a public utility's rates, charges, schedules, service,
10 or regulations are unjust, unreasonable, discriminatory, or
11 otherwise in violation of any provision of law, the board
12 shall determine just, reasonable, and nondiscriminatory rates,
13 charges, schedules, service, or regulations to be observed and

15 2. If, as a result of a review procedure conducted under

 9 <Sec. ___. Section 476.10, subsections 1, 3, and 4, Code
 10 2018, are amended to read as follows:
 11 1.a. In order to carry out the duties imposed upon
 12 it by law, the board may, at its discretion, allocate and
 13 charge directly the expenses attributable to its duties
 14 to the person bringing a proceeding before the board or to
 15 persons participating in matters before the board. The board
 16 shall ascertain the certified expenses incurred and directly
 17 chargeable ~~by the consumer advocate division of the department~~
 18 ~~of justice~~ in the performance of its duties. The board ~~and the~~
 19 ~~consumer advocate separately~~ may decide not to charge expenses
 20 to persons who, without expanding the scope of the proceeding
 21 or matter, intervene in good faith in a board proceeding
 22 initiated by a person subject to the board's jurisdiction;
 23 ~~the consumer advocate~~, or the board on its own motion. For
 24 assessments in any proceedings or matters before the board, the
 25 board ~~and the consumer advocate separately~~ may consider the
 26 financial resources of the person, the impact of assessment on
 27 participation by intervenors, the nature of the proceeding or
 28 matter, and the contribution of a person's participation to the
 29 public interest. The board may present a bill for expenses
 30 under this subsection to the person, either at the conclusion
 31 of a proceeding or matter, or from time to time during its
 32 progress. Presentation of a bill for expenses under this

33 subsection constitutes notice of direct assessment and request
 34 for payment in accordance with this section.
 35 *b.* The board shall ascertain the total of the division's

PAGE 7

1 expenses incurred during each fiscal year in the performance
 2 of its duties under law. ~~The board shall add to the total of~~
 3 ~~the division's expenses the certified expenses of the consumer~~
 4 ~~advocate as provided under section 475A.6.~~ The board shall
 5 deduct all amounts charged directly to any person from the
 6 total expenses of the board ~~and the consumer advocate.~~ The
 7 board may assess the amount remaining after the deduction
 8 to all persons providing service over which the board has
 9 jurisdiction in proportion to the respective gross operating
 10 revenues of such persons from intrastate operations during the
 11 last calendar year over which the board has jurisdiction. For
 12 purposes of determining gross operating revenues under this
 13 section, the board shall not include gross receipts received
 14 by a cooperative corporation or association for wholesale
 15 transactions with members of the cooperative corporation
 16 or association, provided that the members are subject to
 17 assessment by the board based upon the members' gross operating
 18 revenues, or provided that such a member is an association
 19 whose members are subject to assessment by the board based upon
 20 the members' gross operating revenues. If any portion of the
 21 remainder can be identified with a specific type of utility
 22 service, the board shall assess those expenses only to the
 23 entities providing that type of service over which the board
 24 has jurisdiction. The board may make the remainder assessments
 25 under this paragraph on a quarterly basis, based upon estimates
 26 of the expenditures for the fiscal year for the utilities
 27 division ~~and the consumer advocate.~~ Not more than ninety days
 28 following the close of the fiscal year, the utilities division
 29 shall conform the amount of the prior fiscal year's assessments
 30 to the requirements of this paragraph. For gas and electric
 31 public utilities exempted from rate regulation pursuant to
 32 this chapter, the remainder assessments under this paragraph
 33 shall be computed at one-half the rate used in computing the
 34 assessment for other persons.
 35 3. Whenever the board shall deem it necessary in order

PAGE 8

1 to carry out the duties imposed upon it in connection with
 2 rate regulation under section 476.6, investigations under
 3 section 476.3, or review proceedings under section 476.31,
 4 the board may employ additional temporary or permanent staff,
 5 or may contract with persons who are not state employees for
 6 engineering, accounting, or other professional services, or
 7 both. The costs of these additional employees and contract
 8 services shall be paid by the public utility whose rates

9 are being reviewed in the same manner as other expenses are
10 paid under this section. Beginning on July 1, 1991, there
11 is appropriated out of any funds in the state treasury not
12 otherwise appropriated, such sums as may be necessary to enable
13 the board to hire additional staff and contract for services
14 under this section. The board shall increase quarterly
15 assessments specified in subsection 1, paragraph "b", by
16 amounts necessary to enable the board to hire additional staff
17 and contract for services under this section. The authority to
18 hire additional temporary or permanent staff that is granted to
19 the board by this section shall not be subject to limitation
20 by any administrative or executive order or decision that
21 restricts the number of state employees or the filling of
22 employee vacancies, and shall not be subject to limitation
23 by any law of this state that restricts the number of state
24 employees or the filling of employee vacancies unless that
25 law is made applicable to this section by express reference
26 to this section. Before the board expends or encumbers an
27 amount in excess of the funds budgeted for rate regulation and
28 before the board increases quarterly assessments pursuant to
29 this subsection, the director of the department of management
30 shall approve the expenditure or encumbrance. Before approval
31 is given, the director of the department of management shall
32 determine that the expenses exceed the funds budgeted by the
33 general assembly to the board for rate regulation and that
34 the board does not have other funds from which the expenses
35 can be paid. Upon approval of the director of the department

PAGE 9

1 of management the board may expend and encumber funds for
2 the excess expenses, and increase quarterly assessments to
3 raise the additional funds. The board ~~and the office of~~
4 ~~consumer advocate~~ may add additional personnel or contract
5 for additional assistance to review and evaluate energy
6 efficiency plans and the implementation of energy efficiency
7 programs including, but not limited to, professionally trained
8 engineers, accountants, attorneys, skilled examiners and
9 inspectors, and secretaries and clerks. The board ~~and the~~
10 ~~office of consumer advocate~~ may also contract for additional
11 assistance in the evaluation and implementation of issues
12 relating to telecommunication competition. The board ~~and the~~
13 ~~office of the consumer advocate~~ may expend additional sums
14 beyond those sums appropriated. However, the authority to add
15 additional personnel or contract for additional assistance
16 must first be approved by the department of management. The
17 additional sums for energy efficiency shall be provided to the
18 board ~~and the office of the consumer advocate~~ by the utilities
19 subject to the energy efficiency requirements in this chapter.
20 Telephone companies shall pay any additional sums needed for
21 assistance with telecommunication competition issues. The
22 assessments shall be in addition to and separate from the

23 quarterly assessment.

24 4.a. Fees paid to the utilities division shall be
 25 deposited in the department of commerce revolving fund created
 26 in section 546.12. These funds shall be used for the payment,
 27 upon appropriation by the general assembly, of the expenses of
 28 the utilities division ~~and the consumer advocate division of~~
 29 ~~the department of justice.~~

30 b. The administrator ~~and consumer advocate~~ shall account
 31 for receipts and disbursements according to the separate duties
 32 imposed upon the utilities ~~and consumer advocate divisions~~
 33 division by the laws of this state and each separate duty shall
 34 be fiscally self-sustaining.

35 c. All fees and other moneys collected under this section

PAGE 10

1 and sections 478.4, 479.16, and 479A.9 shall be deposited into
 2 the department of commerce revolving fund created in section
 3 546.12 and expenses required to be paid under this section
 4 shall be paid from funds appropriated for those purposes.

5 Sec. ____ Section 476.10B, subsections 1 and 2, Code 2018,
 6 are amended to read as follows:

7 1. For the purposes of this section, "*building project*
 8 *expenses*" means expenses that have been approved by the
 9 utilities board for the building and related improvements
 10 and furnishings developed under this section and that are
 11 considered part of the regulatory expenses charged by the
 12 utilities board ~~and the consumer advocate division of the~~
 13 ~~department of justice~~ for carrying out duties under section
 14 476.10.

15 2. The department of administrative services, in
 16 consultation with the board ~~and the consumer advocate~~
 17 ~~division of the department of justice~~, shall provide for the
 18 construction of a building to house the board ~~and the division~~.
 19 A building developed under this subsection shall be a model
 20 energy-efficient building that may be used as a public example
 21 for similar efforts. The building shall comply with the life
 22 cycle cost provisions developed pursuant to section 72.5. The
 23 building shall be located on the capitol complex grounds or
 24 at another convenient location in the vicinity of the capitol
 25 complex grounds.>

 31 services with persons who are not state employees, as the board
 32 ~~and the consumer advocate deem~~ deems necessary to perform

6 services under this section. The costs of the additional staff
7 and services shall be assessed to the utilities pursuant to the
8 procedure in section 476.10 ~~and section 475A.6.~~

9 Sec. ____ Section 476.103, subsection 3, paragraph g, Code
10 2018, is amended to read as follows:

11 g. Procedures for a customer; or service provider; ~~or~~
12 ~~the consumer advocate~~ to submit to the board complaints of

14 Sec. ____ Section 477C.5, subsection 2, Code 2018, is

23 e. d. One member of the board or a designee of the board.

24 Sec. ____ Section 546.12, subsections 1 and 2, Code 2018,
25 are amended to read as follows:

26 1. A department of commerce revolving fund is created in
27 the state treasury. The fund shall consist of moneys collected
28 by the banking division; credit union division; utilities
29 division; ~~including moneys collected on behalf of the office~~
30 ~~of consumer advocate established in section 475A.3;~~ and the
31 insurance division of the department; and deposited into an
32 account for that division ~~or office~~ within the fund on a
33 monthly basis. Except as otherwise provided by statute, all
34 costs for operating ~~the office of consumer advocate and the~~
35 banking division, the credit union division, the utilities

PAGE 12

1 division, and the insurance division of the department shall be
2 paid from the division's accounts within the fund, subject to
3 appropriation by the general assembly. The insurance division
4 shall administer the fund and all other divisions shall work
5 with the insurance division to make sure the fund is properly
6 accounted and reported to the department of management and the
7 department of administrative services. The divisions shall
8 provide quarterly reports to the department of management
9 and the legislative services agency on revenues billed and
10 collected and expenditures from the fund in a format as
11 determined by the department of management in consultation with
12 the legislative services agency.

13 2. To meet cash flow needs for the ~~office of consumer~~
 14 ~~advocate and the banking division, credit union division,~~
 15 ~~utilities division, or the insurance division of the~~

 23 Notwithstanding any provision to the contrary, the divisions
 24 shall, to the fullest extent possible, make an estimate
 25 of billings and make such billings as early as possible in
 26 each fiscal year, so that the need for the use of general
 27 fund moneys is minimized to the lowest extent possible.
 28 Periodic billings shall be deemed sufficient to satisfy this
 29 requirement. Because any general fund moneys used shall be
 30 fully reimbursed, such temporary use of funds from the general
 31 fund of the state shall not constitute an appropriation for
 32 purposes of calculating the state general fund expenditure

 9 **intent.**
 10 1. The general assembly finds all of the following:
 11 a. Abortion carries significant physical and psychological
 12 risks to the pregnant woman, and these physical and
 13 psychological risks increase exponentially with the
 14 postfertilization age of the unborn child.
 15 b. As the second trimester of a pregnancy progresses, in the
 16 vast majority of uncomplicated pregnancies, the health risks to
 17 the pregnant woman of undergoing an abortion are greater than
 18 the risks of carrying a pregnancy to term.
 19 c. Medical complications from dilation and evacuation
 20 abortions include but are not limited to pelvic infection;
 21 incomplete abortions and retained tissue; blood clots; heavy
 22 bleeding or hemorrhage; laceration, tear, or other injury to
 23 the cervix; puncture, laceration, tear, or other injury to the
 24 uterus; injury to the bowel or bladder; depression; anxiety;
 25 substance abuse; and other emotional or psychological problems.
 26 Further, in abortions performed in the second trimester, there
 27 is a higher risk of requiring a hysterectomy, other reparative
 28 surgery, or blood transfusion.
 29 d. The state of Iowa has legitimate interests from the
 30 outset of pregnancy in protecting the health of women, as the
 31 medical, emotional, and psychological consequences of abortion
 32 are serious and can be lasting.
 33 2. Based upon the findings specified in subsection 1, it is
 34 the intent of the general assembly through application of this
 35 chapter to restrict the practice of nontherapeutic or elective

PAGE 2

- 1 abortion to the period prior to the unborn child achieving the
 2 postfertilization age of fifteen weeks.
 3 Sec. 2.NEW SECTION. **146C.2 Definitions.**

- 4 As used in this chapter, unless the context otherwise
5 requires:
- 6 1. "*Abortion*" means the termination of a human pregnancy
7 with the intent other than to produce a live birth or to remove
8 a dead fetus.
- 9 2. "*Attempt to perform an abortion*" means an act, or
10 an omission of a statutorily required act, that, under the
11 circumstances as the actor believes them to be, constitutes a
12 substantial step in a course of conduct planned to culminate in
13 the performing of an abortion.
- 14 3. "*Department*" means the department of public health.
- 15 4. "*Fertilization*" means the fusion of a human spermatozoon
16 with a human ovum.
- 17 5. "*Major bodily function*" includes but is not limited
18 to functions of the immune system, normal cell growth, and
19 digestive, bowel, bladder, neurological, brain, respiratory,
20 circulatory, endocrine, and reproductive functions.
- 21 6. "*Medical emergency*" means a situation in which an
22 abortion is performed to preserve the life of the pregnant
23 woman whose life is endangered by a physical disorder, physical
24 illness, or physical injury, including a life-endangering
25 physical condition caused by or arising from the pregnancy, or
26 when continuation of the pregnancy will create a serious risk
27 of substantial and irreversible impairment of a major bodily
28 function of the pregnant woman.
- 29 7. "*Medical facility*" means any public or private hospital,
30 clinic, center, medical school, medical training institution,
31 health care facility, physician's office, infirmary,
32 dispensary, ambulatory surgical center, or other institution or
33 location where medical care is provided to any person.
- 34 8. "*Perform*", "*performed*", or "*performing*", relative to an
35 abortion, means the use of any means, including medical or

PAGE 3

- 1 surgical, to terminate the pregnancy of a woman known to be
2 pregnant with the intent other than to produce a live birth or
3 to remove a dead fetus.
- 4 9. "*Physician*" means a person licensed under chapter 148.
- 5 10. "*Postfertilization age*" means the age of the unborn
6 child as calculated from fertilization.
- 7 11. "*Probable postfertilization age*" means what, in
8 reasonable medical judgment, will with reasonable probability
9 be the postfertilization age of the unborn child at the time
10 the abortion is to be performed.
- 11 12. "*Reasonable medical judgment*" means a medical judgment
12 made by a reasonably prudent physician who is knowledgeable
13 about the case and the treatment possibilities with respect to
14 the medical conditions involved.
- 15 13. "*Severe fetal abnormality*" means a life-threatening
16 physical condition that, in the physician's reasonable medical
17 judgment, regardless of the provision of life-saving medical

18 treatment, is incompatible with life outside the womb.

19 14. "*Unborn child*" means an individual organism of the
20 species homo sapiens from fertilization to live birth.

21 Sec. 3. **NEW SECTION. 146C.3 Determination of**
22 **postfertilization age — certain abortions prohibited —**
23 **exceptions — reporting requirements — penalties.**

24 1. Except in the case of a medical emergency or a
25 severe fetal abnormality, in addition to compliance with
26 the prerequisites of chapter 146A, an abortion shall not be
27 performed or be attempted to be performed unless the physician
28 performing the abortion has first made a determination of the
29 probable postfertilization age of the unborn child or relied
30 upon such a determination made by another physician. In making
31 such a determination, a physician shall make such inquiries
32 of the pregnant woman and perform or cause to be performed
33 such medical examinations and tests the physician considers
34 necessary in making a reasonable medical judgment to accurately
35 determine the postfertilization age of the unborn child.

PAGE 4

1 2.a. A physician shall not perform or attempt to perform
2 an abortion upon a pregnant woman when it has been determined,
3 by the physician performing the abortion or by another
4 physician upon whose determination that physician relies, that
5 the probable postfertilization age of the unborn child is
6 fifteen or more weeks unless, in the physician's reasonable
7 medical judgment, any of the following applies:

8 (1) The pregnant woman has a condition which the physician
9 deems a medical emergency.

10 (2) The abortion is necessary to preserve the life of an
11 unborn child.

12 (3) The unborn child is afflicted with a severe fetal
13 abnormality.

14 b. If an abortion is performed under this subsection, the
15 physician shall terminate the pregnancy in the manner which,
16 in the physician's reasonable medical judgment, provides the
17 best opportunity for an unborn child to survive, unless, in the
18 physician's reasonable medical judgment, termination of the
19 pregnancy in that manner would pose a greater risk than any
20 other available method of the death of the pregnant woman or
21 of the substantial and irreversible physical impairment of a
22 major bodily function. A greater risk shall not be deemed to
23 exist if it is based on a claim or diagnosis that the pregnant
24 woman will engage in conduct which would result in the pregnant
25 woman's death or in substantial and irreversible physical
26 impairment of a major bodily function.

27 3. A physician who performs or attempts to perform an
28 abortion shall report to the department, on a schedule and in
29 accordance with forms and rules adopted by the department, all
30 of the following:

31 a. If a determination of probable postfertilization age of

32 the unborn child was made, the probable postfertilization age
33 determined and the method and basis of the determination.
34 *b.* If a determination of probable postfertilization age of
35 the unborn child was not made, the basis of the determination

PAGE 5

1 that a medical emergency existed or that the unborn child was
2 afflicted with a severe fetal abnormality.
3 *c.* If the probable postfertilization age of the unborn
4 child was determined to be fifteen or more weeks, the basis
5 of the determination of a medical emergency, the basis of the
6 determination that the unborn child was afflicted with a severe
7 fetal abnormality, or the basis of the determination that the
8 abortion was necessary to preserve the life of an unborn child.
9 *d.* The method used for the abortion and, in the case of
10 an abortion performed when the probable postfertilization age
11 was determined to be fifteen or more weeks, whether the method
12 of abortion used was one that, in the physician's reasonable
13 medical judgment, provided the best opportunity for an unborn
14 child to survive or, if such a method was not used, the basis
15 of the determination that termination of the pregnancy in
16 that manner would pose a greater risk than would any other
17 available method of the death of the pregnant woman or of the
18 substantial and irreversible physical impairment of a major
19 bodily function.
20 *4.a.* By April 1, annually, the department shall issue a
21 public report providing statistics for the previous calendar
22 year, compiled from the reports for that year submitted in
23 accordance with subsection 3. The department shall ensure that
24 none of the information included in the public reports could
25 reasonably lead to the identification of any woman upon whom an
26 abortion was performed.
27 *b.(1)* A physician who fails to submit a report by the end
28 of thirty days following the due date shall be subject to a
29 late fee of one hundred dollars for each additional thirty-day
30 period or portion of a thirty-day period the report is overdue.
31 *(2)* A physician required to report in accordance with
32 subsection 3 who has not submitted a report or who has
33 submitted only an incomplete report more than one year
34 following the due date, may, in an action brought in the
35 manner in which actions are brought to enforce chapter 148,

PAGE 6

1 be directed by a court of competent jurisdiction to submit a
2 complete report within a time period stated by court order or
3 be subject to contempt of court.
4 *(3)* A physician who intentionally or recklessly falsifies
5 a report required under this section is subject to a civil
6 penalty of five hundred dollars.
7 *5.* Any medical facility in which a physician is authorized

8 to perform an abortion shall implement written medical
9 policies and procedures consistent with the requirements and
10 prohibitions of this chapter.

11 6. The department shall adopt rules to implement this
12 section.

13 Sec. 4.NEW SECTION. **146C.4 Civil actions and penalties.**

14 1. Failure of a physician to comply with any provision of
15 section 146C.3, with the exception of the late filing of a
16 report or failure to submit a complete report in compliance
17 with a court order, is grounds for licensee discipline under
18 chapter 148.

19 2. A woman upon whom an abortion has been performed in
20 violation of this chapter may maintain an action against the
21 physician who performed the abortion in intentional or reckless
22 violation of this chapter for actual damages.

23 3. A woman upon whom an abortion has been attempted in
24 violation of this chapter may maintain an action against the
25 physician who attempted the abortion in intentional or reckless
26 violation of this chapter for actual damages.

27 4. A cause of action for injunctive relief to prevent a
28 physician from performing abortions may be maintained against a
29 physician who has intentionally violated this chapter by the
30 woman upon whom the abortion was performed or attempted, by
31 a parent or guardian of the woman if the woman is less than
32 eighteen years of age at the time the abortion was performed
33 or attempted, by a current or former licensed health care
34 provider of the woman, by a county attorney with appropriate
35 jurisdiction, or by the attorney general.

PAGE 7

1 5. If the plaintiff prevails in an action brought under
2 this section, the plaintiff shall be entitled to an award for
3 reasonable attorney fees.

4 6. If the defendant prevails in an action brought under
5 this section and the court finds that the plaintiff's suit was
6 frivolous and brought in bad faith, the defendant shall be
7 entitled to an award for reasonable attorney fees.

8 7. Damages and attorney fees shall not be assessed against
9 the woman upon whom an abortion was performed or attempted
10 except as provided in subsection 6.

11 8. In a civil proceeding or action brought under this
12 chapter, the court shall rule whether the anonymity of any
13 woman upon whom an abortion has been performed or attempted
14 shall be preserved from public disclosure if the woman does not
15 provide consent to such disclosure. The court, upon motion
16 or on its own motion, shall make such a ruling and, upon
17 determining that the woman's anonymity should be preserved,
18 shall issue orders to the parties, witnesses, and counsel
19 and shall direct the sealing of the record and exclusion of
20 individuals from courtrooms or hearing rooms to the extent
21 necessary to safeguard the woman's identity from public

22 disclosure. Each such order shall be accompanied by specific
 23 written findings explaining why the anonymity of the woman
 24 should be preserved from public disclosure, why the order is
 25 essential to that end, how the order is narrowly tailored to
 26 serve that interest, and why no reasonable less restrictive
 27 alternative exists. In the absence of written consent of the
 28 woman upon whom an abortion has been performed or attempted,
 29 anyone, other than a public official, who brings an action
 30 under this section shall do so under a pseudonym. This
 31 subsection shall not be construed to conceal the identity
 32 of the plaintiff or of witnesses from the defendant or from
 33 attorneys for the defendant.
 34 9. This chapter shall not be construed to impose civil
 35 or criminal liability on a woman upon whom an abortion is

 24 <Sec. ___. Section 476.6, subsection 15, paragraph a, Code
 25 2018, is amended to read as follows:
 26 a. (1) (a) Gas and electric Electric utilities required
 27 to be rate-regulated under this chapter shall file five-year
 28 energy efficiency plans and demand response plans with the
 29 board. Gas utilities required to be rate-regulated under
 30 this chapter shall file five-year energy efficiency plans
 31 with the board. An energy efficiency plan and budget or a
 32 demand response plan and budget shall include a range of energy
 33 efficiency or demand response programs, tailored to the needs
 34 of all customer classes, including residential, commercial,
 35 and industrial customers, for energy efficiency opportunities.

PAGE 2

- 1 The plans shall include programs for qualified low-income
 2 persons including a cooperative program with any community
 3 action agency within the utility's service area to implement
 4 countywide or communitywide energy efficiency programs for
 5 qualified low-income persons. Rate-regulated gas and electric
 6 utilities shall utilize Iowa agencies and Iowa contractors to
 7 the maximum extent cost-effective in their energy efficiency
 8 plans or demand response plans filed with the board.
 9 (b) The board shall allow a customer of an electric utility
 10 that is required to be rate-regulated to request an exemption
 11 from participation in any five-year energy efficiency plan
 12 offered by an electric utility if the energy efficiency plan
 13 and demand response plan, at the time of approval by the board,
 14 have a cumulative rate-payer impact test result of less than
 15 one. Upon receipt of a request for exemption submitted by
 16 a customer, the electric utility shall grant the exemption

17 and, beginning January 1 of the following year, the customer
 18 shall no longer be assessed the costs of the plan and shall be
 19 prohibited from participating in any program included in such
 20 plan until the exemption no longer applies, as determined by
 21 the board.

22 (2) Gas and electric utilities required to be
 23 rate-regulated under this chapter may request an energy
 24 efficiency plan or demand response plan modification during the
 25 course of a five-year plan. A modification may be requested
 26 due to changes in funding as a result of public utility
 27 customers requesting exemptions from the plan or for any other
 28 reason identified by the gas or electric utility. The board
 29 shall take action on a modification request made by a gas or
 30 electric utility within ninety days after the modification
 31 request is filed. If the board fails to take action within
 32 ninety days after a modification request is filed, the
 33 modification request shall be deemed approved.

34 (3) The board shall adopt rules pursuant to chapter 17A
 35 establishing reasonable processes and procedures for utility

 2 from energy efficiency plans that meet the requirements of
 3 subparagraph (1), subparagraph division (b). The rules adopted

 7 inserting:

8 <Sec. _____. Section 476.6, subsection 15, paragraphs e, f,
 9 and g, Code 2018, are amended to read as follows:

10 e.(1) The board shall conduct contested case proceedings
 11 for review of energy efficiency plans, demand response plans,
 12 and budgets filed by gas and electric utilities required to be
 13 rate-regulated under this chapter.

14 (2) Notwithstanding the goals developed pursuant to
 15 paragraph "b", the board shall not require a gas utility to
 16 adopt an energy efficiency plan that results in projected
 17 cumulative average annual costs that exceed one and one-half
 18 percent of the gas utility's expected annual Iowa retail rate
 19 revenue from retail customers in the state, shall not require
 20 an electric utility to adopt an energy efficiency plan that
 21 results in projected cumulative average annual costs that
 22 exceed two percent of the electric utility's expected annual
 23 Iowa retail rate revenue from retail customers in the state,
 24 and shall not require an electric utility to adopt a demand
 25 response plan that results in projected cumulative average
 26 annual costs that exceed two percent of the electric utility's
 27 expected annual Iowa retail rate revenue from retail customers
 28 in the state. For purposes of determining the two percent
 29 threshold amount, the board shall exclude from an electric
 30 utility's expected annual Iowa retail rate revenue the revenues

31 expected from customers that have received exemptions from
 32 energy efficiency plans pursuant to paragraph “a”. This
 33 subparagraph shall apply to energy efficiency plans and demand
 34 response plans that are effective on or after January 1, 2019.
 35 (3) The board may approve, reject, or modify the plans and

PAGE 4

1 budgets. Notwithstanding the provisions of section 17A.19,
 2 subsection 5, in an application for judicial review of the
 3 board’s decision concerning a utility’s ~~energy efficiency~~ plan
 4 or budget, the reviewing court shall not order a stay.
 5 (4) The board shall approve, reject, or modify a plan filed
 6 pursuant to this subsection no later than March 31, 2019. If
 7 the board fails to approve, reject, or modify a plan filed by a
 8 gas or electric utility on or before such date, any plan filed
 9 by the gas or electric utility that was approved by the board
 10 prior to the effective date of this Act shall be terminated.
 11 The board shall not require a gas or electric utility to
 12 implement an energy efficiency plan or demand response plan
 13 that does not meet the requirements of this subsection.
 14 (5) Whenever a request to modify an approved plan or budget
 15 is filed subsequently by ~~the office of consumer advocate~~ or a
 16 gas or electric utility required to be rate-regulated under
 17 this chapter, the board shall promptly initiate a formal
 18 proceeding if the board determines that any reasonable ground
 19 exists for investigating the request. The formal proceeding
 20 may be initiated at any time by the board on its own motion.
 21 Implementation of board-approved plans or budgets shall
 22 be considered continuous in nature and shall be subject to
 23 investigation at any time by the board or the office of the
 24 consumer advocate.
 25 *f.* Notice to customers of a contested case proceeding for
 26 review of energy efficiency plans, demand response plans, and
 27 budgets shall be in a manner prescribed by the board.
 28 *g.*(1) A gas or electric utility required to be
 29 rate-regulated under this chapter may recover, through an
 30 automatic adjustment mechanism filed pursuant to subsection 8,
 31 over a period not to exceed the term of the plan, the costs of
 32 an energy efficiency plan or demand response plan approved by
 33 the board, ~~including amounts for a plan approved prior to July~~
 34 ~~1, 1996~~, in a contested case proceeding conducted pursuant to
 35 paragraph “e”. Customers that have been granted exemptions from

PAGE 5

1 energy efficiency plans pursuant to paragraph “a”, shall not
 2 be charged for recovery of energy efficiency costs beginning
 3 January 1 of the year following the year in which the customer
 4 was granted the exemption.
 5 (2) The board shall periodically conduct a contested case
 6 proceeding to evaluate the reasonableness and prudence of the

7 utility's implementation of an approved energy efficiency
 8 or demand response plan and budget. If a utility is not
 9 taking all reasonable actions to cost-effectively implement
 10 an approved energy efficiency plan, the board shall not allow
 11 the utility to recover from customers costs in excess of those
 12 costs that would be incurred under reasonable and prudent
 13 implementation and shall not allow the utility to recover
 14 future costs at a level other than what the board determines
 15 to be reasonable and prudent. If the result of a contested
 16 case proceeding is a judgment against a utility, that utility's
 17 future level of cost recovery shall be reduced by the amount
 18 by which the programs were found to be imprudently conducted.
 19 ~~The Beginning January 1, 2019, a gas or electric utility~~
 20 ~~shall not represent energy efficiency and demand response in~~
 21 ~~customer billings as a separate cost or expense unless the~~
 22 ~~board otherwise approves.>~~

 10 on its own motion. Implementation of board-approved plans or
 11 budgets shall be considered continuous in nature and shall be
 12 subject to investigation at any time by the board or the office
 13 of the consumer advocate.

14 *f.* Notice to customers of a contested case proceeding for
 15 review of energy efficiency plans, demand response plans, and
 16 budgets shall be in a manner prescribed by the board.

17 *g.* (1) A gas or electric utility required to be
 18 rate-regulated under this chapter may recover, through an
 19 automatic adjustment mechanism filed pursuant to subsection 8,
 20 over a period not to exceed the term of the plan, the costs of

24 (2) The board shall not require any of the following:

25 (a) A gas utility to adopt an energy efficiency plan for
 26 gas efficiency that results in projected average annual costs
 27 that exceed six percent of the utility's expected total Iowa
 28 intrastate gross operating revenue from all sources.

29 (b) An electric utility to adopt an energy efficiency plan
 30 for electric efficiency that results in projected average
 31 annual costs that exceed four percent of the utility's expected
 32 total Iowa intrastate gross operating revenue from all sources.

33 (c) A combined gas and electric utility to adopt an energy
 34 efficiency plan for electric efficiency that results in
 35 projected average annual costs that exceed four percent of the

PAGE 4

1 utility's expected total gas and electric Iowa intrastate gross
 2 operating revenue from all sources.

3 (d) A combined gas and electric utility to adopt an energy
 4 efficiency plan for gas efficiency that results in projected
 5 average annual costs that exceed two percent of the utility's
 6 expected total gas and electric Iowa intrastate gross operating
 7 revenue from all sources.

8 (e) A utility to adopt a demand response plan that results
 9 in projected average annual costs that exceed two percent of
 10 the utility's expected total Iowa intrastate gross operating
 11 revenue from all sources.

12 (3) The board shall periodically conduct a contested case
 13 proceeding to evaluate the reasonableness and prudence of the
 14 utility's implementation of an approved energy efficiency plan
 15 and budget. If a utility is not taking all reasonable actions
 16 to cost-effectively implement an approved energy efficiency

17 plan, the board shall not allow the utility to recover from
 18 customers costs in excess of those costs that would be incurred
 19 under reasonable and prudent implementation and shall not allow
 20 the utility to recover future costs at a level other than what
 21 the board determines to be reasonable and prudent. If the
 22 result of a contested case proceeding is a judgment against a
 23 utility, that utility's future level of cost recovery shall be
 24 reduced by the amount by which the programs were found to be
 25 imprudently conducted. ~~The utility shall not represent energy~~
 26 ~~efficiency in customer billings as a separate cost or expense~~
 27 ~~unless the board otherwise approves.~~

28 (4) It is the policy of the state of Iowa to ensure
 29 transparency and access to information to all utility
 30 customers.

31 (a) A utility shall disclose all of the following
 32 information in a customer's billing statement:

33 (i) The portions in each customer's total billing statement
 34 that are used to recover costs for each resource of generation
 35 or capacity to meet the energy needs of retail customers and,

PAGE 5

1 if applicable, the portion that the utility otherwise utilizes
 2 for energy or capacity resources. Energy or capacity resources
 3 include but are not limited to wind, solar, energy efficiency,
 4 including lifetime cumulative savings, demand response, coal,
 5 natural gas, coke, oil, nuclear, biomass, and hydropower.

6 (ii) The portions in each customer's total billing
 7 statement that are used to recover costs for transmission,
 8 distribution, taxes, customer service, rate of return, and any
 9 other expenses.

10 (iii) The information in subparagraph subdivisions (i) and
 11 (ii) shall be, at a minimum, represented in a single pie chart
 12 graphic.

13 (b) A utility shall, in an easily accessible location,
 14 disclose all of the following information on the utility's
 15 internet site, and provide such information to the board for
 16 inclusion on the board's internet site:

17 (i) The net benefits from energy efficiency programs and
 18 demand response programs. Net benefits include both the annual
 19 net benefits from first-year savings in each of the most recent
 20 five years and the cumulative lifetime net benefits for the
 21 most recent year.

22 (ii) The portion of all customer energy and demand use that
 23 is met with each type of utility resource, including energy
 24 efficiency, demand response, wind, solar, coal, natural gas,
 25 coke, oil, nuclear, biomass, hydropower, and any other sources.

26 (iii) If the utility generates energy or energy capacity
 27 from resources not used to meet the needs of retail customers,
 28 the utility shall separately represent the portions of total
 29 generation and capacity from such resources.

30 (iv) A comparison of the information provided in a

31 customer's total billing statement and on its internet site
32 with the state and national average costs, energy efficiency
33 net benefits, and amounts of generation and capacity provided
34 by each resource.>

PAGE 48

1 nine thousand dollars or less in the case of all other persons;
 2 but in the event that the payment of tax under this division
 3 would reduce the net income to less than thirteen thousand five
 4 hundred dollars or nine thousand dollars as applicable, then
 5 the tax shall be reduced to that amount which would result
 6 in allowing the taxpayer to retain a net income of thirteen
 7 thousand five hundred dollars or nine thousand dollars as
 8 applicable. The preceding sentence does not apply to estates
 9 or trusts. For the purpose of this subsection, the entire net
 10 income, including any part of the net income not allocated
 11 to Iowa, shall be taken into account. For purposes of this
 12 subsection, net income includes all amounts of pensions or
 13 other retirement income, except for military retirement pay
 14 excluded under section 422.7, subsection 31A, paragraph "a",
 15 or section 422.7, subsection 31B, paragraph "a", received from
 16 any source which is not taxable under this division as a result
 17 of the government pension exclusions in section 422.7, or any
 18 other state law. In calculating net income for purposes of
 19 this subsection, any amount of itemized or standard deduction,
 20 personal exemption deduction, or qualified business income
 21 deduction that was allowed as a deduction in computing federal
 22 taxable income under the Internal Revenue Code shall be added
 23 back. If the combined net income of a husband and wife exceeds
 24 thirteen thousand five hundred dollars, neither of them shall
 25 receive the benefit of this subsection, and it is immaterial
 26 whether they file a joint return or separate returns. However,
 27 if a husband and wife file separate returns and have a combined
 28 net income of thirteen thousand five hundred dollars or less,
 29 neither spouse shall receive the benefit of this paragraph,
 30 if one spouse has a net operating loss and elects to carry
 31 back or carry forward the loss as provided under the Internal
 32 Revenue Code or in section 422.9, ~~subsection 3~~. A person who
 33 is claimed as a dependent by another person as defined in
 34 section 422.12 shall not receive the benefit of this subsection

 2 as applicable or the person claiming the dependent and the
 3 person's spouse have combined net income exceeding thirteen
 4 thousand five hundred dollars or nine thousand dollars as
 5 applicable.
 6 *b.* In lieu of the computation in subsection 1 ~~or 2~~, or in
 7 paragraph "a" of this subsection, if the married persons',
 8 filing jointly or ~~filing separately on a combined return~~,
 9 head of household's, or surviving spouse's net income exceeds
 10 thirteen thousand five hundred dollars, the regular tax imposed

11 under this division shall be the lesser of the maximum state
 12 individual income tax rate times the portion of the net income
 13 in excess of thirteen thousand five hundred dollars or the
 14 regular tax liability computed without regard to this sentence.
 15 Taxpayers electing to file separately shall compute the
 16 alternate tax described in this paragraph using the total net
 17 income of the husband and wife. The alternate tax described
 18 in this paragraph does not apply if one spouse elects to carry
 19 back or carry forward ~~the a net operating loss as provided~~
 20 under the Internal Revenue Code or in section 422.9, ~~subsection~~
 21 ~~3.~~

22 3B.a. The tax shall not be imposed on a resident or
 23 nonresident who is at least sixty-five years old on December
 24 31 of the tax year and whose net income, as defined in section
 25 422.7, is thirty-two thousand dollars or less in the case
 26 of married persons filing jointly ~~or filing separately on a~~
 27 ~~combined return~~, heads of household, and surviving spouses or
 28 twenty-four thousand dollars or less in the case of all other
 29 persons; but in the event that the payment of tax under this
 30 division would reduce the net income to less than thirty-two
 31 thousand dollars or twenty-four thousand dollars as applicable,
 32 then the tax shall be reduced to that amount which would result
 33 in allowing the taxpayer to retain a net income of thirty-two
 34 thousand dollars or twenty-four thousand dollars as applicable.
 35 The preceding sentence does not apply to estates or trusts.

1 For the purpose of this subsection, the entire net income,
 2 including any part of the net income not allocated to Iowa,
 3 shall be taken into account. For purposes of this subsection,
 4 net income includes all amounts of pensions or other retirement
 5 income, except for military retirement pay excluded under
 6 section 422.7, subsection 31A, paragraph "a", or section 422.7,
 7 subsection 31B, paragraph "a", received from any source which is
 8 not taxable under this division as a result of the government
 9 pension exclusions in section 422.7, or any other state law.
 10 In calculating net income for purposes of this subsection, any
 11 amount of itemized or standard deduction, personal exemption
 12 deduction, or qualified business income deduction that was
 13 allowed as a deduction in computing federal taxable income
 14 under the Internal Revenue Code shall be added back. If the
 15 combined net income of a husband and wife exceeds thirty-two
 16 thousand dollars, neither of them shall receive the benefit
 17 of this subsection, and it is immaterial whether they file a
 18 joint return or separate returns. However, if a husband and
 19 wife file separate returns and have a combined net income of
 20 thirty-two thousand dollars or less, neither spouse shall
 21 receive the benefit of this paragraph, if one spouse has a net
 22 operating loss and elects to carry back or carry forward the
 23 loss as provided under the Internal Revenue Code or in section
 24 422.9, ~~subsection 3.~~ A person who is claimed as a dependent by

25 another person as defined in section 422.12 shall not receive
26 the benefit of this subsection if the person claiming the
27 dependent has net income exceeding thirty-two thousand dollars
28 or twenty-four thousand dollars as applicable or the person
29 claiming the dependent and the person's spouse have combined
30 net income exceeding thirty-two thousand dollars or twenty-four
31 thousand dollars as applicable.
32 *b.* In lieu of the computation in subsection 1, ~~2,~~ or 3, if
33 the married persons', filing jointly ~~or filing separately on~~
34 ~~a combined return~~, head of household's, or surviving spouse's
35 net income exceeds thirty-two thousand dollars, the regular

3 the net income in excess of thirty-two thousand dollars or the
4 regular tax liability computed without regard to this sentence.
5 Taxpayers electing to file separately shall compute the
6 alternate tax described in this paragraph using the total net
7 income of the husband and wife. The alternate tax described
8 in this paragraph does not apply if one spouse elects to carry

28 *d.* On all taxable income exceeding \$150,000, the rate of
29 6.50 percent.

30 2. The tax imposed in section 422.5 shall be calculated at

32 married couple filing jointly:

13 following new subsections:

14 NEW SUBSECTION. 4. Add any federal net operating loss
15 deduction carried over from a taxable year beginning prior to
16 January 1 of the calendar year that this division of this Act

18 NEW SUBSECTION. 6.a. For tax years beginning in the
19 calendar year that this division of this Act takes effect,
20 subtract the amount of federal income taxes paid during the
21 tax year to the extent payment is for a tax year beginning
22 prior to January 1 of the calendar year that this division of
23 this Act takes effect, and add any federal income tax refunds
24 received during the tax year to the extent the federal income
25 tax was deducted for a tax year beginning prior to January 1 of
26 the calendar year that this division of this Act takes effect.
27 Where married persons who have filed a joint federal income
28 tax return file separately for state tax purposes, such total
29 shall be divided between them according to the portion of the
30 total paid by each. Federal income taxes paid for a tax year
31 in which an Iowa return was not required to be filed shall not

9 the disability income exclusion and shall compute the amount
10 of the disability income exclusion subject to the limitations
11 for joint federal income tax return filers provided by section
12 105(d) of the Internal Revenue Code. The disability income

13 exclusion provided in section 105(d) of the Internal Revenue
14 Code, as amended up to and including December 31, 1982,
15 continues to apply for state income tax purposes for tax years
16 beginning on or after January 1, 1984.

17 Sec. 115. Section 422.7, subsection 13, Code 2018, is
18 amended by striking the subsection and inserting in lieu
19 thereof the following:

1 principal or interest on any qualified education loan incurred
2 by the taxpayer.

3 b. If the taxpayer has a deduction in computing federal
4 taxable income under section 221 of the Internal Revenue Code
5 for interest on a qualified education loan, the taxpayer shall
6 recompute for purposes of this subsection the amount of the
7 deduction under paragraph "a" by not subtracting any amount of
8 income resulting from the employer's payment of interest on a
9 qualified education loan that was also deducted by the taxpayer
10 under section 221 of the Internal Revenue Code.

11 c. For purposes of this subsection, "*qualified education*
12 *loan*" means the same as defined in section 221 of the Internal
13 Revenue Code.

14 Sec. 117. Section 422.7, subsection 21, Code 2018, is
15 amended by striking the subsection and inserting in lieu
16 thereof the following:

17 21.a. For purposes of this subsection:

18 (1) "*Farming business*" means the raising and harvesting
19 of crops or forest or fruit trees, the rearing, feeding, and
20 management of livestock, or horticulture, all for intended
21 profit.

22 (2) "*Held*" shall be determined with reference to the holding
23 period provisions of section 1223 of the Internal Revenue Code
24 and the federal regulations pursuant thereto.

25 (3) "*Materially participated*" means the same as "*material*
26 *participation*" in section 469(h) of the Internal Revenue Code.

27 (4)(a) *“Real property used in a farming business”* means all
 28 tracts of land and the improvements and structures located on
 29 them which are in good faith used primarily for agricultural
 30 purposes except buildings which are primarily used or intended
 31 for human habitation. Land and the nonresidential improvements
 32 and structures located on it shall be considered to be used
 33 primarily for agricultural purposes if its principal use is
 34 devoted to the raising and harvesting of crops or forest or
 35 fruit trees, the rearing, feeding, and management of livestock,

PAGE 55

1 or horticulture, all for intended profit. Woodland, wasteland,
 2 and pastureland shall qualify but only if such land is held or
 3 operated in conjunction with real property that otherwise meets
 4 the requirements of this paragraph.

5 (b) Real property classified as agricultural property for
 6 Iowa property tax purposes, except real property described
 7 in section 441.21, subsection 12, paragraphs “a” or “b”,
 8 shall be presumed to be real property used in a farming
 9 business. This presumption is rebuttable by the department by
 10 a preponderance of evidence that the real property did not meet
 11 the requirements of subparagraph division (a).

12 (5) *“Relative”* means an individual that satisfies one or
 13 more of the following conditions:

14 (a) The individual is related to the taxpayer by
 15 consanguinity within the second degree as determined by common
 16 law.

17 (b) The individual is a lineal descendent of the taxpayer.
 18 For purposes of this subparagraph division, *“lineal descendent”*
 19 means children of the taxpayer, including legally adopted
 20 children and biological children, stepchildren, grandchildren,
 21 great-grandchildren, and any other lineal descendent of the
 22 taxpayer.

23 b. Subtract the net capital gain from the sale of real
 24 property used in a farming business if all of the following
 25 conditions are satisfied:

26 (1) The taxpayer has materially participated in the farming
 27 business for a minimum of ten years immediately preceding the
 28 sale.

29 (2) The taxpayer has held the real property used in a
 30 farming business for a minimum of ten years immediately
 31 preceding the sale.

32 (3) The real property used in a farming business is sold to
 33 a relative of the taxpayer.

34 c.(1) If the relative to whom the taxpayer sold the
 35 real property used in a farming business that qualified

PAGE 56

1 for the deduction in this subsection subsequently sells or
 2 otherwise transfers all or part of said real property to a

3 person who is not a relative of the taxpayer within five years
4 of the original sale, the subsequent sale or transfer shall
5 be considered prima facie evidence that the original sale
6 was entered into by the taxpayer primarily to obtain the tax
7 benefits provided in this subsection, and the deduction under
8 this subsection for the original sale shall be disallowed for
9 the taxpayer with respect to that real property subsequently
10 sold or transferred by the relative.

11 (2) The prima facie determination in subparagraph (1) may be
12 rebutted by the taxpayer by a preponderance of evidence showing
13 that at the time of the original sale by the taxpayer of the
14 real property used in a farming business, all of the following
15 conditions were satisfied:

16 (a) The taxpayer had a substantial purpose for entering into
17 the sale transaction apart from the state tax benefits.

18 (b) The taxpayer did not intend that the real property would
19 subsequently be sold or transferred to a person who is not a
20 relative of the taxpayer.

21 (c) The taxpayer had no actual or constructive knowledge of
22 the buyer's intent to subsequently sell or transfer the real
23 property to a person who is not a relative of the taxpayer.

24 (3) Notwithstanding section 422.25, subsection 1, paragraph
25 "a", the period of limitation for examination and determination
26 of tax with regard to the deduction provided in this subsection
27 shall be one of the following dates, whichever occurs later:

28 (a) The date which is three years after the date that the
29 return upon which the deduction in this subsection is claimed
30 is filed.

31 (b) The date which is three years after the date that the
32 return upon which the deduction in this subsection is claimed
33 is due, including any extensions.

34 (c) The date which is six years after the date of the sale
35 of the real property used in a farming business for which the

PAGE 57

1 deduction in this subsection is claimed.

2 *d.* To the extent otherwise allowed, the deduction provided
3 in this subsection is not allowed for purposes of computing the
4 income for the taxable year or years for which a net operating
5 loss is deducted under the Internal Revenue Code or under
6 subsection 422.9.

7 Sec. 118. Section 422.7, subsection 29, Code 2018, is
8 amended to read as follows:

9 29.a. Subtract For a taxpayer who is sixty-five years
10 of age or older and whose net income is less than one hundred
11 thousand dollars, subtract, to the extent not otherwise
12 deducted in computing adjusted gross federal taxable income,
13 the amounts paid by the taxpayer for the purchase of health
14 benefits coverage or insurance for the taxpayer or taxpayer's
15 spouse or dependent.

16 *b.* For purposes of this subsection, "net income" means net

17 income as properly computed under this section without regard
 18 to the deduction in this subsection and with the following
 19 additional adjustments:

20 (1) Add back any amount of pensions or other retirement
 21 income received from any source which is not taxable under this
 22 division, including but not limited to amounts deductible under
 23 subsections 13, 31, 31A, and 31B.

24 (2) Add back any amount of itemized or standard deduction,
 25 personal exemption deduction, or qualified business income
 26 deduction that was allowed as a deduction from federal adjusted
 27 gross income in computing federal taxable income under the
 28 Internal Revenue Code.

29 Sec. 119. Section 422.7, subsection 31, Code 2018, is
 30 amended to read as follows:

31 31. For a person who is disabled, or is fifty-five years of
 32 age or older, or is the surviving spouse of an individual or
 33 a survivor having an insurable interest in an individual who
 34 would have qualified for the exemption under this subsection
 35 for the tax year, subtract, to the extent included, the

PAGE 58

1 total amount of a governmental or other pension or retirement
 2 pay, including, but not limited to, defined benefit or
 3 defined contribution plans, annuities, individual retirement
 4 accounts, plans maintained or contributed to by an employer,
 5 or maintained or contributed to by a self-employed person as
 6 an employer, and deferred compensation plans or any earnings
 7 attributable to the deferred compensation plans, up to a
 8 maximum of six thousand dollars for a person, other than a
 9 husband or wife, who files a separate state income tax return
 10 and up to a maximum of twelve thousand dollars for a husband
 11 and wife who file a joint state income tax return. However, a
 12 surviving spouse who is not disabled or fifty-five years of age
 13 or older can only exclude the amount of pension or retirement
 14 pay received as a result of the death of the other spouse. A
 15 husband and wife filing separate state income tax returns ~~or~~
 16 ~~separately on a combined state return~~ are allowed a combined
 17 maximum exclusion under this subsection of up to twelve
 18 thousand dollars. The twelve thousand dollar exclusion shall
 19 be allocated to the husband or wife in the proportion that each
 20 spouse's respective pension and retirement pay received bears
 21 to total combined pension and retirement pay received.

22 Sec. 120. Section 422.7, subsection 41, Code 2018, is
 23 amended by adding the following new paragraph:

24 NEW PARAGRAPH. *0e.* Add, to the extent deducted for
 25 federal tax purposes, interest, taxes, and other miscellaneous
 26 expenses to the extent such amounts are eligible home costs
 27 in connection with a qualified home purchase that were paid
 28 or reimbursed from funds in a first-time homebuyer savings
 29 account.

30 Sec. 121. Section 422.7, subsection 47, Code 2018, is

31 amended to read as follows:

32 47. Subtract, to the extent not otherwise deducted in
 33 computing ~~adjusted gross~~ federal taxable income, the amounts
 34 paid by the taxpayer to the department of veterans affairs for
 35 the purpose of providing grants under the injured veterans

PAGE 59

29 inserting or making available tangible personal property,
30 services, or specified digital products on a marketplace, or
31 other consideration from the facilitation of a retail sale of
32 tangible personal property, services, or specified digital
33 products, regardless of ownership or control of the tangible
34 personal property, services, or specified digital products that
35 are the subject of the retail sale.

PAGE 103

- 1 (iv) Through terms and conditions, agreements, or
2 arrangements with a third party, collects payment in connection
3 with a retail sale of tangible personal property, services,
4 or specified digital products from a purchaser and transmits
5 that payment to the marketplace seller, regardless of whether
6 the person collecting and transmitting such payment receives
7 compensation or other consideration in exchange for the
8 service.
- 9 (v) Provides a virtual currency that purchasers are allowed
10 or required to use to purchase tangible personal property,
11 services, or specified digital products.
- 12 (2) “*Marketplace facilitator*” includes but is not limited
13 to a person who satisfies the requirements of this paragraph
14 through the ownership, operation, or control of a digital
15 distribution service, digital distribution platform, online
16 portal, or application store.
- 17 (3) A “*rental platform*”, as defined in section 423C.2, that
18 meets the requirements described in section 423C.3, subsection
19 3, paragraph “c”, subparagraph (2), shall not be considered
20 a “*marketplace facilitator*” with respect to any sale of a
21 transportation service under section 423.2, subsection 6,
22 paragraph “bf”, or section 423.5, subsection 1, paragraph “e”,
23 consisting of the rental of vehicles subject to registration
24 which are registered for a gross weight of thirteen tons or

- 26 c. “*Marketplace seller*” means any of the following:
- 27 (1) A seller that makes retail sales through any physical
28 or electronic marketplace owned, operated, or controlled by a

30 been required to collect and remit sales and use tax had the

31 sale not been made through such marketplace.
 32 (2) A seller that makes retail sales resulting from a
 33 referral by a referrer, even if such seller would not have been
 34 required to collect and remit sales and use tax had the sale
 35 not been made through such referrer.

PAGE 104

1 2. In addition to and not in lieu of any application of
 2 this chapter to sellers who are retailers and sellers who are
 3 retailers maintaining a place of business in this state, any
 4 person described in subsection 3, or the person's agents,
 5 shall be considered a retailer in this state and a retailer
 6 maintaining a place of business in this state for purposes of
 7 this chapter on or after January 1, 2019, and shall be subject
 8 to all requirements of this chapter imposed on retailers and
 9 retailers maintaining a place of business in this state,
 10 including but not limited to the requirement to collect and
 11 remit sales and use taxes pursuant to sections 423.14 and
 12 423.29, and local option taxes under chapter 423B.

13 3.a. A retailer that has gross revenue from Iowa sales
 14 equal to or exceeding one hundred thousand dollars for an
 15 immediately preceding calendar year or a current calendar year.

16 b. A retailer that makes Iowa sales in two hundred or more
 17 separate transactions for an immediately preceding calendar
 18 year or a current calendar year.

19 c.(1) A retailer that owns, licenses, or uses software
 20 or data files that are installed or stored on property used
 21 in this state. For purposes of this subparagraph, "*software*
 22 *or data files*" include but are not limited to software that is
 23 affirmatively downloaded by a user, software that is downloaded
 24 as a result of the use of a website, preloaded software, and
 25 cookies.

26 (2) A retailer that uses in-state software to make Iowa
 27 sales. For purposes of this subparagraph, "*in-state software*"
 28 means computer software that is installed or stored on property
 29 located in this state or that is distributed within this state
 30 for the purpose of facilitating a sale by the retailer.

31 (3) A retailer that provides, or enters into an agreement
 32 with another person to provide, a content distribution network
 33 in this state to facilitate, accelerate, or enhance the
 34 delivery of the retailer's internet site to purchasers. For
 35 purposes of this subparagraph, "*content distribution network*"

PAGE 105

1 means a system of distributed servers that deliver internet
 2 sites and other internet content to a user based on the
 3 geographic location of the user, the origin of the internet
 4 site or internet content, and a content delivery server.

5 (4) This paragraph "c" shall not apply to a retailer that
 6 has gross revenue from Iowa sales of less than one hundred

7 thousand dollars for an immediately preceding calendar year or
8 a current calendar year.

9 *d.*(1) A marketplace facilitator that makes or facilitates
10 Iowa sales on its own behalf or for one or more marketplace
11 sellers equal to or exceeding one hundred thousand dollars,
12 or in two hundred or more separate transactions, for an
13 immediately preceding calendar year or a current calendar year.

14 (2) A marketplace facilitator shall collect sales and
15 use tax on the entire sales price or purchase price paid by
16 a purchaser on each Iowa sale subject to sales and use tax
17 that is made or facilitated by the marketplace facilitator,
18 regardless of whether the marketplace seller for whom an Iowa
19 sale is made or facilitated has or is required to have a
20 retail sales tax permit or would have been required to collect
21 sales and use tax had the sale not been facilitated by the
22 marketplace facilitator, and regardless of the amount of the
23 sales price or purchase price that will ultimately accrue
24 to or benefit the marketplace facilitator, the marketplace
25 seller, or any other person. This sales and use tax collection
26 responsibility of a marketplace facilitator applies but shall
27 not be limited to sales facilitated through a computer software
28 application, commonly referred to as in-app purchases, or
29 through another specified digital product.

30 (3) A marketplace facilitator shall be relieved of
31 liability under this paragraph “d” for failure to collect and
32 remit sales and use tax on an Iowa sale made or facilitated for
33 a marketplace seller under the following circumstances and up
34 to the amounts permitted under the following circumstances:

35 (a) If the marketplace facilitator demonstrates to the

PAGE 106

1 satisfaction of the department that the marketplace facilitator
2 has made a reasonable effort to obtain accurate information
3 from the marketplace seller about a retail sale and that
4 the failure to collect and remit the correct tax was due to
5 incorrect information provided to the marketplace facilitator
6 by the marketplace seller, then the marketplace facilitator
7 shall be relieved of liability for that retail sale. This
8 subparagraph division does not apply with regard to a retail
9 sale for which the marketplace facilitator is the seller or if
10 the marketplace facilitator and the seller are affiliates. For
11 Iowa sales for which a marketplace facilitator is relieved of
12 liability under this subparagraph division, the marketplace
13 seller and purchaser are liable for any amount of uncollected,
14 unpaid, or unremitted tax.

15 (b)(i) Subject to the limitation in subparagraph
16 subdivision (ii), if the marketplace facilitator demonstrates
17 to the satisfaction of the department that the Iowa sale was
18 made or facilitated for a marketplace seller prior to January
19 1, 2026, through a marketplace of the marketplace facilitator,
20 that the marketplace facilitator is not the seller and that

21 the marketplace facilitator and the seller are not affiliates,
22 and that the failure to collect sales and use tax was due to
23 an error other than an error in sourcing the sale. To the
24 extent that a marketplace facilitator is relieved of liability
25 for collection of sales and use tax under this subparagraph
26 division, the marketplace seller for whom the marketplace
27 facilitator has made or facilitated the Iowa sale is also
28 relieved of liability. The department may determine the manner
29 in which a marketplace facilitator or marketplace seller shall
30 claim the liability relief provided in this subparagraph
31 division.

32 (ii) The liability relief provided in subparagraph
33 subdivision (i) shall not exceed the following percentage
34 of the total sales and use tax due on Iowa sales made or
35 facilitated by a marketplace facilitator for marketplace

PAGE 107

1 sellers and sourced to this state during a calendar year,
2 which Iowa sales shall not include sales by the marketplace
3 facilitator or affiliates of the marketplace facilitator:

4 (A) For Iowa sales made or facilitated during the 2019
5 calendar year, ten percent.

6 (B) For Iowa sales made or facilitated during calendar years
7 2020 through 2024, five percent.

8 (C) For Iowa sales made or facilitated during the 2025
9 calendar year, three percent.

10 (c) Nothing in this subparagraph (3) shall be construed to
11 relieve any person of liability for collecting but failing to
12 remit to the department sales and use tax.

13 (d) A marketplace facilitator is deemed to be an agent
14 of any marketplace seller making retail sales through a
15 marketplace of the marketplace facilitator.

16 e.(1) A referrer if, for any immediately preceding
17 calendar year or a current calendar year, one hundred thousand
18 dollars or more in Iowa sales or two hundred or more separate
19 Iowa sales transactions result from referrals from a platform
20 of the referrer. A referrer is not required to collect and
21 remit sales and use tax pursuant to this paragraph if the
22 referrer does all of the following:

23 (a) The referrer posts a conspicuous notice on each platform
24 of the referrer that includes all of the following:

25 (i) A statement that sales or use tax is due on certain
26 purchases.

27 (ii) A statement that the marketplace seller from whom the
28 person is purchasing on the platform may or may not collect and
29 remit sales and use tax on a purchase.

30 (iii) A statement that Iowa requires the purchaser to pay
31 sales or use tax and file sales or use tax returns if sales
32 or use tax is not collected at the time of the sale by the
33 marketplace seller.

34 (iv) Information informing the purchaser that the notice is

35 provided under the requirements of this subparagraph.

PAGE 108

- 1 (v) Instructions for obtaining additional information from
2 the department regarding whether and how to remit sales and use
3 tax to the state of Iowa.
- 4 (b) The referrer provides a monthly notice to each
5 marketplace seller to whom the referrer made a referral of a
6 potential customer located in Iowa during the previous calendar
7 year, which monthly notice shall contain all of the following:
- 8 (i) A statement that Iowa imposes a sales or use tax on Iowa
9 sales.
- 10 (ii) A statement that a marketplace facilitator or other
11 retailer making Iowa sales must collect and remit sales and use
12 tax.
- 13 (iii) Instructions for obtaining additional information
14 from the department regarding the collection and remittance of
15 Iowa sales and use tax.
- 16 (c) The referrer provides the department with monthly
17 reports in an electronic format and in the manner prescribed
18 by the department, which monthly reports contain all of the
19 following:
- 20 (i) A list of marketplace sellers who received the
21 referrer's notice under subparagraph division (b).
- 22 (ii) A list of marketplace sellers that collect and
23 remit Iowa sales and use tax and that list or advertise the
24 marketplace seller's products for sale on a platform of the
25 referrer.
- 26 (iii) An affidavit signed under penalty of perjury from
27 an officer of the referrer affirming that the referrer made
28 reasonable efforts to comply with the applicable sales and use
29 tax notice and reporting requirements of this subparagraph.
- 30 (2) A referrer is deemed to be an agent of any marketplace
31 seller making retail sales resulting from a referral of the
32 referrer.
- 33 (3) For purposes of this paragraph:
- 34 (a) "*Platform*" means an electronic or physical medium,
35 including but not limited to an internet site or catalog, that

PAGE 109

- 1 is owned, operated, or controlled by a referrer.
- 2 (b) "*Referral*" means the transfer through telephone,
3 internet link, or other means by a referrer of a potential
4 customer to a retailer or seller who advertises or lists
5 products for sale on a platform of the referrer.
- 6 (c)(i) "*Referrer*" means a person who does all of the
7 following:
- 8 (A) Contracts or otherwise agrees with a retailer, seller,
9 or marketplace facilitator to list or advertise for sale a
10 product of the retailer, seller, or marketplace facilitator on

11 a platform, provided such listing or advertisement identifies
 12 whether or not the retailer, seller, or marketplace facilitator
 13 collects sales and use tax.

14 (B) Receives a commission, fee, or other consideration
 15 from the retailer, seller, or marketplace facilitator for the
 16 listing or advertisement.

17 (C) Provides referrals to a retailer, seller, or
 18 marketplace facilitator, or an affiliate of a retailer, seller,
 19 or marketplace facilitator.

20 (D) Does not collect money or other consideration from the
 21 customer for the transaction.

22 (i) "*Referrer*" does not include any of the following:

23 (A) A person primarily engaged in the business of printing
 24 or publishing a newspaper.

25 (B) A person who does not provide the retailer's, seller's,
 26 or marketplace facilitator's shipping terms and who does
 27 not advertise whether a retailer, seller, or marketplace
 28 facilitator collects sales or use tax.

29 (4) This paragraph only applies to referrals by a referrer
 30 and shall not preclude the applicability of other provisions
 31 of this section to a person who is a referrer and is also a
 32 retailer, a marketplace facilitator, or a marketplace seller.

33 *f.*(1) A retailer that makes Iowa sales through the use of
 34 a solicitor. For purposes of this paragraph, "*solicitor*" means
 35 a person that directly or indirectly solicits business for a

PAGE 110

1 retailer.

2 (2)(a) A retailer is deemed to have a solicitor in
 3 this state if the retailer enters into an agreement with a
 4 resident under which the resident, for a commission, fee, or
 5 other similar consideration, directly or indirectly refers
 6 potential customers, whether by link on an internet site,
 7 or otherwise, to the retailer. This determination may be
 8 rebutted by a showing of proof that the resident with whom the
 9 retailer has an agreement did not engage in any solicitation
 10 in this state on behalf of the retailer that would satisfy the
 11 nexus requirement of the United States Constitution during the
 12 calendar year in question.

13 (b) This subparagraph (2) shall not apply to a retailer that
 14 has Iowa gross revenue from Iowa sales of ten thousand dollars
 15 or less for an immediately preceding calendar year or a current
 16 calendar year.

17 (c) For purposes of this subparagraph (2):

18 (i) "*Iowa gross revenue*" means gross revenue from Iowa
 19 sales to purchasers who were referred to the retailer by all
 20 solicitors who are residents.

21 (ii) "*Resident*" includes an individual who is a resident
 22 of this state, as defined in section 422.4, and any business
 23 that owns any tangible or intangible property with a situs in
 24 this state, or that has one or more employees performing or

25 providing services for the business in this state.

26 (d) This paragraph “f” does not apply to chapter 422 and
27 does not expand or contract the state’s jurisdiction to tax a
28 trade or business under chapter 422.

29 g. A retailer that owns, controls, rents, licenses, makes
30 available, or uses any tangible or intangible property in this
31 state or with a situs in this state, to make or otherwise
32 facilitate a retail sale.

33 h.(1) Any person that enters into a contract or agreement
34 with a governmental entity, including but not limited to
35 contracts for the provision of financial assistance or

PAGE 111

1 incentives such as a tax credit, forgivable loan, grant, tax
2 rebate, or any other thing of value. For purposes of this
3 subparagraph, “*governmental entity*” means any unit of government
4 in the executive, legislative, or judicial branch, or any
5 political subdivision of the state, including but not limited
6 to a city, county, township, or school district.

7 (2) Every bid submitted and each contract or agreement
8 executed by a state agency shall contain a certification by
9 the bidder or contractor stating that the bidder or contractor
10 is registered with the department pursuant to this chapter
11 and will collect and remit Iowa sales and use tax due under
12 this chapter. In the certification, the bidder or contractor
13 shall also acknowledge that the state agency may declare the
14 contractor or bid void if the certification is false or becomes
15 false. Fraudulent certification, by act or omission, may
16 result in the state agency or its representative filing for
17 damages for breach of contract.

18 i. Any affiliate of any person that is required to collect
19 and remit sales and use tax under this chapter, provided the
20 affiliate makes retail sales.

21 Sec. 208. **NEW SECTION. 423.14B Sales and use tax reporting**
22 **requirements — penalties.**

23 1. For purposes of this section, “*Iowa sales*” and
24 “*marketplace facilitator*” all mean the same as defined in
25 section 423.14A.

26 2. The department may, in its discretion, adopt rules
27 pursuant to chapter 17A establishing and imposing notice and
28 reporting requirements related to Iowa sales for retailers,
29 including but not limited to marketplace facilitators,
30 who do not collect and remit sales and use tax under this
31 chapter. The rules may include but are not limited to rules
32 requiring retailers, including but not limited to marketplace
33 facilitators, to do any of the following:

34 a. Notify purchasers at the time of an Iowa sales
35 transaction of sales and use tax obligations under this

PAGE 112

1 chapter.

2 *b.* Provide purchasers with periodic reports of purchases
3 that are Iowa sales.

4 *c.* Provide the department with annual reports that include
5 but are not limited to information relating to purchases,
6 purchasers, and Iowa sales.

7 *3.a.* The department may adopt rules pursuant to chapter
8 17A establishing and imposing penalties as described in and
9 subject to the dollar limitations of paragraph “*b*”, provided
10 that any such penalty shall include a procedure for waiver
11 of the penalty upon a showing of reasonable cause for such
12 failure.

13 *b.(1)* The department may impose penalties for failure to
14 provide a notification to a purchaser in the manner and form
15 prescribed by the department by rule. Such penalties shall not
16 exceed five dollars for each failure.

17 (2) The department may impose penalties for failure to
18 provide a purchaser with a periodic report of purchases in the
19 manner and form prescribed by the department by rule. Such
20 penalties shall not exceed ten dollars for each failure.

21 (3) The department may impose penalties for failure to
22 provide the department with an annual report in the manner
23 and form prescribed by the department. Such penalties shall
24 not exceed an amount per annual report equal to ten dollars
25 multiplied by the number of purchasers for whom information
26 should have been but was not included in the annual report.

27 Sec. 209. Section 423.15, unnumbered paragraph 1, Code
28 2018, is amended to read as follows:

29 All sales of ~~products~~ tangible personal property, services,
30 or specified digital products, except those sales enumerated
31 in section 423.16, shall be sourced according to this section
32 by sellers obligated to collect Iowa sales and use tax. The
33 sourcing rules described in this section apply to sales of
34 tangible personal property, specified digital goods ~~products~~,
35 and all services other than telecommunications services. This

PAGE 113

1 section only applies to determine a seller’s obligation to pay
2 or collect and remit a Iowa sales or use tax with respect to
3 the seller’s sale of a product. This section does not affect
4 the obligation of a purchaser or lessee to remit tax on the use
5 of the product to the taxing jurisdictions in which the use
6 occurs. A seller’s obligation to collect Iowa sales tax or
7 Iowa use tax only occurs if the sale is sourced to this state.
8 ~~Whether Iowa sales tax applies to a sale sourced to Iowa shall~~
9 ~~be determined based on the location at which the sale is~~
10 ~~consummated by delivery or, in the case of a service, where the~~
11 ~~first use of the service occurs~~ made by a seller subject to
12 section 423.1, subsection 48, or section 423.14A.

13 Sec. 210. Section 423.15, subsection 1, paragraph e, Code
14 2018, is amended to read as follows:

15 e. When paragraphs “a”, “b”, “c”, and “d” do not apply,
16 including the circumstance where the seller is without
17 sufficient information to apply the previous rules, then the
18 location will be determined by the address from which tangible
19 personal property was shipped, from which the specified digital
20 ~~good product~~ or the computer software delivered electronically
21 was first available for transmission by the seller, or from
22 which the service was provided disregarding for these purposes
23 any location that merely provided the digital transfer of the
24 product sold.

25 Sec. 211. Section 423.22, Code 2018, is amended to read as
26 follows:

27 **423.22 Taxation in another state.**

28 If any person who causes tangible personal property or
29 specified digital products to be brought into this state or
30 who uses in this state services enumerated in section 423.2
31 has already paid a tax in another state in respect to the sale
32 or use of the property or the performance of the service, or
33 an occupation tax in respect to the property or service, in
34 an amount less than the tax imposed by subchapter II or III,
35 the provisions of those subchapters shall apply, but at a rate

PAGE 114

1 measured by the difference only between the rate fixed by
2 subchapter II or III and the rate by which the previous tax on
3 the sale or use, or the occupation tax, was computed. If the
4 tax imposed and paid in the other state is equal to or more than
5 the tax imposed by those subchapters, then a tax is not due in
6 this state on the personal property or service.

7 Sec. 212. Section 423.29, subsection 1, Code 2018, is
8 amended to read as follows:

9 1. Every seller who is a retailer and who is making taxable
10 sales of tangible personal property or specified digital
11 products in Iowa shall, at the time of selling the property
12 making the sale, collect the sales tax. Every seller who
13 is a retailer ~~maintaining a place of business in this state~~
14 ~~that is not otherwise required to collect sales tax under the~~
15 ~~provisions of this chapter~~ and who is selling tangible personal
16 property or specified digital products for use in Iowa shall,
17 at the time of making the sale, whether within or without the
18 state, collect the use tax. Sellers required to collect sales
19 or use tax shall give to any purchaser a receipt for the tax
20 collected in the manner and form prescribed by the director.

21 Sec. 213. Section 423.30, subsection 1, Code 2018, is
22 amended to read as follows:

23 1. The director may, upon application, authorize the
24 collection of the use tax by any seller who is a retailer not
25 maintaining a place of business within this state and not
26 registered under the agreement, who, to the satisfaction of

27 the director, furnishes adequate security to ensure collection
 28 and payment of the tax. Such sellers shall be issued, without
 29 charge, permits to collect tax subject to any regulations
 30 which the director shall prescribe. When so authorized, it
 31 shall be the duty of foreign sellers to collect the tax upon
 32 all tangible personal property and specified digital products
 33 sold, to the retailer's knowledge, for use within this state,
 34 in the same manner and subject to the same requirements as a
 35 retailer maintaining a place of business within this state.

PAGE 115

1 The authority and permit may be canceled when, at any time, the
 2 director considers the security inadequate, or that tax can
 3 more effectively be collected from the person using property
 4 in this state.

5 Sec. 214. Section 423.31, subsection 1, Code 2018, is
 6 amended to read as follows:

7 1. Each person subject to this section and section 423.36
 8 and in accordance with the provisions of this section and
 9 section 423.36 shall, on or before the last day of the month
 10 following the close of each calendar quarter during which
 11 such person is or has become or ceased being subject to the
 12 provisions of this section and section 423.36, make, sign, and
 13 file a return for the calendar quarter in the form as may be
 14 required. Returns shall show information relating to sales
 15 prices including ~~goods, wares,~~ tangible personal property,
 16 specified digital products, and services converted to the
 17 use of such person, the amounts of sales prices excluded and
 18 exempt from the tax, the amounts of sales prices subject to
 19 tax, a calculation of tax due, and any other information for
 20 the period covered by the return as may be required. Returns
 21 shall be signed by the retailer or the retailer's authorized
 22 agent and must be certified by the retailer to be correct in
 23 accordance with forms and rules prescribed by the director.

24 Sec. 215. Section 423.31, subsection 5, paragraph a, Code
 25 2018, is amended to read as follows:

26 a. Upon making application and receiving approval from
 27 the director, a ~~parent corporation person~~ parent corporation person and its ~~affiliated~~
 28 ~~corporations~~ affiliates that make retail sales of tangible
 29 personal property, specified digital products, or taxable
 30 enumerated services may make deposits and file a consolidated
 31 sales tax return for the affiliated group, pursuant to rules
 32 adopted by the director. A ~~parent corporation person~~ parent corporation person and each
 33 ~~affiliate corporation~~ affiliate that files a consolidated return are
 34 jointly and severally liable for all tax, penalty, and interest
 35 found due for the tax period for which a consolidated return is

PAGE 116

1 filed or required to be filed.

2 Sec. 216. Section 423.32, subsection 1, paragraph b, Code

3 2018, is amended to read as follows:

4 **b.** The deposit form is due on or before the twentieth day of
5 the month following the month of collection, except a deposit
6 is not required for the third month of the calendar quarter,
7 and the total quarterly amount, less the amounts deposited for
8 the first two months of the quarter, is due with the quarterly
9 report on the last day of the month following the month of
10 collection. At that time, the retailer shall file with the
11 department a return for the preceding quarterly period in the
12 form prescribed by the director showing the purchase price of
13 the tangible personal property, specified digital products, and
14 services sold by the retailer during the preceding quarterly
15 period, the use of which is subject to the use tax imposed
16 by this chapter, and other information the director deems
17 necessary for the proper administration of the use tax.

18 Sec. 217. Section 423.33, subsection 3, Code 2018, is
19 amended to read as follows:

20 3. *Event sponsor's liability for sales tax.* A person
21 sponsoring a flea market or a craft, antique, coin, or stamp
22 show or similar event shall obtain from every retailer selling
23 tangible personal property, specified digital products,
24 or taxable services at the event proof that the retailer
25 possesses a valid sales tax permit or secure from the retailer
26 a statement, taken in good faith, that tangible personal
27 property, specified digital products, or services offered for
28 sale are not subject to sales tax. Failure to do so renders
29 a sponsor of the event liable for payment of any sales tax,
30 interest, and penalty due and owing from any retailer selling
31 property or services at the event. Sections 423.31, 423.32,
32 423.37, 423.38, 423.39, 423.40, 423.41, and 423.42 apply to the
33 sponsors. For purposes of this subsection, a "*person sponsoring*
34 *a flea market or a craft, antique, coin, or stamp show or similar*
35 *event*" does not include an organization which sponsors an

PAGE 117

1 event determined to qualify as an event involving casual sales

23 Every retailer required or authorized to collect taxes
 24 imposed by this chapter and every person using in this state
 25 tangible personal property, specified digital products,
 26 services, or the product of services shall keep records,
 27 receipts, invoices, and other pertinent papers as the director
 28 shall require, in the form that the director shall require,
 29 for as long as the director has the authority to examine and
 30 determine tax due. The director or any duly authorized agent
 31 of the department may examine the books, papers, records,
 32 and equipment of any person ~~either~~ selling tangible personal
 33 property, specified digital products, or services or liable
 34 for the tax imposed by this chapter, and investigate the
 35 character of the business of any person in order to verify

PAGE 121

1 the accuracy of any return made, or if a return was not made
 2 by the person, ascertain and determine the amount due under
 3 this chapter. These books, papers, and records shall be made
 4 available within this state for examination upon reasonable
 5 notice when the director deems it advisable and so orders. If
 6 the taxpayer maintains any records in an electronic format,
 7 the taxpayer shall comply with reasonable requests by the
 8 director or the director's authorized agents to provide those
 9 electronic records in a standard record format. The preceding
 10 requirements shall likewise apply to users and persons
 11 furnishing services enumerated in section 423.2.

12 Sec. 226. Section 423.45, subsection 4, paragraphs a, b, and

 18 retailers in properly accounting for nontaxable sales of
 19 tangible personal property, specified digital products,
 20 or services to purchasers for a nontaxable purpose. The

21 department shall also allow the use of exemption certificates
22 for those circumstances in which a sale is taxable but the
23 seller is not obligated to collect tax from the buyer.

24 *b.* The sales tax liability for all sales of tangible
25 personal property and specified digital products and all sales
26 of services is upon the seller and the purchaser unless the
27 seller takes from the purchaser a valid exemption certificate
28 stating under penalty of perjury that the purchase is for a
29 nontaxable purpose and is not a retail sale as defined in
30 section 423.1, or the seller is not obligated to collect tax
31 due, or unless the seller takes a fuel exemption certificate
32 pursuant to subsection 5. If the tangible personal property,
33 specified digital products, or services are purchased tax free
34 pursuant to a valid exemption certificate and the tangible
35 personal property, specified digital products, or services are

PAGE 122

1 used or disposed of by the purchaser in a nonexempt manner, the
2 purchaser is solely liable for the taxes and shall remit the
3 taxes directly to the department and sections 423.31, 423.32,
4 423.37, 423.38, 423.39, 423.40, 423.41, and 423.42 shall apply
5 to the purchaser.

6 *e.* If the circumstances change and as a result the tangible
7 personal property, specified digital products, or services are
8 used or disposed of by the purchaser in a nonexempt manner or
9 the purchaser becomes obligated to pay the tax, the purchaser
10 is liable solely for the taxes and shall remit the taxes
11 directly to the department in accordance with this subsection.

33 29C.24, subsection 3, paragraph "a", subparagraph (2).

26 be collected by all persons required to collect state sales
27 taxes. All cities contiguous to each other shall be treated
28 as part of one incorporated area and the tax would be imposed
29 in each of those contiguous cities only if the majority of
30 those voting in the total area covered by the contiguous cities
31 favors its imposition. In the case of a local sales and

 16 subparagraph (3), Code 2018, is amended to read as follows:
 17 (3) The tax once imposed shall continue to be imposed until
 18 the county-imposed tax is ~~reduced or increased in rate or~~
 19 ~~repealed, and then the city-imposed tax shall also be reduced~~
 20 ~~or increased in rate or repealed in the same amount and be~~
 21 effective on the same date.

22 Sec. 237. Section 423B.1, subsections 3, 4, and 5, Code
 23 2018, are amended to read as follows:

24 ~~3.a. A local option tax shall be imposed only after an~~
 25 ~~election at which~~ If a majority of those voting on the question
 26 of imposition of a local option tax favors imposition and, the
 27 local option tax shall then be imposed at the rate specified
 28 on the ballot until repealed as provided in subsection 6,
 29 paragraph "a" this chapter.

30 b. If the tax is a local vehicle tax imposed by a county,

PAGE 127

1 majority of those voting in the area on the tax favors its
 2 imposition. For purposes of the local sales and services tax,
 3 all cities contiguous to each other shall be treated as part of
 4 one incorporated area and the tax would be imposed in each of
 5 those contiguous cities only if the majority of those voting
 6 in the total area covered by the contiguous cities favors its

 8 ~~submitted to the registered voters of two or more contiguous~~
 9 ~~counties as provided in subsection 4, paragraph “c”, all cities~~
 10 ~~contiguous to each other shall be treated as part of one~~

 13 ~~the tax shall be imposed in each of those contiguous cities~~
 14 ~~only if a majority of those voting on the tax in the total area~~
 15 ~~covered by the contiguous cities favored its imposition. For~~
 16 purposes of the local sales and services tax, a city is not
 17 contiguous to another city if the only road access between the
 18 two cities is through another state.

19 (2) The treatment of contiguous cities as one incorporated
 20 area for the purpose of determining whether a majority of those
 21 voting favors imposition does not apply to elections on the
 22 question of imposition of a local sales and services tax in
 23 all or a portion of a county that is a qualified county if the
 24 election occurs on or after January 1, 2019. For purposes
 25 of this chapter, “qualified county” means a county with a
 26 population in excess of four hundred thousand, a county with
 27 a population of at least one hundred thirty thousand but not
 28 more than one hundred thirty-one thousand, or a county with a

PAGE 128

1 receipt of a petition, requesting imposition of a local vehicle
 2 tax ~~or a local sales and services tax~~, signed by eligible
 3 electors of the whole county equal in number to five percent of
 4 the persons in the whole county who voted at the last preceding
 5 general election. ~~In the case of a local vehicle tax, the~~ The
 6 petition requesting imposition shall specify the rate of tax
 7 and the classes, if any, that are to be exempt. If more than
 8 one valid petition is received, the earliest received petition
 9 shall be used.

10 (2) The county board of supervisors shall direct within
 11 thirty days the county commissioner of elections to submit the
 12 question of imposition of a local sales and services tax to the

13 registered voters of the incorporated and unincorporated areas
 14 of the county upon receipt of a petition requesting imposition
 15 of a local sales and services tax, signed by eligible electors
 16 of the whole county equal in number to five percent of the
 17 persons in the whole county who voted at the last preceding
 18 general election. If more than one valid petition is received,
 19 the earliest received petition shall be used.
 20 (3) In lieu of the petition requirement of subparagraph
 21 (2), the county board of supervisors for a county that is a
 22 qualified county shall direct within thirty days the county
 23 commissioner of elections to submit the question of imposition
 24 of a local sales and services tax to the registered voters of a
 25 city, or the portion thereof located in the county, or to the
 26 registered voters of the unincorporated area of the county upon
 27 receipt by the board of supervisors of a petition requesting
 28 imposition of a local sales and services tax, signed by
 29 eligible electors of the city, or the portion thereof located
 30 in the county, or eligible electors of the unincorporated area
 31 of the county, as applicable, equal in number to five percent
 32 of the persons in the city, or applicable portion thereof, or
 33 in the unincorporated area of the county who voted at the last
 34 preceding general election. If more than one valid petition
 35 is received for a city or for the unincorporated area of the

PAGE 129

1 county, the earliest received petition shall be used. This
 2 subparagraph applies to petitions received on or after January
 3 1, 2019.
 4 b.(1) The question of the imposition of a local sales
 5 and services tax shall be submitted to the registered voters
 6 of the incorporated and unincorporated areas of the county
 7 upon receipt by the county commissioner of elections of the
 8 motion or motions, requesting such submission, adopted by
 9 the governing body or bodies of the city or cities located
 10 within the county or of the county, for the unincorporated
 11 areas of the county, representing at least one half of the
 12 population of the county. Upon adoption of such motion, the
 13 governing body of the city or county, for the unincorporated
 14 areas, shall submit the motion to the county commissioner of
 15 elections and in the case of the governing body of the city
 16 shall notify the board of supervisors of the adoption of the
 17 motion. The county commissioner of elections shall keep a file
 18 on all the motions received and, upon reaching the population
 19 requirements, shall publish notice of the ballot proposition
 20 concerning the imposition of the local sales and services tax.
 21 A motion ceases to be valid at the time of the holding of the
 22 regular election for the election of members of the governing
 23 body ~~which~~ that adopted the motion. The county commissioner of
 24 elections shall eliminate from the file any motion that ceases
 25 to be valid.
 26 (2) In lieu of the motion requirements of subparagraph (1),

27 the question of the imposition of a local sales and services
 28 tax shall be submitted to the registered voters of a city
 29 located in a county that is a qualified county, or the portion
 30 thereof located in the county, or to the registered voters
 31 of the unincorporated area of a county that is a qualified

 16 Notwithstanding this subsection, the director shall provide
 17 for quarterly filing of returns and for other than quarterly
 18 filing of returns both as prescribed in section 423.31. The
 19 director may require all persons who are engaged in the
 20 business of deriving any sales price subject to tax under this
 21 chapter to register with the department. All taxes collected
 22 under this chapter by a retailer, lodging provider, lodging
 23 facilitator, lodging platform, or any individual other person

 8 the automobile provider has a tax permit under this chapter or
 9 chapter 423 or whether the automobile is owned by a natural
 10 person or by a business entity.
 11 b. The person or an affiliate of the person collects or

4 price of an automobile if the rental transaction is subject to
5 the sales and services tax under chapter 423, subchapter II, or
6 the use tax under chapter 423, subchapter III. The tax shall
7 not be imposed on any rental transaction not taxable under the

30 automobile provider that portion of the tax collected on the
31 rental price that represents the discount rental charge.

32 (b) No assessment shall be made against a rental facilitator
33 for tax due on a discount rental charge if the rental
34 facilitator collected the tax and remitted it to an automobile
35 provider that has a valid tax permit required under this

5 sales price that represents the discount rental charge directly
6 to the department.

7 (3) The rental facilitator shall remit any remaining tax it
8 collected to the department.

9 (4)(a) The automobile provider shall collect and remit
10 to the department any taxes the rental facilitator remitted to
11 the automobile provider, and shall collect and remit to the

 23 rental price and sales price of ten thousand dollars for an
 24 immediately preceding calendar year or a current calendar year,
 25 or in ten or fewer separate transactions for an immediately
 26 preceding calendar year or a current calendar year, the
 27 rental facilitator shall not be required to collect tax on the
 28 amount of sales price that represents the rental facilitator's
 29 facilitation fee.
 30 c.(1) If a transaction for the rental of an automobile
 31 involves a rental platform, other than a rental platform
 32 described in subparagraph (2), the rental platform shall
 33 collect and remit the tax imposed under this chapter in the
 34 same manner as an automobile provider under paragraph "a".
 35 (2) A rental platform is not required to collect and remit

PAGE 148

1 the tax imposed under this chapter in the same manner as an
 2 automobile provider under paragraph "a" if the rental platform
 3 meets all of the following requirements:
 4 (a) The only sales the rental platform and its affiliates
 5 facilitate that are subject to tax under chapter 423 are sales
 6 of a transportation service under section 423.2, subsection 6,
 7 paragraph "b)", or section 423.5, subsection 1, paragraph "e",

 9 which are registered for a gross weight of thirteen tons or

 21 is not required to collect and remit the tax under this chapter
 22 as provided under subparagraph (2), the automobile provider
 23 shall be solely liable for any amount of uncollected or
 24 unremitted tax under this chapter.

25 Sec. 110. Section 422.4, subsection 2, Code 2018, is amended
26 by striking the subsection.

27 Sec. 111. Section 422.4, subsection 16, Code 2018, is
28 amended by striking the subsection and inserting in lieu
29 thereof the following:

30 16. "*Taxable income*" means, in the case of individuals,
31 the net income as defined in section 422.7 minus the deduction

2 allowed by section 422.9, if available.

3 Sec. 112. Section 422.5, subsection 1, paragraph j,
4 subparagraph (2), subparagraph division (b), Code 2018, is
5 amended to read as follows:

6 (b) This subparagraph (2) shall not affect the amount of
7 the taxpayer's checkoffs under this division, the credits from
8 tax provided under this division, and the allocation of these
9 credits between spouses if the taxpayers filed separate returns
10 ~~or separately on combined returns.~~

11 Sec. 113. Section 422.5, subsection 2, Code 2018, is amended
12 by striking the subsection.

13 Sec. 114. Section 422.5, subsections 3 and 3B, Code 2018,
14 are amended to read as follows:

15 3.a. The tax shall not be imposed on a resident or
16 nonresident whose net income, as defined in section 422.7, is
17 thirteen thousand five hundred dollars or less in the case
18 of married persons filing jointly ~~or filing separately on a~~
19 ~~combined return~~, heads of household, and surviving spouses or
20 nine thousand dollars or less in the case of all other persons;
21 but in the event that the payment of tax under this division
22 would reduce the net income to less than thirteen thousand five
23 hundred dollars or nine thousand dollars as applicable, then
24 the tax shall be reduced to that amount which would result
25 in allowing the taxpayer to retain a net income of thirteen
26 thousand five hundred dollars or nine thousand dollars as
27 applicable. The preceding sentence does not apply to estates
28 or trusts. For the purpose of this subsection, the entire net
29 income, including any part of the net income not allocated
30 to Iowa, shall be taken into account. For purposes of this
31 subsection, net income includes all amounts of pensions or
32 other retirement income, except for military retirement pay
33 excluded under section 422.7, subsection 31A, paragraph "a",

PAGE 49

1 of the government pension exclusions in section 422.7, or any
2 other state law. In calculating net income for purposes of

6 taxable income under the Internal Revenue Code shall be added
7 back. If the combined net income of a husband and wife exceeds

10 whether they file a joint return or separate returns. However,

11 if a husband and wife file separate returns and have a combined
12 net income of thirteen thousand five hundred dollars or less,
13 neither spouse shall receive the benefit of this paragraph,
14 if one spouse has a net operating loss and elects to carry
15 back or carry forward the loss as provided under the Internal
16 Revenue Code or in section 422.9, ~~subsection 3~~. A person who
17 is claimed as a dependent by another person as defined in
18 section 422.12 shall not receive the benefit of this subsection

21 as applicable or the person claiming the dependent and the
22 person's spouse have combined net income exceeding thirteen
23 thousand five hundred dollars or nine thousand dollars as
24 applicable.

25 *b.* In lieu of the computation in subsection 1 ~~or 2~~, or in
26 paragraph "a" of this subsection, if the married persons',
27 ~~filing jointly or filing separately on a combined return,~~
28 head of household's, or surviving spouse's net income exceeds
29 thirteen thousand five hundred dollars, the regular tax imposed
30 under this division shall be the lesser of the maximum state
31 individual income tax rate times the portion of the net income
32 in excess of thirteen thousand five hundred dollars or the
33 regular tax liability computed without regard to this sentence.
34 Taxpayers electing to file separately shall compute the
35 alternate tax described in this paragraph using the total net

PAGE 50

1 income of the husband and wife. The alternate tax described
2 in this paragraph does not apply if one spouse elects to carry
3 back or carry forward ~~the a net operating~~ loss as provided
4 under the Internal Revenue Code or in section 422.9, ~~subsection~~
5 ~~3~~.

6 *3B.a.* The tax shall not be imposed on a resident or
7 nonresident who is at least sixty-five years old on December
8 31 of the tax year and whose net income, as defined in section
9 422.7, is thirty-two thousand dollars or less in the case
10 of married persons filing jointly ~~or filing separately on a~~
11 ~~combined return~~, heads of household, and surviving spouses or
12 twenty-four thousand dollars or less in the case of all other
13 persons; but in the event that the payment of tax under this
14 division would reduce the net income to less than thirty-two
15 thousand dollars or twenty-four thousand dollars as applicable,
16 then the tax shall be reduced to that amount which would result
17 in allowing the taxpayer to retain a net income of thirty-two
18 thousand dollars or twenty-four thousand dollars as applicable.
19 The preceding sentence does not apply to estates or trusts.
20 For the purpose of this subsection, the entire net income,
21 including any part of the net income not allocated to Iowa,
22 shall be taken into account. For purposes of this subsection,
23 net income includes all amounts of pensions or other retirement
24 income, except for military retirement pay excluded under

25 section 422.7, subsection 31A, paragraph “a”, or section 422.7,
26 subsection 31B, paragraph “a”, received from any source which is
27 not taxable under this division as a result of the government
28 pension exclusions in section 422.7, or any other state law.
29 In calculating net income for purposes of this subsection, any
30 amount of itemized or standard deduction, personal exemption
31 deduction, or qualified business income deduction that was
32 allowed as a deduction in computing federal taxable income
33 under the Internal Revenue Code shall be added back. If the
34 combined net income of a husband and wife exceeds thirty-two
35 thousand dollars, neither of them shall receive the benefit

PAGE 51

1 of this subsection, and it is immaterial whether they file a
2 joint return or separate returns. However, if a husband and
3 wife file separate returns and have a combined net income of
4 thirty-two thousand dollars or less, neither spouse shall
5 receive the benefit of this paragraph, if one spouse has a net
6 operating loss and elects to carry back or carry forward the
7 loss as provided under the Internal Revenue Code or in section
8 ~~422.9, subsection 3.~~ A person who is claimed as a dependent by
9 another person as defined in section 422.12 shall not receive
10 the benefit of this subsection if the person claiming the
11 dependent has net income exceeding thirty-two thousand dollars
12 or twenty-four thousand dollars as applicable or the person
13 claiming the dependent and the person’s spouse have combined
14 net income exceeding thirty-two thousand dollars or twenty-four
15 thousand dollars as applicable.

16 b. In lieu of the computation in subsection 1, ~~2,~~ or 3, if
17 the married persons’, filing jointly ~~or filing separately on~~
18 ~~a combined return,~~ head of household’s, or surviving spouse’s
19 net income exceeds thirty-two thousand dollars, the regular
20 tax imposed under this division shall be the lesser of the
21 maximum state individual income tax rate times the portion of
22 the net income in excess of thirty-two thousand dollars or the
23 regular tax liability computed without regard to this sentence.
24 Taxpayers electing to file separately shall compute the
25 alternate tax described in this paragraph using the total net
26 income of the husband and wife. The alternate tax described
27 in this paragraph does not apply if one spouse elects to carry
28 back or carry forward the a net operating loss as provided
29 under the Internal Revenue Code or in section 422.9, ~~subsection~~
30 ~~3.~~

31 c. This subsection applies even though one spouse has not

11 Where married persons who have filed a joint federal income
12 tax return file separately for state tax purposes, such total

27 income resulting from the employer's payment of interest on a
28 qualified education loan that was also deducted by the taxpayer
29 under section 221 of the Internal Revenue Code.

30 c. For purposes of this subsection, "*qualified education*

11 (4)(a) "*Real property used in a farming business*" means all
12 tracts of land and the improvements and structures located on
13 them which are in good faith used primarily for agricultural
14 purposes except buildings which are primarily used or intended
15 for human habitation. Land and the nonresidential improvements
16 and structures located on it shall be considered to be used
17 primarily for agricultural purposes if its principal use is
18 devoted to the raising and harvesting of crops or forest or
19 fruit trees, the rearing, feeding, and management of livestock,
20 or horticulture, all for intended profit. Woodland, wasteland,
21 and pastureland shall qualify but only if such land is held or

24 (b) Real property classified as agricultural property for
25 Iowa property tax purposes, except real property described
26 in section 441.21, subsection 12, paragraphs "a" or "b",
27 shall be presumed to be real property used in a farming
28 business. This presumption is rebuttable by the department by
29 a preponderance of evidence that the real property did not meet
30 the requirements of subparagraph division (a).

31 (5) "*Relative*" means an individual that satisfies one or
32 more of the following conditions:

33 (a) The individual is related to the taxpayer by

17 a relative of the taxpayer.

18 c.(1) If the relative to whom the taxpayer sold the
19 real property used in a farming business that qualified
20 for the deduction in this subsection subsequently sells or
21 otherwise transfers all or part of said real property to a
22 person who is not a relative of the taxpayer within five years
23 of the original sale, the subsequent sale or transfer shall
24 be considered prima facie evidence that the original sale
25 was entered into by the taxpayer primarily to obtain the tax
26 benefits provided in this subsection, and the deduction under
27 this subsection for the original sale shall be disallowed for
28 the taxpayer with respect to that real property subsequently
29 sold or transferred by the relative.

30 (2) The prima facie determination in subparagraph (1) may be
31 rebutted by the taxpayer by a preponderance of evidence showing
32 that at the time of the original sale by the taxpayer of the
33 real property used in a farming business, all of the following
34 conditions were satisfied:

35 (a) The taxpayer had a substantial purpose for entering into

PAGE 57

1 the sale transaction apart from the state tax benefits.

2 (b) The taxpayer did not intend that the real property would
3 subsequently be sold or transferred to a person who is not a
4 relative of the taxpayer.

5 (c) The taxpayer had no actual or constructive knowledge of
6 the buyer's intent to subsequently sell or transfer the real
7 property to a person who is not a relative of the taxpayer.

8 (3) Notwithstanding section 422.25, subsection 1, paragraph
9 "a", the period of limitation for examination and determination
10 of tax with regard to the deduction provided in this subsection
11 shall be one of the following dates, whichever occurs later:

12 (a) The date which is three years after the date that the
13 return upon which the deduction in this subsection is claimed
14 is filed.

15 (b) The date which is three years after the date that the
16 return upon which the deduction in this subsection is claimed

17 is due, including any extensions.

18 (c) The date which is six years after the date of the sale
19 of the real property used in a farming business for which the
20 deduction in this subsection is claimed.

21 *d.* To the extent otherwise allowed, the deduction provided
22 in this subsection is not allowed for purposes of computing the
23 income for the taxable year or years for which a net operating
24 loss is deducted under the Internal Revenue Code or under
25 subsection 422.9.

26 Sec. 122. Section 422.7, subsection 29, Code 2018, is
27 amended to read as follows:

5 income received from any source which is not taxable under this
6 division, including but not limited to amounts deductible under
7 subsections 13, 31, 31A, and 31B.

8 (2) Add back any amount of itemized or standard deduction,
9 personal exemption deduction, or qualified business income
10 deduction that was allowed as a deduction from federal adjusted
11 gross income in computing federal taxable income under the
12 Internal Revenue Code.

13 Sec. 123. Section 422.7, subsection 31, Code 2018, is
14 amended to read as follows:

15 31. For a person who is disabled, or is fifty-five years of
16 age or older, or is the surviving spouse of an individual or
17 a survivor having an insurable interest in an individual who
18 would have qualified for the exemption under this subsection
19 for the tax year, subtract, to the extent included, the
20 total amount of a governmental or other pension or retirement
21 pay, including, but not limited to, defined benefit or
22 defined contribution plans, annuities, individual retirement
23 accounts, plans maintained or contributed to by an employer,
24 or maintained or contributed to by a self-employed person as

30 and wife who file a joint state income tax return. However, a

31 surviving spouse who is not disabled or fifty-five years of age

 34 husband and wife filing separate state income tax returns ~~or~~
 35 ~~separately on a combined state return~~ are allowed a combined

PAGE 59

1 maximum exclusion under this subsection of up to twelve
 2 thousand dollars. The twelve thousand dollar exclusion shall
 3 be allocated to the husband or wife in the proportion that each
 4 spouse's respective pension and retirement pay received bears
 5 to total combined pension and retirement pay received.

6 Sec. 124. Section 422.7, subsection 41, Code 2018, is
 7 amended by adding the following new paragraph:
 8 NEW PARAGRAPH. *Oe.* Add, to the extent deducted for
 9 federal tax purposes, interest, taxes, and other miscellaneous
 10 expenses to the extent such amounts are eligible home costs

27 service.
28 (v) Provides a virtual currency that purchasers are allowed
29 or required to use to purchase tangible personal property,

1 (3) A “*rental platform*”, as defined in section 423C.2, that
2 meets the requirements described in section 423C.3, subsection
3 3, paragraph “c”, subparagraph (2), shall not be considered
4 a “*marketplace facilitator*” with respect to any sale of a
5 transportation service under section 423.2, subsection 6,
6 paragraph “bf”, or section 423.5, subsection 1, paragraph “e”,
7 consisting of the rental of vehicles subject to registration
8 which are registered for a gross weight of thirteen tons or
9 less for a period of sixty days or less.

10 c. “*Marketplace seller*” means any of the following:

11 (1) A seller that makes retail sales through any physical
12 or electronic marketplace owned, operated, or controlled by a
13 marketplace facilitator, even if such seller would not have
14 been required to collect and remit sales and use tax had the
15 sale not been made through such marketplace.

16 (2) A seller that makes retail sales resulting from a
17 referral by a referrer, even if such seller would not have been
18 required to collect and remit sales and use tax had the sale
19 not been made through such referrer.

20 2. In addition to and not in lieu of any application of
21 this chapter to sellers who are retailers and sellers who are
22 retailers maintaining a place of business in this state, any
23 person described in subsection 3, or the person’s agents,
24 shall be considered a retailer in this state and a retailer
25 maintaining a place of business in this state for purposes of
26 this chapter on or after January 1, 2019, and shall be subject
27 to all requirements of this chapter imposed on retailers and
28 retailers maintaining a place of business in this state,
29 including but not limited to the requirement to collect and
30 remit sales and use taxes pursuant to sections 423.14 and
31 423.29, and local option taxes under chapter 423B.

34 immediately preceding calendar year or a current calendar year.

35 b. A retailer that makes Iowa sales in two hundred or more

PAGE 105

1 separate transactions for an immediately preceding calendar
2 year or a current calendar year.

3 c.(1) A retailer that owns, licenses, or uses software
4 or data files that are installed or stored on property used
5 in this state. For purposes of this subparagraph, “*software*
6 or *data files*” include but are not limited to software that is

- 7 affirmatively downloaded by a user, software that is downloaded
8 as a result of the use of a website, preloaded software, and
9 cookies.
- 10 (2) A retailer that uses in-state software to make Iowa
11 sales. For purposes of this subparagraph, "*in-state software*"
12 means computer software that is installed or stored on property
13 located in this state or that is distributed within this state
14 for the purpose of facilitating a sale by the retailer.
- 15 (3) A retailer that provides, or enters into an agreement
16 with another person to provide, a content distribution network
17 in this state to facilitate, accelerate, or enhance the
18 delivery of the retailer's internet site to purchasers. For
19 purposes of this subparagraph, "*content distribution network*"
20 means a system of distributed servers that deliver internet
21 sites and other internet content to a user based on the
22 geographic location of the user, the origin of the internet
23 site or internet content, and a content delivery server.
- 24 (4) This paragraph "c" shall not apply to a retailer that
25 has gross revenue from Iowa sales of less than one hundred
26 thousand dollars for an immediately preceding calendar year or
27 a current calendar year.
- 28 d.(1) A marketplace facilitator that makes or facilitates
29 Iowa sales on its own behalf or for one or more marketplace
30 sellers equal to or exceeding one hundred thousand dollars,
31 or in two hundred or more separate transactions, for an
32 immediately preceding calendar year or a current calendar year.
- 33 (2) A marketplace facilitator shall collect sales and
34 use tax on the entire sales price or purchase price paid by
35 a purchaser on each Iowa sale subject to sales and use tax

PAGE 106

- 1 that is made or facilitated by the marketplace facilitator,
2 regardless of whether the marketplace seller for whom an Iowa
3 sale is made or facilitated has or is required to have a
4 retail sales tax permit or would have been required to collect
5 sales and use tax had the sale not been facilitated by the
6 marketplace facilitator, and regardless of the amount of the
7 sales price or purchase price that will ultimately accrue
8 to or benefit the marketplace facilitator, the marketplace
9 seller, or any other person. This sales and use tax collection
10 responsibility of a marketplace facilitator applies but shall
11 not be limited to sales facilitated through a computer software
12 application, commonly referred to as in-app purchases, or
13 through another specified digital product.
- 14 (3) A marketplace facilitator shall be relieved of
15 liability under this paragraph "d" for failure to collect and
16 remit sales and use tax on an Iowa sale made or facilitated for
17 a marketplace seller under the following circumstances and up
18 to the amounts permitted under the following circumstances:
- 19 (a) If the marketplace facilitator demonstrates to the
20 satisfaction of the department that the marketplace facilitator

21 has made a reasonable effort to obtain accurate information
22 from the marketplace seller about a retail sale and that
23 the failure to collect and remit the correct tax was due to
24 incorrect information provided to the marketplace facilitator
25 by the marketplace seller, then the marketplace facilitator
26 shall be relieved of liability for that retail sale. This
27 subparagraph division does not apply with regard to a retail
28 sale for which the marketplace facilitator is the seller or if
29 the marketplace facilitator and the seller are affiliates. For
30 Iowa sales for which a marketplace facilitator is relieved of
31 liability under this subparagraph division, the marketplace
32 seller and purchaser are liable for any amount of uncollected,
33 unpaid, or unremitted tax.
34 (b)(i) Subject to the limitation in subparagraph
35 subdivision (ii), if the marketplace facilitator demonstrates

PAGE 107

1 to the satisfaction of the department that the Iowa sale was
2 made or facilitated for a marketplace seller prior to January
3 1, 2026, through a marketplace of the marketplace facilitator,
4 that the marketplace facilitator is not the seller and that
5 the marketplace facilitator and the seller are not affiliates,
6 and that the failure to collect sales and use tax was due to
7 an error other than an error in sourcing the sale. To the
8 extent that a marketplace facilitator is relieved of liability
9 for collection of sales and use tax under this subparagraph
10 division, the marketplace seller for whom the marketplace
11 facilitator has made or facilitated the Iowa sale is also
12 relieved of liability. The department may determine the manner
13 in which a marketplace facilitator or marketplace seller shall
14 claim the liability relief provided in this subparagraph
15 division.
16 (ii) The liability relief provided in subparagraph
17 subdivision (i) shall not exceed the following percentage
18 of the total sales and use tax due on Iowa sales made or
19 facilitated by a marketplace facilitator for marketplace
20 sellers and sourced to this state during a calendar year,
21 which Iowa sales shall not include sales by the marketplace
22 facilitator or affiliates of the marketplace facilitator:
23 (A) For Iowa sales made or facilitated during the 2019
24 calendar year, ten percent.
25 (B) For Iowa sales made or facilitated during calendar years
26 2020 through 2024, five percent.
27 (C) For Iowa sales made or facilitated during the 2025
28 calendar year, three percent.
29 (c) Nothing in this subparagraph (3) shall be construed to
30 relieve any person of liability for collecting but failing to
31 remit to the department sales and use tax.
32 (d) A marketplace facilitator is deemed to be an agent
33 of any marketplace seller making retail sales through a
34 marketplace of the marketplace facilitator.

35 e.(1) A referrer if, for any immediately preceding

PAGE 108

- 1 calendar year or a current calendar year, one hundred thousand
2 dollars or more in Iowa sales or two hundred or more separate
3 Iowa sales transactions result from referrals from a platform
4 of the referrer. A referrer is not required to collect and
5 remit sales and use tax pursuant to this paragraph if the
6 referrer does all of the following:
- 7 (a) The referrer posts a conspicuous notice on each platform
8 of the referrer that includes all of the following:
 - 9 (i) A statement that sales or use tax is due on certain
10 purchases.
 - 11 (ii) A statement that the marketplace seller from whom the
12 person is purchasing on the platform may or may not collect and
13 remit sales and use tax on a purchase.
 - 14 (iii) A statement that Iowa requires the purchaser to pay
15 sales or use tax and file sales or use tax returns if sales
16 or use tax is not collected at the time of the sale by the
17 marketplace seller.
 - 18 (iv) Information informing the purchaser that the notice is
19 provided under the requirements of this subparagraph.
 - 20 (v) Instructions for obtaining additional information from
21 the department regarding whether and how to remit sales and use
22 tax to the state of Iowa.
 - 23 (b) The referrer provides a monthly notice to each
24 marketplace seller to whom the referrer made a referral of a
25 potential customer located in Iowa during the previous calendar
26 year, which monthly notice shall contain all of the following:
 - 27 (i) A statement that Iowa imposes a sales or use tax on Iowa
28 sales.
 - 29 (ii) A statement that a marketplace facilitator or other
30 retailer making Iowa sales must collect and remit sales and use
31 tax.
 - 32 (iii) Instructions for obtaining additional information
33 from the department regarding the collection and remittance of
34 Iowa sales and use tax.
 - 35 (c) The referrer provides the department with monthly

PAGE 109

- 1 reports in an electronic format and in the manner prescribed
2 by the department, which monthly reports contain all of the
3 following:
- 4 (i) A list of marketplace sellers who received the
5 referrer's notice under subparagraph division (b).
 - 6 (ii) A list of marketplace sellers that collect and
7 remit Iowa sales and use tax and that list or advertise the
8 marketplace seller's products for sale on a platform of the
9 referrer.
 - 10 (iii) An affidavit signed under penalty of perjury from

11 an officer of the referrer affirming that the referrer made
12 reasonable efforts to comply with the applicable sales and use
13 tax notice and reporting requirements of this subparagraph.

14 (2) A referrer is deemed to be an agent of any marketplace
15 seller making retail sales resulting from a referral of the
16 referrer.

17 (3) For purposes of this paragraph:

18 (a) *“Platform”* means an electronic or physical medium,
19 including but not limited to an internet site or catalog, that
20 is owned, operated, or controlled by a referrer.

21 (b) *“Referral”* means the transfer through telephone,
22 internet link, or other means by a referrer of a potential
23 customer to a retailer or seller who advertises or lists
24 products for sale on a platform of the referrer.

25 (c)(i) *“Referrer”* means a person who does all of the
26 following:

27 (A) Contracts or otherwise agrees with a retailer, seller,
28 or marketplace facilitator to list or advertise for sale a
29 product of the retailer, seller, or marketplace facilitator on
30 a platform, provided such listing or advertisement identifies
31 whether or not the retailer, seller, or marketplace facilitator
32 collects sales and use tax.

33 (B) Receives a commission, fee, or other consideration
34 from the retailer, seller, or marketplace facilitator for the
35 listing or advertisement.

PAGE 110

1 (C) Provides referrals to a retailer, seller, or
2 marketplace facilitator, or an affiliate of a retailer, seller,
3 or marketplace facilitator.

4 (D) Does not collect money or other consideration from the
5 customer for the transaction.

6 (ii) *“Referrer”* does not include any of the following:

7 (A) A person primarily engaged in the business of printing
8 or publishing a newspaper.

9 (B) A person who does not provide the retailer’s, seller’s,
10 or marketplace facilitator’s shipping terms and who does
11 not advertise whether a retailer, seller, or marketplace
12 facilitator collects sales or use tax.

13 (4) This paragraph only applies to referrals by a referrer
14 and shall not preclude the applicability of other provisions
15 of this section to a person who is a referrer and is also a
16 retailer, a marketplace facilitator, or a marketplace seller.

17 f.(1) A retailer that makes Iowa sales through the use of
18 a solicitor. For purposes of this paragraph, *“solicitor”* means
19 a person that directly or indirectly solicits business for a
20 retailer.

21 (2)(a) A retailer is deemed to have a solicitor in
22 this state if the retailer enters into an agreement with a
23 resident under which the resident, for a commission, fee, or
24 other similar consideration, directly or indirectly refers

25 potential customers, whether by link on an internet site,
26 or otherwise, to the retailer. This determination may be
27 rebutted by a showing of proof that the resident with whom the
28 retailer has an agreement did not engage in any solicitation
29 in this state on behalf of the retailer that would satisfy the
30 nexus requirement of the United States Constitution during the
31 calendar year in question.

32 (b) This subparagraph (2) shall not apply to a retailer that
33 has Iowa gross revenue from Iowa sales of ten thousand dollars
34 or less for an immediately preceding calendar year or a current
35 calendar year.

PAGE 111

1 (c) For purposes of this subparagraph (2):

2 (i) "*Iowa gross revenue*" means gross revenue from Iowa
3 sales to purchasers who were referred to the retailer by all
4 solicitors who are residents.

5 (ii) "*Resident*" includes an individual who is a resident
6 of this state, as defined in section 422.4, and any business
7 that owns any tangible or intangible property with a situs in
8 this state, or that has one or more employees performing or
9 providing services for the business in this state.

10 (d) This paragraph "*f*" does not apply to chapter 422 and
11 does not expand or contract the state's jurisdiction to tax a
12 trade or business under chapter 422.

13 g. A retailer that owns, controls, rents, licenses, makes
14 available, or uses any tangible or intangible property in this
15 state or with a situs in this state, to make or otherwise
16 facilitate a retail sale.

17 h.(1) Any person that enters into a contract or agreement
18 with a governmental entity, including but not limited to
19 contracts for the provision of financial assistance or
20 incentives such as a tax credit, forgivable loan, grant, tax
21 rebate, or any other thing of value. For purposes of this
22 subparagraph, "*governmental entity*" means any unit of government
23 in the executive, legislative, or judicial branch, or any
24 political subdivision of the state, including but not limited
25 to a city, county, township, or school district.

26 (2) Every bid submitted and each contract or agreement
27 executed by a state agency shall contain a certification by
28 the bidder or contractor stating that the bidder or contractor
29 is registered with the department pursuant to this chapter
30 and will collect and remit Iowa sales and use tax due under
31 this chapter. In the certification, the bidder or contractor
32 shall also acknowledge that the state agency may declare the
33 contractor or bid void if the certification is false or becomes
34 false. Fraudulent certification, by act or omission, may
35 result in the state agency or its representative filing for

PAGE 112

1 damages for breach of contract.

2 *i.* Any affiliate of any person that is required to collect
3 and remit sales and use tax under this chapter, provided the
4 affiliate makes retail sales.

5 Sec. 212. NEW SECTION. 423.14B Sales and use tax reporting
6 **requirements — penalties.**

7 1. For purposes of this section, “*Iowa sales*” and
8 “*marketplace facilitator*” all mean the same as defined in
9 section 423.14A.

10 2. The department may, in its discretion, adopt rules
11 pursuant to chapter 17A establishing and imposing notice and
12 reporting requirements related to Iowa sales for retailers,
13 including but not limited to marketplace facilitators,
14 who do not collect and remit sales and use tax under this
15 chapter. The rules may include but are not limited to rules
16 requiring retailers, including but not limited to marketplace
17 facilitators, to do any of the following:

18 *a.* Notify purchasers at the time of an Iowa sales
19 transaction of sales and use tax obligations under this
20 chapter.

21 *b.* Provide purchasers with periodic reports of purchases
22 that are Iowa sales.

23 *c.* Provide the department with annual reports that include
24 but are not limited to information relating to purchases,
25 purchasers, and Iowa sales.

26 *3.a.* The department may adopt rules pursuant to chapter
27 17A establishing and imposing penalties as described in and
28 subject to the dollar limitations of paragraph “*b*”, provided
29 that any such penalty shall include a procedure for waiver
30 of the penalty upon a showing of reasonable cause for such
31 failure.

32 *b.(1)* The department may impose penalties for failure to
33 provide a notification to a purchaser in the manner and form
34 prescribed by the department by rule. Such penalties shall not
35 exceed five dollars for each failure.

PAGE 113

1 (2) The department may impose penalties for failure to
2 provide a purchaser with a periodic report of purchases in the
3 manner and form prescribed by the department by rule. Such
4 penalties shall not exceed ten dollars for each failure.

5 (3) The department may impose penalties for failure to
6 provide the department with an annual report in the manner
7 and form prescribed by the department. Such penalties shall
8 not exceed an amount per annual report equal to ten dollars
9 multiplied by the number of purchasers for whom information
10 should have been but was not included in the annual report.

11 Sec. 213. Section 423.15, unnumbered paragraph 1, Code
12 2018, is amended to read as follows:

13 All sales of ~~products~~ tangible personal property, services,

14 or specified digital products, except those sales enumerated
 15 in section 423.16, shall be sourced according to this section
 16 by sellers obligated to collect Iowa sales and use tax. The
 17 sourcing rules described in this section apply to sales of
 18 tangible personal property, specified digital goods products,
 19 and all services other than telecommunications services. This
 20 section only applies to determine a seller's obligation to pay
 21 or collect and remit a Iowa sales or use tax with respect to
 22 the seller's sale of a product. This section does not affect
 23 the obligation of a purchaser or lessee to remit tax on the use
 24 of the product to the taxing jurisdictions in which the use
 25 occurs. A seller's obligation to collect Iowa sales tax or
 26 Iowa use tax only occurs if the sale is sourced to this state.
 27 ~~Whether Iowa sales tax applies to a sale sourced to Iowa shall~~
 28 ~~be determined based on the location at which the sale is~~
 29 ~~consummated by delivery or, in the case of a service, where the~~
 30 ~~first use of the service occurs made by a seller subject to~~
 31 section 423.1, subsection 48, or section 423.14A.
 32 Sec. 214. Section 423.15, subsection 1, paragraph e, Code
 33 2018, is amended to read as follows:
 34 e. When paragraphs "a", "b", "c", and "d" do not apply,
 35 including the circumstance where the seller is without

PAGE 114

1 sufficient information to apply the previous rules, then the
 2 location will be determined by the address from which tangible
 3 personal property was shipped, from which the specified digital
 4 good product or the computer software delivered electronically
 5 was first available for transmission by the seller, or from
 6 which the service was provided disregarding for these purposes
 7 any location that merely provided the digital transfer of the
 8 product sold.

9 Sec. 215. Section 423.22, Code 2018, is amended to read as
 10 follows:

11 **423.22 Taxation in another state.**

12 If any person who causes tangible personal property or
 13 specified digital products to be brought into this state or
 14 who uses in this state services enumerated in section 423.2
 15 has already paid a tax in another state in respect to the sale
 16 or use of the property or the performance of the service, or
 17 an occupation tax in respect to the property or service, in
 18 an amount less than the tax imposed by subchapter II or III,
 19 the provisions of those subchapters shall apply, but at a rate
 20 measured by the difference only between the rate fixed by
 21 subchapter II or III and the rate by which the previous tax on
 22 the sale or use, or the occupation tax, was computed. If the
 23 tax imposed and paid in the other state is equal to or more than
 24 the tax imposed by those subchapters, then a tax is not due in
 25 this state on the personal property or service.

26 Sec. 216. Section 423.29, subsection 1, Code 2018, is
 27 amended to read as follows:

28 1. Every seller who is a retailer and who is making taxable

29 sales of tangible personal property or specified digital
 30 products in Iowa shall, at the time of ~~selling the property~~
 31 making the sale, collect the sales tax. Every seller who
 32 is a retailer ~~maintaining a place of business in this state~~
 33 that is not otherwise required to collect sales tax under the
 34 provisions of this chapter and who is selling tangible personal
 35 property or specified digital products for use in Iowa shall,

PAGE 115

1 at the time of making the sale, whether within or without the
 2 state, collect the use tax. Sellers required to collect sales
 3 or use tax shall give to any purchaser a receipt for the tax
 4 collected in the manner and form prescribed by the director.
 5 Sec. 217. Section 423.30, subsection 1, Code 2018, is
 6 amended to read as follows:
 7 1. The director may, upon application, authorize the
 8 collection of the use tax by any seller who is a retailer not
 9 maintaining a place of business within this state and not
 10 registered under the agreement, who, to the satisfaction of
 11 the director, furnishes adequate security to ensure collection
 12 and payment of the tax. Such sellers shall be issued, without
 13 charge, permits to collect tax subject to any regulations
 14 which the director shall prescribe. When so authorized, it
 15 shall be the duty of foreign sellers to collect the tax upon
 16 all tangible personal property and specified digital products
 17 sold, to the retailer's knowledge, for use within this state,
 18 in the same manner and subject to the same requirements as a
 19 retailer maintaining a place of business within this state.
 20 The authority and permit may be canceled when, at any time, the
 21 director considers the security inadequate, or that tax can
 22 more effectively be collected from the person using property
 23 in this state.
 24 Sec. 218. Section 423.31, subsection 1, Code 2018, is
 25 amended to read as follows:
 26 1. Each person subject to this section and section 423.36
 27 and in accordance with the provisions of this section and
 28 section 423.36 shall, on or before the last day of the month
 29 following the close of each calendar quarter during which
 30 such person is or has become or ceased being subject to the
 31 provisions of this section and section 423.36, make, sign, and
 32 file a return for the calendar quarter in the form as may be
 33 required. Returns shall show information relating to sales
 34 prices including ~~goods, wares,~~ tangible personal property,
 35 specified digital products, and services converted to the

PAGE 116

1 use of such person, the amounts of sales prices excluded and
 2 exempt from the tax, the amounts of sales prices subject to
 3 tax, a calculation of tax due, and any other information for
 4 the period covered by the return as may be required. Returns

5 shall be signed by the retailer or the retailer's authorized
6 agent and must be certified by the retailer to be correct in
7 accordance with forms and rules prescribed by the director.

8 Sec. 219. Section 423.31, subsection 5, paragraph a, Code
9 2018, is amended to read as follows:

10 a. Upon making application and receiving approval from
11 the director, a ~~parent corporation person~~ and its ~~affiliated~~
12 ~~corporations affiliates~~ that make retail sales of tangible
13 personal property, specified digital products, or taxable
14 enumerated services may make deposits and file a consolidated
15 sales tax return for the affiliated group, pursuant to rules
16 adopted by the director. A ~~parent corporation person~~ and each

15 of the department may examine the books, papers, records,
16 and equipment of any person ~~either~~ selling tangible personal
17 property, specified digital products, or services or liable
18 for the tax imposed by this chapter, and investigate the
19 character of the business of any person in order to verify

21 by the person, ascertain and determine the amount due under
22 this chapter. These books, papers, and records shall be made

2 retailers in properly accounting for nontaxable sales of
3 tangible personal property, specified digital products,
4 or services to purchasers for a nontaxable purpose. The
5 department shall also allow the use of exemption certificates
6 for those circumstances in which a sale is taxable but the
7 seller is not obligated to collect tax from the buyer.
8 b. The sales tax liability for all sales of tangible

12 stating under penalty of perjury that the purchase is for a
13 nontaxable purpose and is not a retail sale as defined in
14 section 423.1, or the seller is not obligated to collect tax
15 due, or unless the seller takes a fuel exemption certificate
16 pursuant to subsection 5. If the tangible personal property,
17 specified digital products, or services are purchased tax free
18 pursuant to a valid exemption certificate and the tangible

21 purchaser is solely liable for the taxes and shall remit the
22 taxes directly to the department and sections 423.31, 423.32,
23 423.37, 423.38, 423.39, 423.40, 423.41, and 423.42 shall apply

25 e. If the circumstances change and as a result the tangible
26 personal property, specified digital products, or services are
27 used or disposed of by the purchaser in a nonexempt manner or
28 the purchaser becomes obligated to pay the tax, the purchaser
29 is liable solely for the taxes and shall remit the taxes
30 directly to the department in accordance with this subsection.

 35 subparagraph (3), Code 2018, is amended to read as follows:

PAGE 127

1 (3) The tax once imposed shall continue to be imposed until
 2 the county-imposed tax is ~~reduced or increased in rate or~~

3 repealed, and then the city-imposed tax shall also be reduced
 4 or increased in rate or repealed in the same amount and be
 5 effective on the same date.

6 Sec. 241. Section 423B.1, subsections 3, 4, and 5, Code
 7 2018, are amended to read as follows:

8 3.a. A local option tax shall be imposed only after an
 9 election at which If a majority of those voting on the question
 10 of imposition of a local option tax favors imposition and, the
 11 local option tax shall then be imposed at the rate specified
 12 on the ballot until repealed as provided in subsection 6;
 13 paragraph “a” this chapter.

14 b. If the tax is a local vehicle tax imposed by a county,

17 c. (1) If the tax is a local sales and services tax
 18 imposed by a county, it shall only apply to those incorporated
 19 areas and the unincorporated area of that county in which a
 20 majority of those voting in the area on the tax favors its
 21 imposition. For purposes of the local sales and services tax,
 22 all cities contiguous to each other shall be treated as part of
 23 one incorporated area and the tax would be imposed in each of

 35 purposes of the local sales and services tax, a city is not

1 contiguous to another city if the only road access between the
 2 two cities is through another state.

3 (2) The treatment of contiguous cities as one incorporated
 4 area for the purpose of determining whether a majority of those
 5 voting favors imposition does not apply to elections on the
 6 question of imposition of a local sales and services tax in
 7 all or a portion of a county that is a qualified county if the
 8 election occurs on or after January 1, 2019. For purposes
 9 of this chapter, “qualified county” means a county with a
 10 population in excess of four hundred thousand, a county with

 20 receipt of a petition; requesting imposition of a local vehicle
 21 tax ~~or a local sales and services tax~~, signed by eligible
 22 electors of the whole county equal in number to five percent of
 23 the persons in the whole county who voted at the last preceding
 24 general election. ~~In the case of a local vehicle tax, the~~ The

 27 one valid petition is received, the earliest received petition
 28 shall be used.

29 (2) The county board of supervisors shall direct within
 30 thirty days the county commissioner of elections to submit the
 31 question of imposition of a local sales and services tax to the

 2 general election. If more than one valid petition is received,
 3 the earliest received petition shall be used.

4 (3) In lieu of the petition requirement of subparagraph
 5 (2), the county board of supervisors for a county that is a
 6 qualified county shall direct within thirty days the county

 34 were retail sales taxes within the meaning of those statutes.
 35 Notwithstanding this subsection, the director shall provide

PAGE 144

1 for quarterly filing of returns and for other than quarterly
 2 filing of returns both as prescribed in section 423.31. The

15 involves a rental platform, other than a rental platform
16 described in subparagraph (2), the rental platform shall
17 collect and remit the tax imposed under this chapter in the
18 same manner as an automobile provider under paragraph "a".

19 (2) A rental platform is not required to collect and remit
20 the tax imposed under this chapter in the same manner as an
21 automobile provider under paragraph "a" if the rental platform
22 meets all of the following requirements:

5 is not required to collect and remit the tax under this chapter
6 as provided under subparagraph (2), the automobile provider
7 shall be solely liable for any amount of uncollected or
8 unremitted tax under this chapter.

22 1. For the purposes of this section, unless the context
 23 otherwise requires:

24 a. *“County of residence”* means the county in this state in
 25 which, at the time a person applies for or receives services,

 12 regional administrator that cannot be resolved informally,

13 the appeal shall be heard in a contested case proceeding by a
14 state administrative law judge. The administrative law judge's
15 decision shall be considered final agency action under chapter
16 17A.

17 3. If a service authorization or other services-related
18 decision made by a regional administrator concerning a person
19 varies from the type and amount of service identified to be
20 necessary for the person in a clinical determination made by a
21 mental health professional and the mental health professional
22 believes that failure to provide the type and amount of service
23 identified could cause an immediate danger to the person's
24 health or safety, the person may request an expedited review
25 of the regional administrator's decision to be made by the
26 department of human services. An expedited review held in
27 accordance with this subsection is subject to the following
28 procedures:

29 a. The request for the expedited review shall be filed
30 within five business days of receiving the notice of decision
31 by the regional administrator. The request must be in writing,
32 plainly state the request for an expedited review in the
33 caption and body of the request, and be supported by written
34 documentation from the mental health professional who made the

5 division of mental health and disability services of the
6 department of human services or the administrator's designee.
7 If the administrator is not a mental health professional,
8 the expedited review shall be performed by a designee of the
9 administrator who is a mental health professional and is free
10 of any conflict of interest to perform the expedited review.
11 The expedited review shall be performed within two business
12 days of the time the request is filed. If the reviewer
13 determines the information submitted in connection with the
14 request is inadequate to perform the review, the reviewer shall
15 request the submission of additional information and the review
16 shall be performed within two business days of the time that
17 adequate information is submitted. The regional administrator
18 and the person, with the assistance of the mental health
19 professional who made the clinical determination, shall each
20 provide a brief statement of facts, conclusions, and reasons
21 for the decision made. Supporting clinical information shall
22 also be attached. All information related to the proceedings
23 and any related filings shall be considered to be mental health
24 information subject to chapter 228.

25 c. The administrator or designee shall issue an order,
26 including a brief statement of findings of fact, conclusions of

27 law, and policy reasons for the order, to justify the decision
 28 made concerning the expedited review. If the decision concurs
 29 with the contention that there is an immediate danger to the
 30 person's health or safety, the order shall identify the type
 31 and amount of service which shall be provided for the person.
 32 The administrator or designee shall give such notice as is
 33 practicable to persons who are required to comply with the
 34 order. The order is effective when issued.

 2 review in accordance with section 17A.19. The record for
 3 judicial review consists of any documents regarding the matter
 4 that were considered or prepared by the administrator or
 5 designee. The administrator or designee shall maintain these
 6 documents as the official record of the decision. If the
 7 matter is appealed to the district court, the record shall be
 8 filed as confidential.

9 4. If a county of residence is part of a mental health and
 10 disability services region that has agreed to pool funding and
 11 liability for services, the responsibilities of the county
 12 under law regarding such services shall be performed on behalf
 13 of the county by the regional administrator. The county of
 14 residence or the county's mental health and disability services
 15 region, as applicable, is responsible for paying the public
 16 costs of the mental health and disability services that are
 17 not covered by the medical assistance program under chapter
 18 249A and are provided in accordance with the region's approved
 19 service management plan to persons who are residents of the
 20 county or region.

21 5.a. The dispute resolution process implemented in
 22 accordance with this subsection applies to residency disputes.

 29 receives a billing for services provided to a resident
 30 in another county or region, or objects to a residency
 31 determination certified by the department or another county's
 32 or region's regional administrator and asserts either that the
 33 person has residency in another county or region or the person
 34 is not a resident of this state or the person's residency is
 35 unknown so that the person is deemed a state case, the person's

PAGE 68

1 residency status shall be determined as provided in this
 2 subsection. ~~The county or region shall notify the department~~

3 ~~of the county's or region's assertion within one hundred twenty~~

 18 date of notification, on motion of any of the parties, the
 19 matter shall be referred to the department of inspections and

 27 or subsequent judicial review is liable for costs associated
 28 with the proceeding, including reimbursement of the department
 29 of inspections and appeals' actual costs associated with
 30 the administrative proceeding. Judicial review of the
 31 determination may be sought in accordance with section 17A.19.

32 (2) If following the determination of a person's residency
 33 status in accordance with this subsection, additional evidence
 34 becomes available that merits a change in that determination,
 35 the parties affected may change the determination by mutual

PAGE 69

1 agreement. Otherwise, a party may move that the matter be
 2 reconsidered by the ~~department,~~ county, or region, or by the
 3 administrative law judge.

4 e.(1) Unless a petition is filed for judicial review,
 5 the administrative law judge's determination of the person's
 6 residency status shall result in one of the following:

7 (a) If a county or region is determined to be the person's
 8 residence, the county or region shall pay the amounts due and
 9 shall reimburse any other amounts paid for services provided by
 10 the other county or region ~~or the department~~ on the person's
 11 behalf prior to the determination.

15 c. The department, county, or region that received the
 16 notification, as applicable, shall respond to the party
 17 that provided the notification within forty-five days of

 19 settlement as to the dispute within ninety days of the date
 20 of notification, on motion of any of the parties, the matter
 21 shall be referred to the department of inspections and appeals
 22 for a contested case hearing under chapter 17A before an
 23 administrative law judge assigned in accordance with section
 24 10A.801 to determine facts and issue a decision to resolve the
 25 dispute.

26 d.(1) The administrative law judge's decision is a final
 27 agency action, notwithstanding contrary provisions of section
 28 17A.15. The party that does not prevail in the decision or
 29 subsequent judicial review is liable for costs associated with
 30 the proceeding, including reimbursement of the department of

31 inspections and appeals' actual costs associated with the
32 administrative proceeding. Judicial review of the decision may
33 be sought in accordance with section 17A.19.

34 (2) If following the decision regarding a dispute in

 28 determined in subsection 1.
 29 (2) The net minimum tax for a tax year is the excess, if
 30 any, of the tax determined in subsection 4 for the tax year
 31 over the tax determined in subsection 1 for the tax year.
 32 c. This subsection is repealed January 1, 2022, for tax
 33 years beginning on or after that date.
 34 Sec. 94. Section 422.35, subsection 4, Code 2018, is amended
 35 to read as follows:

PAGE 42

 5 2021, adjusted by any federal income tax refunds; and add the
 6 Iowa income tax deducted in computing said taxable income to

7 the extent the tax was deducted for a tax year beginning prior
8 to January 1, 2021.

9 b. Add the Iowa income tax deducted in computing federal
10 taxable income.

11 Sec. 95. Section 422.35, Code 2018, is amended by adding the
12 following new subsections:

13 NEW SUBSECTION. 14.a. The increased expensing allowance
14 under section 179 of the Internal Revenue Code applies in
15 computing net income for state tax purposes for tax years
16 beginning on or after January 1, 2019, subject to the
17 limitations in this subsection for tax years beginning on or
18 after January 1, 2019, but before January 1, 2020.

19 b. If the taxpayer has taken the increased expensing
20 allowance under section 179 of the Internal Revenue Code for
21 purposes of computing federal taxable income for tax years
22 beginning on or after January 1, 2019, but before January 1,
23 2020, then the taxpayer shall make the following adjustments to
24 federal taxable income when computing net income for state tax
25 purposes for the same tax year:

26 (1) Add the total amount of expense deduction taken on
27 section 179 property allowable for federal tax purposes under
28 section 179 of the Internal Revenue Code.

29 (2) Subtract the amount of expense deduction on section
30 179 property allowable for federal tax purposes under section
31 179 of the Internal Revenue Code, not to exceed one hundred
32 thousand dollars. The subtraction in this subparagraph shall
33 be reduced, but not below zero, by the amount by which the
34 total cost of section 179 property placed in service by the
35 taxpayer during the tax year exceeds four hundred thousand

PAGE 43

1 dollars.

2 (3) Any other adjustments to gains or losses necessary to
3 reflect adjustments made in subparagraphs (1) and (2).

4 c. The director shall adopt rules pursuant to chapter 17A
5 to administer this subsection.

6 NEW SUBSECTION. 15.a. For tax years beginning on or
7 after January 1, 2019, but before January 1, 2020, a taxpayer
8 may elect to take advantage of this subsection in lieu of
9 subsection 14, but only if the taxpayer's total expensing
10 allowance deduction for federal tax purposes under section
11 179 of the Internal Revenue Code that is allocated to the
12 taxpayer from one or more partnerships or limited liability
13 companies electing to have the income taxed directly to the
14 owners exceeds one hundred thousand dollars and would, except
15 as provided in this subsection, be limited for purposes
16 of computing net income for state tax purposes pursuant to
17 subsection 14.

18 b. A taxpayer who elects to take advantage of this
19 subsection shall make the following adjustments to federal
20 taxable income when computing net income for state tax

21 purposes:

22 (1) Add the total amount of section 179 expense deduction
23 allocated to the taxpayer from all partnerships or limited

26 as a deduction to the taxpayer for federal tax purposes for the
27 tax year under section 179 of the Internal Revenue Code.

28 (2) From the amount added in subparagraph (1), subtract
29 the first one hundred thousand dollars of expensing allowance
30 deduction on section 179 property.

31 (3) The remaining amount, equal to the difference between
32 the amount added in subparagraph (1), and the amount subtracted
33 in subparagraph (2), may be deducted by the taxpayer but such
34 deduction shall be amortized equally over five tax years
35 beginning in the following tax year.

PAGE 44

1 (4) Any other adjustments to gains or losses necessary to
2 reflect adjustments made in subparagraphs (1) through (3).
3 c. A taxpayer who elects to take advantage of this
4 subsection shall not take the increased expensing allowance
5 under section 179 of the Internal Revenue Code for any section
6 179 property placed in service by the taxpayer in computing
7 taxable income for state tax purposes. If the taxpayer has
8 taken any such deduction for purposes of computing federal
9 taxable income, the taxpayer shall make the following
10 adjustments to federal taxable income when computing net income
11 for state tax purposes:

12 (1) Add the total amount of expense deduction for federal
13 tax purposes taken on section 179 property placed in service by
14 the taxpayer under section 179 of the Internal Revenue Code.

15 (2) Subtract the amount of depreciation allowable on such
16 property under the modified accelerated cost recovery system
17 described in section 168 of the Internal Revenue Code, without
18 regard to section 168(k) of the Internal Revenue Code. The
19 taxpayer shall continue to take depreciation on the applicable
20 property in future tax years to the extent allowed under the
21 modified accelerated cost recovery system described in section
22 168 of the Internal Revenue Code, without regard to section
23 168(k) of the Internal Revenue Code.

24 (3) Any other adjustments to gains or losses necessary to
25 reflect the adjustments made in subparagraphs (1) and (2).

26 d. The director shall adopt rules pursuant to chapter 17A
27 to administer this subsection.

29 paragraph 1, Code 2018, is amended by striking the unnumbered
30 paragraph and inserting in lieu thereof the following:

31 The additional first-year depreciation allowance authorized
32 in section 168(k) of the Internal Revenue Code does not
33 apply in computing net income for state tax purposes. If the
34 taxpayer has taken the additional first-year depreciation

35 allowance for purposes of computing federal taxable income,

PAGE 45

1 then the taxpayer shall make the following adjustments to
2 federal taxable income when computing net income for state tax
3 purposes:

9 Sec. 102. Section 422.4, subsection 2, Code 2018, is amended
10 by striking the subsection.

11 Sec. 103. Section 422.4, subsection 16, Code 2018, is
12 amended by striking the subsection and inserting in lieu
13 thereof the following:

14 16. “*Taxable income*” means, in the case of individuals,
15 the net income as defined in section 422.7 minus the deduction
16 allowed by section 422.9, if available. “*Taxable income*” means,
17 in the case of estates or trusts, the taxable income without
18 a deduction for personal exemption as computed for federal
19 income tax purposes under the Internal Revenue Code, but with
20 the adjustments specified in section 422.7, and the deduction
21 allowed by section 422.9, if available.

22 Sec. 104. Section 422.5, subsection 1, paragraph j,
23 subparagraph (2), subparagraph division (b), Code 2018, is
24 amended to read as follows:

25 (b) This subparagraph (2) shall not affect the amount of

29 ~~or separately on combined returns.~~

30 Sec. 105. Section 422.5, subsection 2, Code 2018, is amended
31 by striking the subsection.

32 Sec. 106. Section 422.5, subsections 3 and 3B, Code 2018,
33 are amended to read as follows:

34 3.a. The tax shall not be imposed on a resident or
35 nonresident whose net income, as defined in section 422.7, is

PAGE 47

1 thirteen thousand five hundred dollars or less in the case
2 of married persons filing jointly ~~or filing separately on a~~
3 ~~combined return~~, heads of household, and surviving spouses or
4 nine thousand dollars or less in the case of all other persons;
5 but in the event that the payment of tax under this division
6 would reduce the net income to less than thirteen thousand five
7 hundred dollars or nine thousand dollars as applicable, then
8 the tax shall be reduced to that amount which would result
9 in allowing the taxpayer to retain a net income of thirteen
10 thousand five hundred dollars or nine thousand dollars as
11 applicable. The preceding sentence does not apply to estates
12 or trusts. For the purpose of this subsection, the entire net
13 income, including any part of the net income not allocated
14 to Iowa, shall be taken into account. For purposes of this
15 subsection, net income includes all amounts of pensions or
16 other retirement income, except for military retirement pay
17 excluded under section 422.7, subsection 31A, paragraph “a”,
18 or section 422.7, subsection 31B, paragraph “a”, received from
19 any source which is not taxable under this division as a result
20 of the government pension exclusions in section 422.7, or any
21 other state law. In calculating net income for purposes of
22 this subsection, any amount of itemized or standard deduction,
23 personal exemption deduction, or qualified business income
24 deduction that was allowed as a deduction in computing federal

25 taxable income under the Internal Revenue Code shall be added
 26 back. If the combined net income of a husband and wife exceeds
 27 thirteen thousand five hundred dollars, neither of them shall
 28 receive the benefit of this subsection, and it is immaterial
 29 whether they file a joint return or separate returns. However,
 30 if a husband and wife file separate returns and have a combined
 31 net income of thirteen thousand five hundred dollars or less,
 32 neither spouse shall receive the benefit of this paragraph,
 33 if one spouse has a net operating loss and elects to carry
 34 back or carry forward the loss as provided under the Internal
 35 Revenue Code or in section 422.9, ~~subsection 3.~~ A person who

PAGE 48

1 is claimed as a dependent by another person as defined in
 2 section 422.12 shall not receive the benefit of this subsection
 3 if the person claiming the dependent has net income exceeding
 4 thirteen thousand five hundred dollars or nine thousand dollars
 5 as applicable or the person claiming the dependent and the
 6 person's spouse have combined net income exceeding thirteen
 7 thousand five hundred dollars or nine thousand dollars as
 8 applicable.

9 *b.* In lieu of the computation in subsection 1 ~~or 2~~, or in
 10 paragraph "a" of this subsection, if the married persons;
 11 ~~filing jointly or filing separately on a combined return,~~
 12 head of household's, or surviving spouse's net income exceeds
 13 thirteen thousand five hundred dollars, the regular tax imposed
 14 under this division shall be the lesser of the maximum state
 15 individual income tax rate times the portion of the net income
 16 in excess of thirteen thousand five hundred dollars or the
 17 regular tax liability computed without regard to this sentence.
 18 Taxpayers electing to file separately shall compute the
 19 alternate tax described in this paragraph using the total net
 20 income of the husband and wife. The alternate tax described
 21 in this paragraph does not apply if one spouse elects to carry
 22 back or carry forward ~~the a net operating~~ loss as provided
 23 under the Internal Revenue Code or in section 422.9, ~~subsection~~
 24 ~~3.~~

25 3B.a. The tax shall not be imposed on a resident or
 26 nonresident who is at least sixty-five years old on December
 27 31 of the tax year and whose net income, as defined in section
 28 422.7, is thirty-two thousand dollars or less in the case
 29 of married persons filing jointly ~~or filing separately on a~~
 30 ~~combined return,~~ heads of household, and surviving spouses or
 31 twenty-four thousand dollars or less in the case of all other
 32 persons; but in the event that the payment of tax under this
 33 division would reduce the net income to less than thirty-two
 34 thousand dollars or twenty-four thousand dollars as applicable,
 35 then the tax shall be reduced to that amount which would result

PAGE 49

1 in allowing the taxpayer to retain a net income of thirty-two
2 thousand dollars or twenty-four thousand dollars as applicable.
3 The preceding sentence does not apply to estates or trusts.
4 For the purpose of this subsection, the entire net income,
5 including any part of the net income not allocated to Iowa,
6 shall be taken into account. For purposes of this subsection,
7 net income includes all amounts of pensions or other retirement
8 income, except for military retirement pay excluded under
9 section 422.7, subsection 31A, paragraph "a", or section 422.7,
10 subsection 31B, paragraph "a", received from any source which is
11 not taxable under this division as a result of the government
12 pension exclusions in section 422.7, or any other state law.
13 In calculating net income for purposes of this subsection, any
14 amount of itemized or standard deduction, personal exemption
15 deduction, or qualified business income deduction that was
16 allowed as a deduction in computing federal taxable income
17 under the Internal Revenue Code shall be added back. If the
18 combined net income of a husband and wife exceeds thirty-two
19 thousand dollars, neither of them shall receive the benefit
20 of this subsection, and it is immaterial whether they file a
21 joint return or separate returns. However, if a husband and
22 wife file separate returns and have a combined net income of
23 thirty-two thousand dollars or less, neither spouse shall
24 receive the benefit of this paragraph, if one spouse has a net
25 operating loss and elects to carry back or carry forward the
26 loss as provided under the Internal Revenue Code or in section
27 422.9, ~~subsection 3.~~ A person who is claimed as a dependent by
28 another person as defined in section 422.12 shall not receive
29 the benefit of this subsection if the person claiming the
30 dependent has net income exceeding thirty-two thousand dollars
31 or twenty-four thousand dollars as applicable or the person
32 claiming the dependent and the person's spouse have combined
33 net income exceeding thirty-two thousand dollars or twenty-four
34 thousand dollars as applicable.
35 b. In lieu of the computation in subsection 1, ~~2,~~ or 3, if

PAGE 50

1 the married persons', ~~filing jointly or filing separately on~~
2 ~~a combined return,~~ head of household's, or surviving spouse's
3 net income exceeds thirty-two thousand dollars, the regular
4 tax imposed under this division shall be the lesser of the
5 maximum state individual income tax rate times the portion of
6 the net income in excess of thirty-two thousand dollars or the
7 regular tax liability computed without regard to this sentence.
8 Taxpayers electing to file separately shall compute the
9 alternate tax described in this paragraph using the total net
10 income of the husband and wife. The alternate tax described
11 in this paragraph does not apply if one spouse elects to carry
12 back or carry forward ~~the~~ a net operating loss as provided

13 ~~under the Internal Revenue Code or in section 422.9, subsection~~
14 ~~3.~~

15 c. This subsection applies even though one spouse has not
16 attained the age of sixty-five, if the other spouse is at least
17 sixty-five at the end of the tax year.

18 Sec. 107. Section 422.5A, as enacted in this Act, Code
19 2018, is amended by striking the section and inserting in lieu
20 thereof the following:

21 **422.5A Tax rates.**

22 1. The tax imposed in section 422.5 shall be calculated
23 at the following rates in the case of a married couple filing
24 jointly:

25 a. On all taxable income from 0 through \$12,000, the rate of
26 4.40 percent.

27 b. On all taxable income exceeding \$12,000 but not exceeding
28 \$60,000, the rate of 4.82 percent.

30 \$150,000, the rate of 5.70 percent.

31 d. On all taxable income exceeding \$150,000, the rate of
32 6.50 percent.

33 2. The tax imposed in section 422.5 shall be calculated at
34 the following rates in the case of any taxpayer other than a
35 married couple filing jointly:

PAGE 51

1 a. On all taxable income from 0 through \$6,000, the rate of
2 4.40 percent.

3 b. On all taxable income exceeding \$6,000 but not exceeding

16 following new subsections:

17 NEW SUBSECTION. 4. Add any federal net operating loss
18 deduction carried over from a taxable year beginning prior to
19 January 1 of the calendar year that this division of this Act
20 takes effect.

21 NEW SUBSECTION. 6.a. For tax years beginning in the
22 calendar year that this division of this Act takes effect,
23 subtract the amount of federal income taxes paid during the
24 tax year to the extent payment is for a tax year beginning
25 prior to January 1 of the calendar year that this division of
26 this Act takes effect, and add any federal income tax refunds

27 received during the tax year to the extent the federal income
28 tax was deducted for a tax year beginning prior to January 1 of
29 the calendar year that this division of this Act takes effect.
30 Where married persons who have filed a joint federal income
31 tax return file separately for state tax purposes, such total
32 shall be divided between them according to the portion of the
33 total paid by each. Federal income taxes paid for a tax year
34 in which an Iowa return was not required to be filed shall not
35 be subtracted.

PAGE 52

1 *b.* Notwithstanding any other provision of law to the
2 contrary, amounts subtracted or added pursuant to this
3 subsection shall not be included in the calculation of net
4 income for purposes of section 422.5, subsection 3 or 3B, or
5 section 422.13.

6 Sec. 110. Section 422.7, subsection 5, Code 2018, is amended
7 to read as follows:

12 the disability income exclusion and shall compute the amount
13 of the disability income exclusion subject to the limitations
14 for joint federal income tax return filers provided by section
15 105(d) of the Internal Revenue Code. The disability income
16 exclusion provided in section 105(d) of the Internal Revenue
17 Code, as amended up to and including December 31, 1982,
18 continues to apply for state income tax purposes for tax years
19 beginning on or after January 1, 1984.

20 Sec. 111. Section 422.7, subsection 13, Code 2018, is
21 amended by striking the subsection and inserting in lieu
22 thereof the following:

23 13. Subtract, to the extent included, the amount of social
24 security benefits taxable under section 86 of the Internal
25 Revenue Code.

26 Sec. 112. Section 422.7, Code 2018, is amended by adding the

2 income resulting from the payment by an employer of the

3 taxpayer, whether paid to the taxpayer or to a lender, of
4 principal or interest on any qualified education loan incurred
5 by the taxpayer.

6 **b.** If the taxpayer has a deduction in computing federal
7 taxable income under section 221 of the Internal Revenue Code
8 for interest on a qualified education loan, the taxpayer shall
9 recompute for purposes of this subsection the amount of the
10 deduction under paragraph “a” by not subtracting any amount of
11 income resulting from the employer’s payment of interest on a
12 qualified education loan that was also deducted by the taxpayer
13 under section 221 of the Internal Revenue Code.

14 **c.** For purposes of this subsection, “*qualified education*
15 *loan*” means the same as defined in section 221 of the Internal
16 Revenue Code.

17 Sec. 113. Section 422.7, subsection 21, Code 2018, is
18 amended by striking the subsection and inserting in lieu

20 21.a. For purposes of this subsection:

21 (1) “*Farming business*” means the raising and harvesting
22 of crops or forest or fruit trees, the rearing, feeding, and
23 management of livestock, or horticulture, all for intended
24 profit.

25 (2) “*Held*” shall be determined with reference to the holding
26 period provisions of section 1223 of the Internal Revenue Code
27 and the federal regulations pursuant thereto.

28 (3) “*Materially participated*” means the same as “*material*
29 *participation*” in section 469(h) of the Internal Revenue Code.

30 (4)(a) “*Real property used in a farming business*” means all
31 tracts of land and the improvements and structures located on
32 them which are in good faith used primarily for agricultural
33 purposes except buildings which are primarily used or intended
34 for human habitation. Land and the nonresidential improvements
35 and structures located on it shall be considered to be used

PAGE 54

1 primarily for agricultural purposes if its principal use is
2 devoted to the raising and harvesting of crops or forest or
3 fruit trees, the rearing, feeding, and management of livestock,
4 or horticulture, all for intended profit. Woodland, wasteland,
5 and pastureland shall qualify but only if such land is held or
6 operated in conjunction with real property that otherwise meets
7 the requirements of this paragraph.

8 (b) Real property classified as agricultural property for
9 Iowa property tax purposes, except real property described
10 in section 441.21, subsection 12, paragraphs “a” or “b”,
11 shall be presumed to be real property used in a farming
12 business. This presumption is rebuttable by the department by
13 a preponderance of evidence that the real property did not meet
14 the requirements of subparagraph division (a).

15 (5) “*Relative*” means an individual that satisfies one or
16 more of the following conditions:

- 17 (a) The individual is related to the taxpayer by
18 consanguinity within the second degree as determined by common

21 For purposes of this subparagraph division, "*lineal descendent*"
22 means children of the taxpayer, including legally adopted
23 children and biological children, stepchildren, grandchildren,
24 great-grandchildren, and any other lineal descendent of the
25 taxpayer.

27 property used in a farming business if all of the following
28 conditions are satisfied:
- 29 (1) The taxpayer has materially participated in the farming
30 business for a minimum of ten years immediately preceding the
31 sale.
- 32 (2) The taxpayer has held the real property used in a
33 farming business for a minimum of ten years immediately
34 preceding the sale.
- 35 (3) The real property used in a farming business is sold to

PAGE 55

- 1 a relative of the taxpayer.
- 2 c.(1) If the relative to whom the taxpayer sold the
3 real property used in a farming business that qualified
4 for the deduction in this subsection subsequently sells or
5 otherwise transfers all or part of said real property to a
6 person who is not a relative of the taxpayer within five years
7 of the original sale, the subsequent sale or transfer shall
8 be considered prima facie evidence that the original sale
9 was entered into by the taxpayer primarily to obtain the tax
10 benefits provided in this subsection, and the deduction under
11 this subsection for the original sale shall be disallowed for
12 the taxpayer with respect to that real property subsequently
13 sold or transferred by the relative.

1 referral by a referrer, even if such seller would not have been
2 required to collect and remit sales and use tax had the sale
3 not been made through such referrer.

4 2. In addition to and not in lieu of any application of
5 this chapter to sellers who are retailers and sellers who are
6 retailers maintaining a place of business in this state, any
7 person described in subsection 3, or the person's agents,
8 shall be considered a retailer in this state and a retailer
9 maintaining a place of business in this state for purposes of

19 b. A retailer that makes Iowa sales in two hundred or more
20 separate transactions for an immediately preceding calendar

21 year or a current calendar year.

22 c.(1) A retailer that owns, licenses, or uses software
23 or data files that are installed or stored on property used
24 in this state. For purposes of this subparagraph, “*software*
25 *or data files*” include but are not limited to software that is
26 affirmatively downloaded by a user, software that is downloaded

3 purposes of this subparagraph, “*content distribution network*”
4 means a system of distributed servers that deliver internet
5 sites and other internet content to a user based on the
6 geographic location of the user, the origin of the internet
7 site or internet content, and a content delivery server.

8 (4) This paragraph “c” shall not apply to a retailer that
9 has gross revenue from Iowa sales of less than one hundred
10 thousand dollars for an immediately preceding calendar year or
11 a current calendar year.

12 d.(1) A marketplace facilitator that makes or facilitates
13 Iowa sales on its own behalf or for one or more marketplace
14 sellers equal to or exceeding one hundred thousand dollars,

17 (2) A marketplace facilitator shall collect sales and
18 use tax on the entire sales price or purchase price paid by
19 a purchaser on each Iowa sale subject to sales and use tax
20 that is made or facilitated by the marketplace facilitator,
21 regardless of whether the marketplace seller for whom an Iowa
22 sale is made or facilitated has or is required to have a
23 retail sales tax permit or would have been required to collect
24 sales and use tax had the sale not been facilitated by the
25 marketplace facilitator, and regardless of the amount of the
26 sales price or purchase price that will ultimately accrue
27 to or benefit the marketplace facilitator, the marketplace
28 seller, or any other person. This sales and use tax collection
29 responsibility of a marketplace facilitator applies but shall
30 not be limited to sales facilitated through a computer software
31 application, commonly referred to as in-app purchases, or

PAGE 105

1 a marketplace seller under the following circumstances and up
2 to the amounts permitted under the following circumstances:

3 (a) If the marketplace facilitator demonstrates to the
4 satisfaction of the department that the marketplace facilitator
5 has made a reasonable effort to obtain accurate information
6 from the marketplace seller about a retail sale and that
7 the failure to collect and remit the correct tax was due to
8 incorrect information provided to the marketplace facilitator
9 by the marketplace seller, then the marketplace facilitator
10 shall be relieved of liability for that retail sale. This
11 subparagraph division does not apply with regard to a retail
12 sale for which the marketplace facilitator is the seller or if
13 the marketplace facilitator and the seller are affiliates. For
14 Iowa sales for which a marketplace facilitator is relieved of
15 liability under this subparagraph division, the marketplace
16 seller and purchaser are liable for any amount of uncollected,
17 unpaid, or unremitted tax.

18 (b)(i) Subject to the limitation in subparagraph
19 subdivision (ii), if the marketplace facilitator demonstrates
20 to the satisfaction of the department that the Iowa sale was
21 made or facilitated for a marketplace seller prior to January
22 1, 2026, through a marketplace of the marketplace facilitator,
23 that the marketplace facilitator is not the seller and that
24 the marketplace facilitator and the seller are not affiliates,
25 and that the failure to collect sales and use tax was due to
26 an error other than an error in sourcing the sale. To the
27 extent that a marketplace facilitator is relieved of liability
28 for collection of sales and use tax under this subparagraph
29 division, the marketplace seller for whom the marketplace
30 facilitator has made or facilitated the Iowa sale is also
31 relieved of liability. The department may determine the manner
32 in which a marketplace facilitator or marketplace seller shall
33 claim the liability relief provided in this subparagraph
34 division.

35 (ii) The liability relief provided in subparagraph

PAGE 106

1 subdivision (i) shall not exceed the following percentage
2 of the total sales and use tax due on Iowa sales made or
3 facilitated by a marketplace facilitator for marketplace
4 sellers and sourced to this state during a calendar year,
5 which Iowa sales shall not include sales by the marketplace
6 facilitator or affiliates of the marketplace facilitator:

10 2020 through 2024, five percent.

- 11 (C) For Iowa sales made or facilitated during the 2025
12 calendar year, three percent.
- 13 (c) Nothing in this subparagraph (3) shall be construed to
14 relieve any person of liability for collecting but failing to
15 remit to the department sales and use tax.
- 16 (d) A marketplace facilitator is deemed to be an agent
17 of any marketplace seller making retail sales through a
18 marketplace of the marketplace facilitator.
- 19 e.(1) A referrer if, for any immediately preceding
20 calendar year or a current calendar year, one hundred thousand
21 dollars or more in Iowa sales or two hundred or more separate
22 Iowa sales transactions result from referrals from a platform
23 of the referrer. A referrer is not required to collect and
24 remit sales and use tax pursuant to this paragraph if the
25 referrer does all of the following:
- 26 (a) The referrer posts a conspicuous notice on each platform
27 of the referrer that includes all of the following:
- 28 (i) A statement that sales or use tax is due on certain

31 person is purchasing on the platform may or may not collect and
32 remit sales and use tax on a purchase.
- 33 (iii) A statement that Iowa requires the purchaser to pay
34 sales or use tax and file sales or use tax returns if sales
35 or use tax is not collected at the time of the sale by the

PAGE 107

- 1 marketplace seller.
- 2 (iv) Information informing the purchaser that the notice is
3 provided under the requirements of this subparagraph.
- 4 (v) Instructions for obtaining additional information from
5 the department regarding whether and how to remit sales and use
6 tax to the state of Iowa.
- 7 (b) The referrer provides a monthly notice to each
8 marketplace seller to whom the referrer made a referral of a
9 potential customer located in Iowa during the previous calendar
10 year, which monthly notice shall contain all of the following:
- 11 (i) A statement that Iowa imposes a sales or use tax on Iowa
12 sales.
- 13 (ii) A statement that a marketplace facilitator or other
14 retailer making Iowa sales must collect and remit sales and use
15 tax.
- 16 (iii) Instructions for obtaining additional information
17 from the department regarding the collection and remittance of
18 Iowa sales and use tax.
- 19 (c) The referrer provides the department with monthly
20 reports in an electronic format and in the manner prescribed
21 by the department, which monthly reports contain all of the
22 following:
- 23 (i) A list of marketplace sellers who received the
24 referrer's notice under subparagraph division (b).

- 25 (ii) A list of marketplace sellers that collect and
26 remit Iowa sales and use tax and that list or advertise the
27 marketplace seller's products for sale on a platform of the
28 referrer.
- 29 (iii) An affidavit signed under penalty of perjury from
30 an officer of the referrer affirming that the referrer made
31 reasonable efforts to comply with the applicable sales and use
32 tax notice and reporting requirements of this subparagraph.
- 33 (2) A referrer is deemed to be an agent of any marketplace
34 seller making retail sales resulting from a referral of the
35 referrer.

PAGE 108

- 1 (3) For purposes of this paragraph:
- 2 (a) "*Platform*" means an electronic or physical medium,
3 including but not limited to an internet site or catalog, that
4 is owned, operated, or controlled by a referrer.

6 internet link, or other means by a referrer of a potential
7 customer to a retailer or seller who advertises or lists
8 products for sale on a platform of the referrer.
- 9 (c)(i) "*Referrer*" means a person who does all of the
10 following:
- 11 (A) Contracts or otherwise agrees with a retailer, seller,
12 or marketplace facilitator to list or advertise for sale a

14 a platform, provided such listing or advertisement identifies
15 whether or not the retailer, seller, or marketplace facilitator
16 collects sales and use tax.
- 17 (B) Receives a commission, fee, or other consideration
18 from the retailer, seller, or marketplace facilitator for the
19 listing or advertisement.
- 20 (C) Provides referrals to a retailer, seller, or
21 marketplace facilitator, or an affiliate of a retailer, seller,

29 or marketplace facilitator's shipping terms and who does
30 not advertise whether a retailer, seller, or marketplace
31 facilitator collects sales or use tax.
- 32 (4) This paragraph only applies to referrals by a referrer
33 and shall not preclude the applicability of other provisions
34 of this section to a person who is a referrer and is also a
35 retailer, a marketplace facilitator, or a marketplace seller.

PAGE 109

1 f.(1) A retailer that makes Iowa sales through the use of
2 a solicitor. For purposes of this paragraph, “*solicitor*” means
3 a person that directly or indirectly solicits business for a
4 retailer.

5 (2)(a) A retailer is deemed to have a solicitor in
6 this state if the retailer enters into an agreement with a
7 resident under which the resident, for a commission, fee, or
8 other similar consideration, directly or indirectly refers
9 potential customers, whether by link on an internet site,
10 or otherwise, to the retailer. This determination may be
11 rebutted by a showing of proof that the resident with whom the
12 retailer has an agreement did not engage in any solicitation
13 in this state on behalf of the retailer that would satisfy the
14 nexus requirement of the United States Constitution during the
15 calendar year in question.

16 (b) This subparagraph (2) shall not apply to a retailer that
17 has Iowa gross revenue from Iowa sales of ten thousand dollars

31 trade or business under chapter 422.

32 g. A retailer that owns, controls, rents, licenses, makes
33 available, or uses any tangible or intangible property in this
34 state or with a situs in this state, to make or otherwise

1 h.(1) Any person that enters into a contract or agreement
2 with a governmental entity, including but not limited to

6 subparagraph, “*governmental entity*” means any unit of government
7 in the executive, legislative, or judicial branch, or any
8 political subdivision of the state, including but not limited

 14 and will collect and remit Iowa sales and use tax due under
 15 this chapter. In the certification, the bidder or contractor
 16 shall also acknowledge that the state agency may declare the
 17 contractor or bid void if the certification is false or becomes
 18 false. Fraudulent certification, by act or omission, may
 19 result in the state agency or its representative filing for
 20 damages for breach of contract.

21 *i.* Any affiliate of any person that is required to collect
 22 and remit sales and use tax under this chapter, provided the

 31 2018, is amended to read as follows:
 32 All sales of ~~products~~ tangible personal property, services,

 35 by sellers obligated to collect Iowa sales and use tax. The

PAGE 112

1 sourcing rules described in this section apply to sales of
 2 tangible personal property, specified digital goods ~~products~~,
 3 and all services other than telecommunications services. This
 4 section only applies to determine a seller's obligation to pay
 5 or collect and remit a Iowa sales or use tax with respect to
 6 the seller's sale of a product. This section does not affect
 7 the obligation of a purchaser or lessee to remit tax on the use
 8 of the product to the taxing jurisdictions in which the use
 9 occurs. A seller's obligation to collect Iowa sales tax or
 10 Iowa use tax only occurs if the sale is sourced to this state.
 11 ~~Whether Iowa sales tax applies to a sale sourced to Iowa shall~~
 12 ~~be determined based on the location at which the sale is~~
 13 ~~consummated by delivery or, in the case of a service, where the~~
 14 ~~first use of the service occurs~~ made by a seller subject to
 15 section 423.1, subsection 48, or section 423.14A.

16 Sec. 206. Section 423.15, subsection 1, paragraph e, Code
 17 2018, is amended to read as follows:

18 e. When paragraphs "a", "b", "c", and "d" do not apply,
 19 including the circumstance where the seller is without
 20 sufficient information to apply the previous rules, then the
 21 location will be determined by the address from which tangible
 22 personal property was shipped, from which the specified digital
 23 good product or the computer software delivered electronically
 24 was first available for transmission by the seller, or from
 25 which the service was provided disregarding for these purposes
 26 any location that merely provided the digital transfer of the
 27 product sold.

28 Sec. 207. Section 423.22, Code 2018, is amended to read as
 29 follows:

30 **423.22 Taxation in another state.**

31 If any person who causes tangible personal property or
 32 specified digital products to be brought into this state or
 33 who uses in this state services enumerated in section 423.2
 34 has already paid a tax in another state in respect to the sale
 35 or use of the property or the performance of the service, or

PAGE 113

1 an occupation tax in respect to the property or service, in
 2 an amount less than the tax imposed by subchapter II or III,

3 the provisions of those subchapters shall apply, but at a rate
4 measured by the difference only between the rate fixed by
5 subchapter II or III and the rate by which the previous tax on
6 the sale or use, or the occupation tax, was computed. If the
7 tax imposed and paid in the other state is equal to or more than
8 the tax imposed by those subchapters, then a tax is not due in
9 this state on the personal property or service.

10 Sec. 208. Section 423.29, subsection 1, Code 2018, is
11 amended to read as follows:

12 1. Every seller who is a retailer and who is making taxable
13 sales of tangible personal property or specified digital
14 products in Iowa shall, at the time of ~~selling the property~~
15 making the sale, collect the sales tax. Every seller who
16 is a retailer ~~maintaining a place of business in this state~~
17 that is not otherwise required to collect sales tax under the
18 provisions of this chapter and who is selling tangible personal
19 property or specified digital products for use in Iowa shall,
20 at the time of making the sale, whether within or without the
21 state, collect the use tax. Sellers required to collect sales
22 or use tax shall give to any purchaser a receipt for the tax
23 collected in the manner and form prescribed by the director.

24 Sec. 209. Section 423.30, subsection 1, Code 2018, is
25 amended to read as follows:

26 1. The director may, upon application, authorize the
27 collection of the use tax by any seller who is a retailer not
28 maintaining a place of business within this state and not
29 registered under the agreement, who, to the satisfaction of
30 the director, furnishes adequate security to ensure collection
31 and payment of the tax. Such sellers shall be issued, without
32 charge, permits to collect tax subject to any regulations
33 which the director shall prescribe. When so authorized, it
34 shall be the duty of foreign sellers to collect the tax upon
35 all tangible personal property and specified digital products

PAGE 114

1 sold, to the retailer's knowledge, for use within this state,
2 in the same manner and subject to the same requirements as a
3 retailer maintaining a place of business within this state.
4 The authority and permit may be canceled when, at any time, the
5 director considers the security inadequate, or that tax can
6 more effectively be collected from the person using property
7 in this state.

8 Sec. 210. Section 423.31, subsection 1, Code 2018, is
9 amended to read as follows:

10 1. Each person subject to this section and section 423.36
11 and in accordance with the provisions of this section and
12 section 423.36 shall, on or before the last day of the month
13 following the close of each calendar quarter during which
14 such person is or has become or ceased being subject to the
15 provisions of this section and section 423.36, make, sign, and
16 file a return for the calendar quarter in the form as may be

17 required. Returns shall show information relating to sales
18 prices including ~~goods, wares,~~ tangible personal property,
19 specified digital products, and services converted to the
20 use of such person, the amounts of sales prices excluded and
21 exempt from the tax, the amounts of sales prices subject to
22 tax, a calculation of tax due, and any other information for
23 the period covered by the return as may be required. Returns
24 shall be signed by the retailer or the retailer's authorized
25 agent and must be certified by the retailer to be correct in
26 accordance with forms and rules prescribed by the director.

27 Sec. 211. Section 423.31, subsection 5, paragraph a, Code
28 2018, is amended to read as follows:

29 a. Upon making application and receiving approval from
30 the director, a ~~parent corporation person~~ and its ~~affiliated~~
31 ~~corporations affiliates~~ that make retail sales of tangible
32 personal property, specified digital products, or taxable
33 enumerated services may make deposits and file a consolidated
34 sales tax return for the affiliated group, pursuant to rules
35 adopted by the director. A ~~parent corporation person~~ and each

PAGE 115

1 affiliate ~~corporation~~ that files a consolidated return are
2 jointly and severally liable for all tax, penalty, and interest
3 found due for the tax period for which a consolidated return is
4 filed or required to be filed.

5 Sec. 212. Section 423.32, subsection 1, paragraph b, Code
6 2018, is amended to read as follows:

7 b. The deposit form is due on or before the twentieth day of
8 the month following the month of collection, except a deposit
9 is not required for the third month of the calendar quarter,
10 and the total quarterly amount, less the amounts deposited for
11 the first two months of the quarter, is due with the quarterly
12 report on the last day of the month following the month of
13 collection. At that time, the retailer shall file with the
14 department a return for the preceding quarterly period in the
15 form prescribed by the director showing the purchase price of
16 the tangible personal property, specified digital products, and
17 services sold by the retailer during the preceding quarterly
18 period, the use of which is subject to the use tax imposed
19 by this chapter, and other information the director deems
20 necessary for the proper administration of the use tax.

21 Sec. 213. Section 423.33, subsection 3, Code 2018, is
22 amended to read as follows:

23 3. *Event sponsor's liability for sales tax.* A person

28 possesses a valid sales tax permit or secure from the retailer
29 a statement, taken in good faith, that tangible personal
30 property, specified digital products, or services offered for

31 sale are not subject to sales tax. Failure to do so renders
 32 a sponsor of the event liable for payment of any sales tax,
 33 interest, and penalty due and owing from any retailer selling
 34 property or services at the event. Sections 423.31, 423.32,
 35 423.37, 423.38, 423.39, 423.40, 423.41, and 423.42 apply to the

 6 a fair as defined in section 174.1.

7 Sec. 214. Section 423.33, Code 2018, is amended by adding
 8 the following new subsection:

10 a. Notwithstanding any other provision of law to the
 11 contrary, if any retailer required to collect and remit sales
 12 and use tax pursuant to sections 423.14, 423.14A, and 423.29,
 13 or any other provision of this chapter, fails to do so, all
 14 affiliates that directly, indirectly, or constructively control
 15 the retailer shall be jointly and severally liable for any tax,
 16 penalty, and interest under this chapter, regardless of whether
 17 the affiliate is a retailer.

18 b. Pursuant to paragraph “a”, the department may elect
 19 to assess the full amount of any tax, penalty, and interest
 20 against the retailer, an affiliate of the retailer described
 21 in paragraph “a”, or any combination of the retailer and the
 22 retailer’s affiliates described in paragraph “a”.

23 c. Notwithstanding any other provision of law to the
 24 contrary, the department has the discretion to deem an
 25 affiliate of a retailer an agent or alter ego of that retailer.

26 d. Notwithstanding any other provision of law to the
 27 contrary, the department has the discretion to disregard or
 28 look through any organizational structure of an enterprise in
 29 order to assess and collect any tax, penalty, and interest
 30 against an affiliate that is acting to benefit an affiliate or
 31 an enterprise of which the affiliate is a part.

 6 succeeding each quarterly period pay the use tax upon all

7 property or services used by the person during the preceding
8 quarterly period in the manner and accompanied by such returns
9 as the director shall prescribe. All of the provisions of
10 sections 423.32 and 423.33 with reference to the returns and
11 payments shall be applicable to the returns and payments
12 required by this section.

13 Sec. 216. Section 423.36, subsection 1, Code 2018, is
14 amended to read as follows:

19 personal property, specified digital products, or furnishing
20 services for use within this state, unless a permit has been
21 issued to the retailer under this section, except as provided

5 shall, prior to the sale, apply for and receive a permit to
6 collect sales or use tax pursuant to this section. A state
7 agency shall not purchase tangible personal property, specified
8 digital products, or services from any person unless that
9 person has a valid, unexpired permit issued pursuant to this
10 section and is in compliance with all other requirements in
11 this chapter imposed upon retailers, including but not limited
12 to the requirement to collect and remit sales and use tax and

22 Sec. 219. Section 423.36, subsection 9, paragraph a, Code
23 2018, is amended to read as follows:

24 a. Except as provided in paragraph “b”, purchasers, users,

4 amended to read as follows:

5 2.a. Any person who knowingly sells tangible personal
6 property, specified digital products, tickets or admissions

22 aggravated misdemeanor.

23 Sec. 221. Section 423.41, Code 2018, is amended to read as
24 follows:

26 Every retailer required or authorized to collect taxes
27 imposed by this chapter and every person using in this state
28 tangible personal property, specified digital products,
29 services, or the product of services shall keep records,
30 receipts, invoices, and other pertinent papers as the director
31 shall require, in the form that the director shall require,
32 for as long as the director has the authority to examine and
33 determine tax due. The director or any duly authorized agent
34 of the department may examine the books, papers, records,

35 and equipment of any person ~~either~~ selling tangible personal

PAGE 120

1 property, specified digital products, or services or liable
2 for the tax imposed by this chapter, and investigate the
3 character of the business of any person in order to verify
4 the accuracy of any return made, or if a return was not made
5 by the person, ascertain and determine the amount due under
6 this chapter. These books, papers, and records shall be made
7 available within this state for examination upon reasonable
8 notice when the director deems it advisable and so orders. If
9 the taxpayer maintains any records in an electronic format,
10 the taxpayer shall comply with reasonable requests by the
11 director or the director's authorized agents to provide those
12 electronic records in a standard record format. The preceding
13 requirements shall likewise apply to users and persons

21 retailers in properly accounting for nontaxable sales of
22 tangible personal property, specified digital products,
23 or services to purchasers for a nontaxable purpose. The
24 department shall also allow the use of exemption certificates
25 for those circumstances in which a sale is taxable but the
26 seller is not obligated to collect tax from the buyer.

27 b. The sales tax liability for all sales of tangible
28 personal property and specified digital products and all sales
29 of services is upon the seller and the purchaser unless the
30 seller takes from the purchaser a valid exemption certificate
31 stating under penalty of perjury that the purchase is for a
32 nontaxable purpose and is not a retail sale as defined in
33 section 423.1, or the seller is not obligated to collect tax
34 due, or unless the seller takes a fuel exemption certificate
35 pursuant to subsection 5. If the tangible personal property,

PAGE 121

1 specified digital products, or services are purchased tax free
2 pursuant to a valid exemption certificate and the tangible
3 personal property, specified digital products, or services are
4 used or disposed of by the purchaser in a nonexempt manner, the
5 purchaser is solely liable for the taxes and shall remit the
6 taxes directly to the department and sections 423.31, 423.32,
7 423.37, 423.38, 423.39, 423.40, 423.41, and 423.42 shall apply
8 to the purchaser.

9 e. If the circumstances change and as a result the tangible
10 personal property, specified digital products, or services are

11 used or disposed of by the purchaser in a nonexempt manner or
 12 the purchaser becomes obligated to pay the tax, the purchaser
 13 is liable solely for the taxes and shall remit the taxes
 14 directly to the department in accordance with this subsection.

 23 423.20, 423.21, 423.22, 423.23, 423.24, 423.25, 423.29, 423.31,
 24 423.32, 423.33, 423.34, 423.34A, 423.35, 423.37, 423.38,

PAGE 122

1 29C.24, subsection 3, paragraph "a", subparagraph (2).

2 Sec. 225. Section 423B.5, subsection 1, Code 2018, is
 3 amended to read as follows:

4 1. A local sales and services tax at the rate of not more

 6 taxed by the state under chapter 423, subchapter II. A local
 7 sales and services tax shall be imposed on the same basis as
 8 the state sales and services tax or in the case of the use of
 9 natural gas, natural gas service, electricity, or electric
 10 service on the same basis as the state use tax and shall not

 18 of transportation, or on the sales price from the sale or use
 19 of natural gas, natural gas service, electricity, or electric
 20 service in a city or county where the sales price from the sale
 21 of natural gas or electric energy is subject to a franchise
 22 fee or user fee during the period the franchise or user fee

27 section 423.15, 423.17, 423.19, or 423.20, to a location within
28 that city or unincorporated area of the county. The tax shall
29 be collected by all persons required to collect state sales
30 taxes. All cities contiguous to each other shall be treated
31 as part of one incorporated area and the tax would be imposed
32 in each of those contiguous cities only if the majority of
33 those voting in the total area covered by the contiguous cities
34 favors its imposition. In the case of a local sales and
35 services tax submitted to the registered voters of two or more

1 contiguous counties as provided in section 423B.1, subsection
2 4, paragraph "c", all cities contiguous to each other shall be

19 subparagraph (3), Code 2018, is amended to read as follows:

20 (3) The tax once imposed shall continue to be imposed until
21 the county-imposed tax is ~~reduced or increased in rate or~~
22 ~~repealed, and then the city-imposed tax shall also be reduced~~
23 ~~or increased in rate or repealed in the same amount and be~~
24 effective on the same date.

25 Sec. 233. Section 423B.1, subsections 3, 4, and 5, Code
26 2018, are amended to read as follows:

27 3.a. ~~A local option tax shall be imposed only after an~~
28 ~~election at which~~ If a majority of those voting on the question
29 of imposition of a local option tax favors imposition and, the
30 local option tax shall then be imposed at the rate specified
31 on the ballot until repealed as provided in subsection 6,
32 paragraph “a” this chapter.

33 b. If the tax is a local vehicle tax imposed by a county,

2 imposed by a county, it shall only apply to those incorporated
3 areas and the unincorporated area of that county in which a
4 majority of those voting in the area on the tax favors its
5 imposition. For purposes of the local sales and services tax,
6 all cities contiguous to each other shall be treated as part of
7 one incorporated area and the tax would be imposed in each of
8 those contiguous cities only if the majority of those voting
9 in the total area covered by the contiguous cities favors its
10 imposition. ~~In the case of a local sales and services tax~~
11 ~~submitted to the registered voters of two or more contiguous~~
12 ~~counties as provided in subsection 4, paragraph “c”, all cities~~
13 ~~contiguous to each other shall be treated as part of one~~
14 ~~incorporated area, even if the corporate boundaries of one or~~
15 ~~more of the cities include areas of more than one county, and~~
16 ~~the tax shall be imposed in each of those contiguous cities~~
17 ~~only if a majority of those voting on the tax in the total area~~
18 ~~covered by the contiguous cities favored its imposition. For~~
19 purposes of the local sales and services tax, a city is not
20 contiguous to another city if the only road access between the
21 two cities is through another state.

22 (2) The treatment of contiguous cities as one incorporated
23 area for the purpose of determining whether a majority of those
24 voting favors imposition does not apply to elections on the
25 question of imposition of a local sales and services tax in
26 all or a portion of a county that is a qualified county if the

27 election occurs on or after January 1, 2019. For purposes
 28 of this chapter, "qualified county" means a county with a

 3 the incorporated and unincorporated areas of the county upon
 4 receipt of a petition; requesting imposition of a local vehicle
 5 tax or a local sales and services tax, signed by eligible

 14 thirty days the county commissioner of elections to submit the
 15 question of imposition of a local sales and services tax to the
 16 registered voters of the incorporated and unincorporated areas
 17 of the county upon receipt of a petition requesting imposition
 18 of a local sales and services tax, signed by eligible electors
 19 of the whole county equal in number to five percent of the
 20 persons in the whole county who voted at the last preceding
 21 general election. If more than one valid petition is received,
 22 the earliest received petition shall be used.
 23 (3) In lieu of the petition requirement of subparagraph
 24 (2), the county board of supervisors for a county that is a
 25 qualified county shall direct within thirty days the county
 26 commissioner of elections to submit the question of imposition
 27 of a local sales and services tax to the registered voters of a
 28 city, or the portion thereof located in the county, or to the
 29 registered voters of the unincorporated area of the county upon
 30 receipt by the board of supervisors of a petition requesting

 12 the governing body or bodies of the city or cities located
 13 within the county or of the county, for the unincorporated
 14 areas of the county, representing at least one half of the
 15 population of the county. Upon adoption of such motion, the
 16 governing body of the city or county, for the unincorporated
 17 areas, shall submit the motion to the county commissioner of
 18 elections and in the case of the governing body of the city
 19 shall notify the board of supervisors of the adoption of the
 20 motion. The county commissioner of elections shall keep a file

 23 concerning the imposition of the local sales and services tax.
 24 A motion ceases to be valid at the time of the holding of the
 25 regular election for the election of members of the governing
 26 body ~~which~~ that adopted the motion. The county commissioner of
 27 elections shall eliminate from the file any motion that ceases
 28 to be valid.

29 (2) In lieu of the motion requirements of subparagraph (1),
 30 the question of the imposition of a local sales and services
 31 tax shall be submitted to the registered voters of a city
 32 located in a county that is a qualified county, or the portion
 33 thereof located in the county, or to the registered voters
 34 of the unincorporated area of a county that is a qualified
 35 county upon receipt by the county commissioner of elections of

 19 which the question is to be submitted may enter into a joint
 20 agreement providing that for purposes of this chapter, a
 21 city whose corporate boundaries include areas of more than
 22 one county shall be treated as part of the county in which a
 23 majority of the residents of the city reside. In such event,
 24 the county commissioners of elections from each such county
 25 shall cooperate in the selection of a single date upon which
 26 the election shall be held, and for all purposes of this
 27 chapter relating to the imposition, repeal, change of use,
 28 or collection of the tax, such a city shall be deemed to be
 29 part of the county in which a majority of the residents of the
 30 city reside. A copy of the joint agreement shall be provided

 10 the requirement of section 423B.7, subsection 7, paragraph "b"
 11 and shall contain a statement as to the specific purpose or
 12 purposes for which the revenues shall otherwise be expended.
 13 If the county board of supervisors or governing body of the
 14 city, as applicable, decides under subsection 6 to specify a
 15 date on which the local option sales and services tax shall
 16 automatically be repealed, the date of the repeal shall also be
 17 specified on the ballot.
